NORTHWESTERN REGIONAL SCHOOL DISTRICT 7
SCHOOL MEDICATION AUTHORIZATION

Connecticut State Law and Regulations 10-212(a) require a written medication order of an authorized prescriber, and parent/guardian written authorization, for the nurse, or in the absence of the nurse, qualified school personnel to administer medication. Medications must be in the original properly labeled container. Prescription medication should be in the labeled container dispensed by a pharmacist.

This authorization is in effect for the school year: 2026 – 2027 To include extended year program.

Self-administration of asthma inhalers and cartridge injectors (for medically diagnosed allergies) may be authorized by the prescriber and school nurse, when applicable, and must be authorized by the parent/guardian, in accordance with Board policy to confirm student safety and competency with medication procedure.
