

2026/27 PARENT/GUARDIAN CODE OF CONDUCT

ENVIRONMENTAL CHARTER SCHOOL ATHLETICS

Parents and guardians play a vital role in the development of student-athletes and the success of our athletic program. We encourage every parent and guardian to support the following expectations:

PARENT & GUARDIAN EXPECTATIONS

- **Be a positive role model.** Through your actions, help ensure your student has the best possible athletic experience.
- Teach your student to enjoy the thrill of competition and understand that improving skills and attitude are important.
- Help your student understand that success is experienced through the development of their skills and that they can feel good about themselves, win or lose.
- Support and praise student-athletes' efforts to improve themselves as students, athletes, and people.
- Insist on positive behavior in school and a high level of performance in the classroom. Studies show that extracurricular activities can help enhance academic performance.
- **Don't compete with the coach.** Keep in mind that coaches are balancing the development of your student with the growth and progress of an entire athletic team. Coaches often have many considerations that may not be obvious to parents/guardians.
- **Let the coaches coach.** Be a spectator who encourages all athletes and respects coaches, athletes, staff, and spectators from both teams.
- **Respect officials.**
- **Be a positive and supportive member of the ECS Athletics community.**

SUPPORT THE STUDENT | RESPECT THE GAME | REPRESENT ECS WITH PRIDE

Positive support helps create a better experience for every ECS student-athlete.
