Dear Parent /Guardian,

The Family & Consumer Science classes in the East Islip Middle School will be cooking to support the Nutrition and Wellness Unit of study. We will be preparing, cooking and tasting different types of food. The school will supply a range of food items, all of which will be suitable for the class instruction. Do not hesitate to contact your child's teacher at (631) 224-2008 if you have any questions. Please review the Food Allergies Policy and Regulation-5422 on our website, [http://www.eischools.org/schools/middle school](http://www.eischools.org/schools/middle%20school).

Kindly complete and return the consent slip below.
