GETTING TO THE ROOT

Two (2) Day Intensive Training on Racial Justice

Systemic racism exists, advantaging white people while disadvantaging those who are Black, Indigenous and People of Color. To get real and do something about it, we must be willing to learn from history, understand power and organize for social justice and equity.

Stay involved. Be the change. Start today.

Nyack Public Schools staff are welcome to register on Frontline.

All NTA members hired with an effective date after July 1, 2021 are required to complete the *Getting to the Root* training within the probationary period as a condition of tenure consideration.

Feel free to reach out to Dr. Audrey Brutus at ABrutus@nyackschools.org with any questions.
