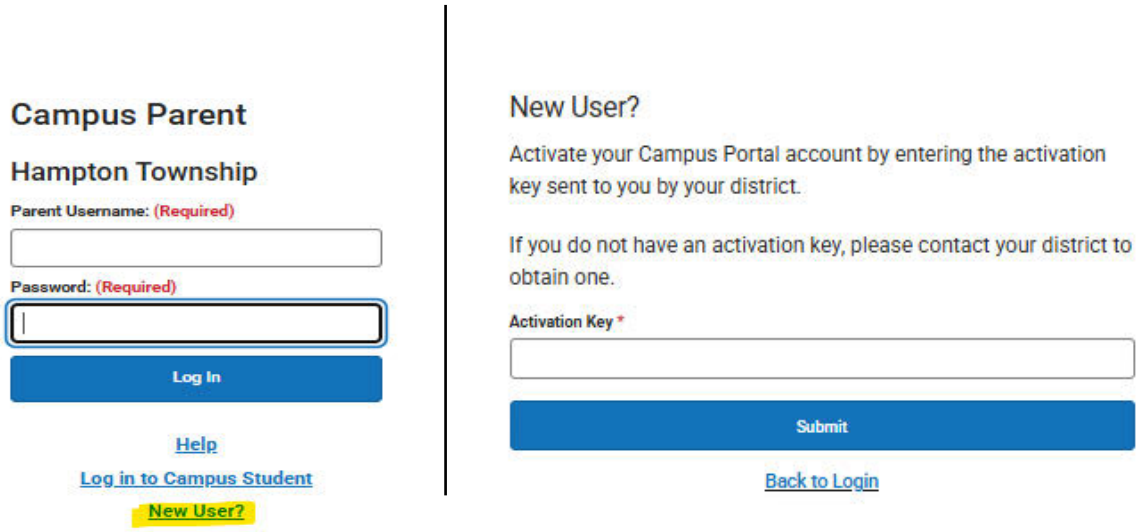
Part 1– Create a Portal Account

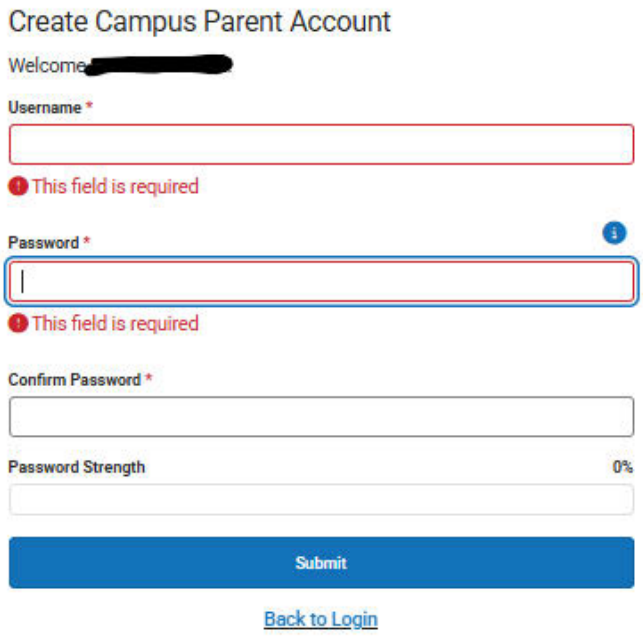
- To begin, access the Parent Portal URL on the Quick Link on the district website (www.ht-sd.org) or type the following URL into any internet browser:

  https://ht-sd.infinitecampus.org/campus/portal/parents/hampton_township.jsp

- Click 'Campus Parent', then click 'New User?', the enter your GUID/Activation key you received from the District

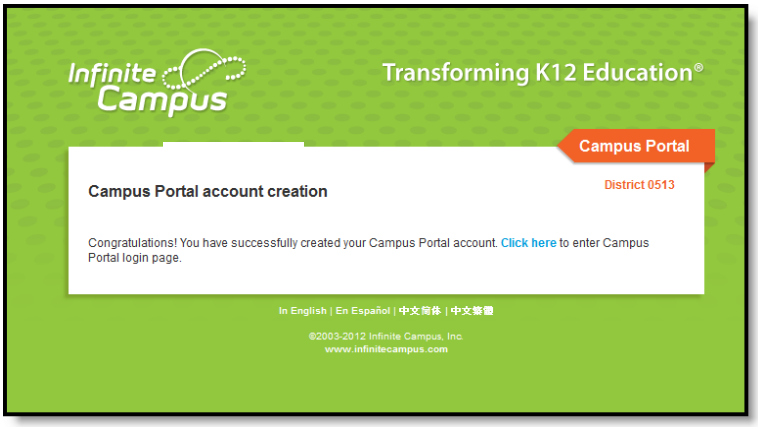


- Click the "Submit" button. The Activation Key will be verified, and you will then be prompted to create a username and password.



- User names can both letters and numbers.
- Password - Create a strong password! Be sure to click the blue '!' near the password text box for password assistance

- You may need to verify the password by re-typing it where indicated. Click on the “Create Account button.



- After you have successfully created your Campus Parent Portal account, you must log in with your newly created username and password to access the portal.
