

Spartans Clubs 2026-2027

If you want to join a club at SLJH, your parent/guardian must fill out the Google form permission slip. You can find the most updated list of clubs and their sponsors on our school website under the “Student” tab.

Club	Description
AI Club	Explore the future of technology! Learn how artificial intelligence works, try out fun projects, and discover how AI is shaping the world around us. From chatbots to image recognition, we'll dive into the exciting world of artificial intelligence with hands-on activities, discussions, and creativity.
Board & Card Game Club	Competitive? Do you enjoy having fun with others? Come join the board game club. Bring your family's favorite board game and teach others how to play.
Book Club	SLJH breakfast book club meets on Wednesday mornings in the library to discuss a book(s) that we have read. We select books as a group and meet until we complete the book. We will do several different books throughout the school year. Members can decide which book discussions they would like to participate in.
Building with Legos Club	Opportunity for students to build hands-on Lego creations. They can bring in creations or pictures of previous creations, share Lego ideas, and have competitions of most epic creations.
Chess Club	Playing chess develops mental skills including: logic, strategic, and tactical thinking, planning and preparation, and problem-solving. *Student tryout required*
Competition Math Club	Go head to head in a variety of different math events like TMSCA, AMC, and Mathcounts competitions. You will be tested in number sense, calculator skills, and word problem knowledge in 6th through 8th grade content. *Student tryout required*
Crochet Club	Crochet Club is a creative space where students can learn the art of crochet, practice new stitches, and work on fun projects. Whether you're a beginner or already know how to crochet, this club is a great place to relax, create, and share your work with friends.
Fishing Club	Members will learn about different fishing techniques, equipment, and local fish species while practicing patience, sportsmanship, and respect for nature. Whether you're a beginner or an experienced angler, this club is all about connecting and casting a line with friends.
Kpop!	The K-Pop Club is a high-energy group where students come together to celebrate Korean pop music and culture! Explore popular K-Pop artists, learn choreography, discuss music videos, and build friendships with others who share the same interests.
Magic: The Gathering	Learn how to trade cards, build decks, compete against your peers with your favorite cards.
National Junior Honor Society (NJHS)	The National Junior Honor Society (NJHS) elevates a school's commitment to the values of scholarship, service, leadership, character, and citizenship. NJHS is an approved and invite-only club. It is for 8th graders who exhibit a 3.75 GPA and exceptional behavior. If your child meets the requirement, they will receive an invitation in the spring (April/May) of their 7th grade year.
Pep Squad	Join SLJH pep squad! Required for any student that wants to be a SLJH cheerleader! *Deadline to join in September*
Ping Pong	Grab a paddle and join the fun! In Ping Pong Club, students play friendly matches, practice new skills, and enjoy the fast-paced excitement of table tennis. Whether you're a beginner learning the basics or a seasoned player ready for a challenge, this club is all about having fun, improving your game, and making new friends across the table.
Puzzles	Love puzzles? Relax, connect, and piece it all together! In Puzzle Club, students work together to complete jigsaw puzzles of all shapes and sizes. It's a fun, calming way to challenge your mind, build teamwork skills, and enjoy the satisfaction of seeing the big picture come together one piece at a time.
Quiz Bowl	Quiz Bowl Club is all about fast thinking and teamwork! Students will compete in trivia-style games covering a wide range of topics—history, science, literature, pop culture, and more. It's a fun way to challenge your brain, build confidence, and work with others while preparing for friendly competitions. *Students must qualify to compete in a tournament*

Robotics and Computer Science Club	To teach EV3 and First Lego League Robot building, programming and game strategies to junior high students and form FLL teams "Cyber Spartans" and "Spartan Mechanics" which will support the growth for district/region/state/world tournaments representing SLJH and Katy ISD.
Run Club	Ready, set, run! The Run Club is the perfect place for students who love to stay active, enjoy the outdoors, and challenge themselves. Whether you're a seasoned runner or just starting out, this club welcomes all fitness levels.
Science Olympiad	Science Olympiad is a STEM competition in which teams of 15 students compete in 23 events from various scientific fields, such as Anatomy and Physiology, Tower Building, Rocks and Minerals, Forensics, and more. Events can generally be separated into three categories: Study, Build, and Lab. *Student tryout required*
Spartan Roundtable	Spartan Roundtable is an opportunity for students to interact directly with the principal to provide input regarding issues affecting SLJH. As part of the Roundtable, students will take on a leadership role, serve as representatives for their grade level, as well as provide a voice for student and staff issues at SLJH. *By teacher recommendation only*
Spartans for Christ	This student-led club provides a welcoming space for students to connect through faith, character development, and leadership. Meetings include positive discussions, team-building activities, and encouragement focused on respect, integrity, and service to others.
Speech and Debate	Provides SLJH students with unparalleled access to an organization that provides opportunities to enhance public speaking, reasoning, and argumentation skills. High school speech and debate students mentor the junior high students and support their growth.
Warhammer	Do you enjoy strategy games, building models, or painting miniatures? Join the Warhammer Club! Students will learn the basics of the Warhammer tabletop game while developing critical thinking, problem-solving, creativity, and sportsmanship.
Writing Club	If you love letting your creativity shine, look no further than Writing Club!

Updated: 8/18/26

Do you have a passion, hobby, or idea for a club that is not listed above? Start a club! Clubs are a great way to connect with classmates, develop leadership skills, and make a difference in our school community.

To start your club, your first step is to ask a teacher to sponsor your club. They will print the proposal form from the staff handbook and you can turn the completed proposal in to Mrs. Wright in the front office. Your last step is to recruit some friends to join your club. Let's work together to make your club idea a reality!
