Students may receive targeted academic support, mentor peers in class subjects or in college and career options, participate in Link Crew community building, experience enrichment opportunities, or spend the time catching up on work and studying, among other things. All students will have a set location for each cycle of AE. Here are some important reminders before AE starts on Wednesday.

- All students: Tuesday night, check your Aeries schedule and make sure you have an AE assignment.
- 9th graders: Your teachers will assist you in finding your AE if you have any questions.
    - LINK CREW FIRST MONDAYS: all 9th graders will go to Link Crew Mondays on the FIRST MONDAY of each month. Due to Labor Day, the first LC Monday will be on September 14.
- 10th, 11th, 12th graders: if you have AE choice, you will be in the auditorium on Wednesday and Thursday. Here we will share expectations and choose assigned locations for this 10-week cycle.

ID Photo Day (Picture Day) will be tomorrow Monday, August 24th & Tuesday, August 25th in the Small Gym, starting at Period 1. Students will go during their English Class. If you wish to order a Photo Package, you may do so by viewing the flyer online, see Mrs. Cascolan at the Athletics & Activities counter in the Front Office or get a flyer from your English teacher. Students will get their school ID on this day.

AYSO 254 (Burbank) is looking for Youth Volunteers: AYSO 254 is looking for Youth Volunteers ages 12 and up to be EPIC Buddies, Youth Referees and Youth Coaches Assistants. The **City of Burbank** is currently seeking a recommendation from each Burbank Middle and High school for an appointment to the **Burbank Youth Board**. Each school should select one school representative

and have the student complete the attached application and select the school representative box. If you know of additional students that would be a good candidate, you should encourage them to submit the same application and select the At- large position box. Students who apply for the At-Large position will need to go through an interview/selection process. Please have student's complete applications by Wednesday, September 9. I have attached additional information for you regarding Youth Board as well as the application. Applications should be scanned back to me at jgriffin@burbankca.gov. Each year we are proud to work with such wonderful students, and we look forward to the upcoming Youth Board year.
