Dear Parents and Students,

The West View Middle School Junior Beta Club is an academic honor organization that recognizes students who demonstrate high achievement, strong character, and positive behavior. Please review the following eligibility requirements and grading information carefully.

- Have no more than one office and/or bus referral
- Have no Level 4 behavior infractions

GRADES USED FOR BETA ELIGIBILITY

The following PowerSchool grading categories will be used when determining Beta eligibility:

Please note: 6th Period Extended Skills does **NOT** count toward Beta eligibility and will not be included when calculating a student's average. Also, the numerical average that is printed on the progress report will be the grade used for eligibility.
