2026/2027 Bus Route

These schedules are subject to change due to late enrollments. Please check for updated Route times on August 28, 2025 after 5:00pm for the latest updates.

Bus Stops

1. Students are asked to be at the stop closest to their home, standing at least 15 feet off of the roadway in a visible place.
2. Students must be at their bus stop ready to board the bus 10 minutes prior to bus arrival for the first two weeks of school. After the first two weeks of school, students must be at their bus stop, ready to board the bus 5 minutes before their scheduled stop time.
3. Elementary students must have a parent/guardian visible at stop.
4. Preschoolers must have an adult meet them at the bus to assist them with getting on and off of the bus.
5. Expect the buses to be late for the first few days. Time can fluctuate up to **15-20 minutes** the first week but will become more regular as the week goes on.
6. If you miss your bus DO NOT FOLLOW the bus to the next stop. You will need to take your student to school.

BUS PASSES are no longer given to ride a different bus.

Our focus is to provide safe transportation for students each day. Varying the bus a child rides could potentially create an unsafe situation. In providing transportation for over 800 students each day, it is imperative that we monitor students riding the bus very carefully. Therefore, students are not permitted to ride on buses other than the one they normally ride. This practice also helps assure that "loads" on the bus do not vary.

REMEMBER SAFETY FIRST
