HHS Tutoring 2026-2027

- Sometimes unforeseen circumstances arise that require a teacher to cancel a tutoring session. Students dependent on transportation other than their own vehicles should check Schoology for cancellations prior to attending a tutoring session to confirm that teacher's tutoring schedule
- Some teachers request students communicate their desire to attend tutoring to schedule accordingly. Please make certain you do so to avoid confusion.
- Students attending tutoring before school need to get a hall pass/note from the teacher beforehand to be admitted to the classroom area prior to 7:30 a.m.

Teacher/Room	Subject	Date/Time
