GREENHECK TURNER Community CENTER

The Greenheck Turner Community Center is committed to meeting community needs by providing opportunities for all in areas of recreation, wellness, athletics, and social activities.

WELCOME TO FALL

Beginning Tuesday, August 25, the front doors will be locked from 7:00 AM-2:15 PM. Anyone needing access to the GTCC building will need to use their member badges or be buzzed in. The door on the far right has the badge reader. Members, with valid memberships, can continue to work out in the Fitness Center during posted hours:
Monday-Friday 4:30 AM-10:30 PM and weekends from 6:30 AM-10:00 PM.

Fall REC sports will be in full swing. Flag football, soccer, and basketball being in September and October. Bounce House nights begin on Wednesday nights, Tyke Time on Tuesday mornings, Open Skate on Saturday nights, Speed & Performance Classes, and a *New Teen Program- Beyond the Bell for kids age 13-18. Check out our offerings, classes, schedules and new information here: https://gtcc.dce.k12.wi.us/

Adventure Camp Kids

Adventure Camp had a great summer. Join us for Vacation Fun Days this school year.

This summer brought a new excitement while hosting the **World Horseshoe** tournament and transforming the turf fields into horseshoe pits. Our **Adventure Camp** concluded as we celebrated 11 weeks of fun with 300 campers each day. Camp offers a safe, activity based learning environment all summer while playing outdoors, going on field trips, making new friends and challenging camp counselors. Summer REC Soccer ended last week with more than 990 athletes learning the game, playing outdoors and creating friendships. The ice was busy all summer with hockey camps, figure skating and open skate times.

Book your party today for turf, bounce houses, simulators, rock climbing or ice skating. Let us help you create an excellent experience.

Community Open House

Youth REC Soccer

Welcome Back! We are so excited to welcome students, teams, classes and community members back to GTCC. This summer was busy for us as we hosted the World Horseshoe Tournament. Fall brings a regular schedule back to the building. We are expanding programming for multiple age levels. Our staff will provide care for every before and after school site throughout the school district. The front desk welcomes new staff under the Youth Apprentice Program and every weekend has a tournament, game, program or camp booked until next summer. We welcome back our main user groups which include DCE Youth Baseball, Youth Fastpitch, Wolfpack Lacrosse and MC United. The 3v3 and 4v4 soccer tournaments will open registration the first of September and the holiday movie nights are planned. The Fitness Center continues to be an affordable option for adults as memberships begin at only $10/month. Keep watching our website and social media pages as we release more tournament dates and program opportunities. We are adjusting to you, the needs and wants of the community and creating new family programs like the Race the Space and Grandparents' Event to give families a place to bring everyone. The building was built by the community, for the community and we are privileged to work in it every day. Thank you for being a part of our story.

Bill Berg, Events & Scheduling Coordinator

Bill brings experience in customer service, communications, team support, and problem-solving. His diverse background includes working in educational technology, airline customer service operations, and community sports coverage. He holds a Bachelor's degree in Mass Communication from Minnesota State University, Mankato, and has contributed to social media content while covering Wisconsin high school hockey for Wisconsin Prep Hockey.

Jessica Voll, Administrative Assistant at Adventure Care

Jessica joins our team with a solid background in before-and-after school programs, along with summer camp initiatives.

We are confident that her experience will significantly enhance our department. She jumped right in to summer camp with a field trip.

This program is open to individuals, families, students, and local groups. Whether you're an experienced artist or trying something new, your contribution matters.

Our "Community Paint a Tile" program invites community members of all ages and skill levels to contribute to a collaborative art installation that celebrates creativity, connection, and local pride.

How it works: Participants can purchase a small tile and transform it into their own unique work of art. Each completed tile will become part of a larger mural displayed at the community center, creating a lasting visual representation of our community.

No registration required. $10

We've made it easy for everyone to participate in a way that works best for them: **Take Home Option**: Purchase a tile and create your design at home using your own material. Return your finished tile by the designated deadline to be included in the mural.
On Site Creating: Join us at the community center on select dates to design and paint your tile in a fun, social environment. We'll provide all the necessary supplies, guidance, and inspiration.
