ELIZABETH BOARD OF EDUCATION:

The Superintendent of Schools recommends approval of the following recommendations.

AUTHORIZATION TO PARTICIPATE

Recommended: That the Elizabeth Board of Education be authorized to participate in the Union County Adoption Day for the 2026-2027 school year.

***Rationale:** The Union County Adoption Day recognizes, and honors families formed through adoption while raising awareness of the importance of providing safe, permanent and loving homes for children. The Elizabeth Public Schools will assist with this event by creating artwork and decorations to bring warmth to the courthouse setting, and a musical presentation by the Thomas Jefferson Arts Academy Choir will highlight the talent and spirit of the Elizabeth School community.*

AUTHORIZATION TO APPROVE CHAPTER 27 EMERGENCY VIRTUAL OR REMOTE INSTRUCTION PROGRAMS FOR THE 2026-2027 SCHOOL YEAR PLAN

Recommended: That the Elizabeth Board of Education be authorized to approve the Chapter 27 Emergency Virtual or Remote Instruction Programs for the 2026-2027 school year plan.

***Rationale:** In accordance with P.L. 2020, c.27, each school district must annually submit its proposed program for virtual or remote instruction plan to the Commissioner of Education. This law provides for the continuity of instruction in the event of a public-health related district closure so that LEAs can utilize virtual or remote instruction to satisfy the 180 day requirement pursuant to N.J.S.A.18A:7F-9. This plan would be implemented during a district closure lasting more than three consecutive school days due to a declared state of emergency, declared public health emergency or a directive by the appropriate health agency or officer to institute a public health-related closure.*

AUTHORIZATION TO ENTER PARTNERSHIP

Recommended: That the Elizabeth Public Schools be authorized to enter a partnership with Garden State eSports for the 2026-2027 school year.

***Rationale:** Garden State eSports partners with over four hundred (400) k-12 school districts and serves more than 12,000 students in New Jersey. The nonprofit uses scholastic gaming to boost student engagement, mental health and belonging, while offering pathways to college scholarships. STEM learning and technical workforce training.*
