Attendance Tracker

While it's never a good idea to miss school, there are some days when you can't make it.

Students in Wisconsin are allowed 10 unexcused absences each school year. Use the chart below to track how many unexcused (no doctor's note) absences your student has this school year.

For students with conditions that require regular monitoring that could lead to absences, contact the District Nurse (414-766-5802) to develop a school health plan.
