Process for APS/Charter/Homeschool Students to participate in Sandia Athletics/Activities

1. The student must register at Sandia High School. This requirement puts the student into the system.

2. Participation form must be turned into the Athletic Director or Activity Sponsor.

3. Below is the list of grading period dates and declaration dates. **It is the responsibility of the student** to turn grades into the Athletic Director or Activity Sponsor. The grades to be turned in are of the end of the grading period and need to be provided before the date of declaration. If grades are not given to the Athletic Director or Activity Sponsor, the student will not be able to participate in following events.

Quarter	End of grading period	Declaration
1st Quarter	10/08/26	10/20/26
2nd Quarter	12/18/26	1/14/27
3rd Quarter	3/12/27	03/23/27
4th Quarter	05/27/27	06/08/27

This portion is to be kept by the Parent and Student. Page 2 and 3 are given to the Athletics Director or Activity Sponsor when signatures are completed from the Current School.

In order to be able to participate at Sandia High School in Athletics or Activities, I understand that the following conditions must be met.

- The student must be an official APS school student registered with the Public Education Department.
- The student must be a bona fide resident and must live in the attendance zone of Sandia High School.
- An official class schedule and grade report must be given to Sandia at the beginning of the season. The student must be taking classes, which equate to more than half of that school's regular class schedule. Official grades are required during the season at the end of Sandia's grading periods.
- A complete, valid physical must be on file with the Sandia Athletic Trainer. This includes proof of insurance.
- Attendance of the athletic/activity mandatory meeting. At this meeting Code of Conduct is discussed. (Pre-Season information can be found on the sandia.aps.edu website.)
- Transportation to and from practices and games is the responsibility of the student. The student will be transported with the team if APS provides a bus for that event.
