Just use the contact information above, we're all ears.

We will be closed for the Labor Day holiday on 9/7/26.

If you regularly receive a **Grocery Bag of Frozen Meals** on Mondays, expect your delivery on **Tuesday 9/8/26**.

If you regularly receive a **Daily Hot or Daily Cold Meal** on Mondays, we'll provide **1 Frozen Meal *in addition*** to your hot/cold meal on **Friday 9/4/26** to cover you over the holiday. Let us know if you do not want the extra holiday meal **by 9/1/26**.

Please let us know if you won't be home to receive your delivery on Tuesday (9/8/26) by calling 651-621-7950 and leaving a message or sending an email to andrew.mattila@moundsviewschools.org.

How are we doing? Do you like your volunteer drivers?

Please let us know how we can improve on our service using the contact information above. We would also like to hear about the volunteer drivers you meet. Has a volunteer driver gone above and beyond and you'd like to recognize their efforts? Please share with us so we can pass along your appreciation.

If you like Meals on Wheels, please share!

Sharing is caring! If you have been pleased with your service from Meals on Wheels, please tell a friend or family member and give them our contact information. The time may come when they could use our help. The recipes for our meals are designed by nutritionists who follow strict guidelines for a heart-healthy diet. Remember, we provide more than just a meal, we offer a visit from a volunteer who *sincerely cares* about the wellness of meal recipients. We serve the entire 621 Independent School District, ranging from North Oaks, down to St. Anthony Village, over to Roseville, and everywhere in between. We are part of the Meals on Wheels of Ramsey County collaborative, so if you know someone who needs help outside of our service area, have them contact us and we'll connect them with the nearest provider.
