Full Page: $375.00

Just use this guide to build your tribute to the correct size. You can e-mail us your tribute (PDF, TIFF or high-resolution Jpeg) at yearbook@rosaryacademy.org. We print at 300 dots per inch (dpi) which means that an 8" x 10" image will be 2400 pixels by 3000 pixels on your computer screen. Bigger is great- smaller will look blurry.

To use the online option, go to the Yearbook section on Rosary's website under "Parents", and follow the link to jostensadservice.com. **Thank you for supporting the 2027 edition of *Reflections*!**

ROSARY ACADEMY

Dear Rosary Senior Parents,

You have a great opportunity to salute your senior in *Reflections*, the 2027 Rosary Academy Yearbook. If you're considering purchasing a Senior Tribute, now is the time to reserve it! For Early Pricing, simply fill out the slip at the bottom of this sheet and turn it in with your payment before **Friday, Oct. 23rd.**

No matter when you reserve your spot, all tribute artwork must be completedby the same date, **Friday, December 4th**. After that date, we won'tbe able to guarentee a spot in the book. You can find the prices and size guides on the back of this flyer.

The tribute artwork should be submitted as a photo print or electronically in TIFF, JPEG, or .PDF format. Please don't submit low-resolution images downloaded from the internet. They look OK on your computer monitor, but the printed results will be blurry and disappointing.

Remember that the yearbook plant has to eliminate any copyrighted material (such as song lyrics or stickers of Disney characters) so plan your design accordingly.We reserve the right to make changes to conform to any printing specifications, format limitations, or community standards.

Create the design yourself online and pay with a credit card with the **Josten's Ad Builder** (link is in the Senior Parent's secion of the Rosary website). Or, work with a professional photo studio like Mike Barnes Photography, or get a little help from our yearbook designers. Contact Michael B. Photography at Reinbold Gallery at **(714) 485-2888**.) Our staff is very motivated to help you make your tributes the best they can be.
