

Configuring the Skyward Mobile App for Qmlativ

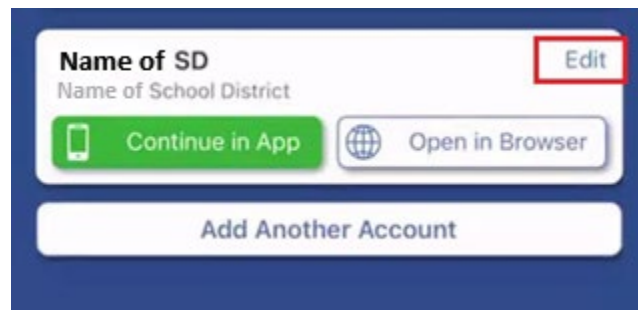

Welcome to Qmlativ!

Users that have not installed the Skyward Mobile App can do so through the App Store on your device.

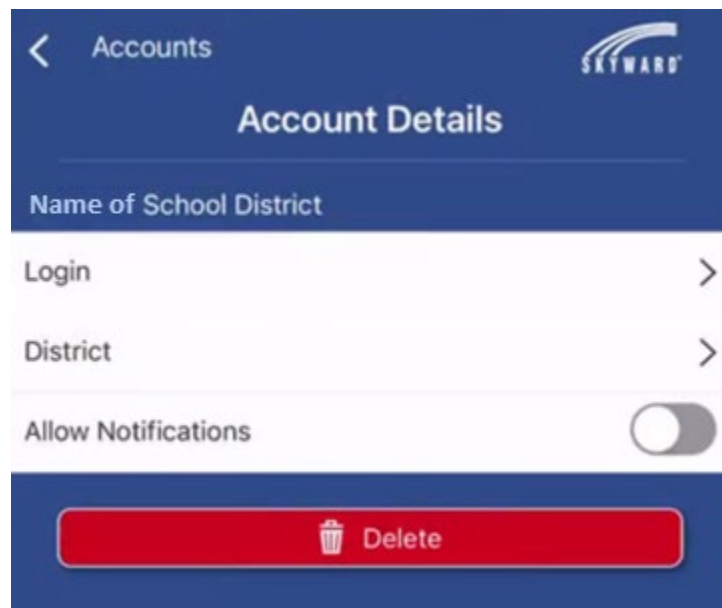

- **To add an account in the Skyward Mobile App, begin at Step 5.**

Users with the Skyward Mobile App currently installed on a device should follow the instructions below to remove the account that was associated with an SMS account and add in an account associated with Qmlativ.

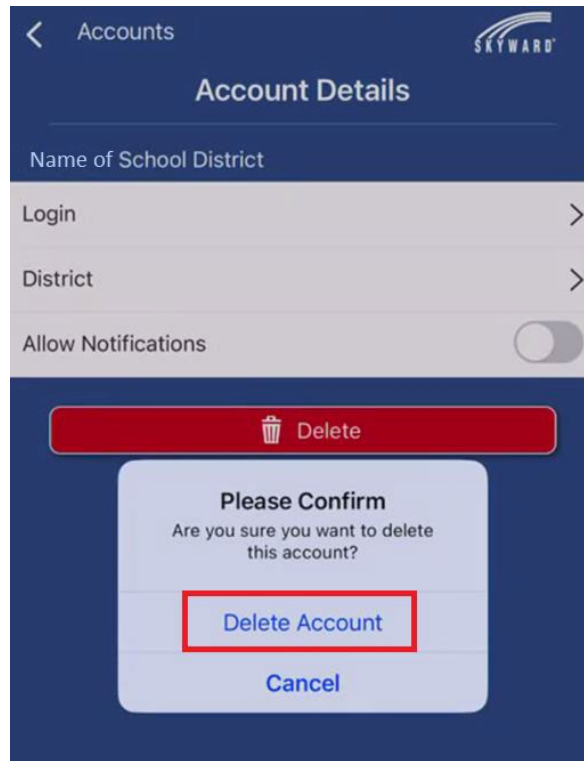

1. Open the Skyward app on your phone. Click **Edit**:

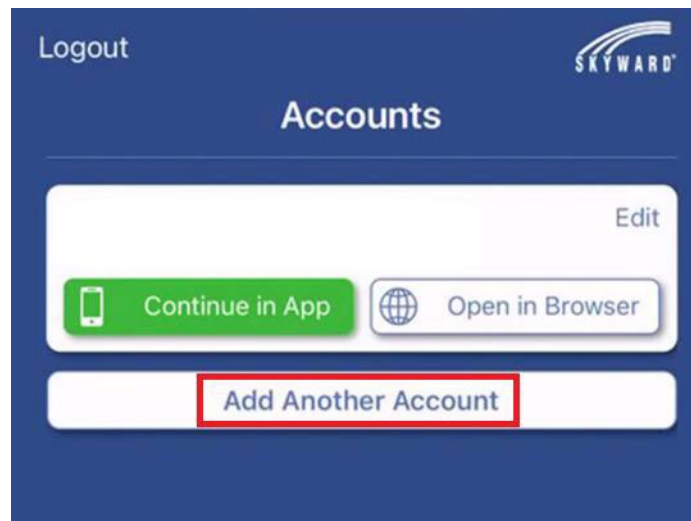

2. Click **Delete**:

3. Select **Delete Account**:

4. Click **Add Another Account** (if you don't see this screen, skip to Step 5):

5. In the search field next to the magnifying glass, type the name of the District to add and select the option that begins with "Wsipc- "

Locate Organization

Name | Current Location | Postal Code

Q Name of District

Wsipc- Name of School District
City , WA

6. Lastly, enter the following information:

FOR PARENTS:

- Username** - Type your Skyward username.
- Password** - Type the password related to your Skyward username.
- Account Description** - add "Dieringer".

FOR STAFF:

- Account Description - add "Dieringer".
- Click Sign in With Microsoft EntraID and follow your Multi-Factor Authentication Steps

< Locate Organization SKYWARD

Add Account
