

A.M. Windham Elementary School

2026-2027 Curriculum & Instructional Materials Guide

Pre-Kindergarten - Grade 4 | Tiered Instructional Resources

This guide identifies the comprehensive core and supplemental curriculum resources used at Windham Elementary. Resources are organized by content area and instructional tier to support consistent Tier I instruction and targeted Tier II and Tier III intervention.

ENGLISH LANGUAGE ARTS

Resource	Grade/Tier	Purpose / Use
Open Court - McGraw-Hill	K-4 Tier I	Comprehensive core reading, writing, and language arts curriculum. Supports comprehension, close reading, vocabulary, foundational skills, and cross-curricular connections.

Supplemental ELA Resources

Resource	Grade/Tier	Purpose / Use
UFLI	K-2 Tier I	Explicit, systematic foundational skills instruction following a carefully sequenced phonics and word-reading progression.
UFLI - Word Origins	Grade 3 Tier I	Word study resource supporting morphology, vocabulary, spelling, and understanding of word origins.
SPIRE / Sounds Sensible	K-4 Tier III	Structured literacy intervention providing explicit, systematic instruction in phonological awareness, phonics, decoding, fluency, vocabulary, and comprehension.
Take Flight	Grades 2-3 Tier III	Intensive structured literacy intervention for students needing targeted support in decoding, spelling, fluency, and related reading skills.
WIN Writing	K-4 Tier I	Writing resource used to strengthen grade-level writing instruction and student composition skills.
Curriculum Associates - i-Ready	K-4 Tier I & Tier II	Diagnostic and personalized instructional resource used to support grade-level instruction and targeted skill development.
Hand2Mind Centers	K-4 Tier II	Hands-on literacy center materials used for targeted practice, intervention, and reinforcement of identified skills.

MATHEMATICS

Resource	Grade/Tier	Purpose / Use
Savvas enVision Mathematics	K-4 Tier I	Comprehensive core mathematics curriculum emphasizing conceptual understanding, problem solving, mathematical connections, and real-world application.

Resource	Grade/Tier	Purpose / Use
Curriculum Associates - i-Ready	K-4 Tier I	Diagnostic and instructional resource used alongside core mathematics instruction to identify needs and support grade-level learning.

Supplemental Math Resources

Resource	Grade/Tier	Purpose / Use
Curriculum Associates - i-Ready	K-4 Tier I & Tier II	Personalized instruction and targeted practice aligned to diagnostic data and student skill needs.
Hand2Mind - Grade Level Intervention (per domain)	K-4 Tier II	Domain-specific intervention materials used to address unfinished learning and provide targeted small-group support.
Heinemann - Do The Math	K-4 Tier III	Intensive mathematics intervention designed to rebuild foundational concepts, skills, and mathematical reasoning.

2026-2027 Curriculum & Instructional Materials Guide - Continued

SCIENCE

Resource	Grade/Tier	Purpose / Use
Inspire Science - McGraw-Hill	K-4 Core	Comprehensive, research-based science curriculum using a 5E learning model to engage students in phenomena, inquiry, critical thinking, literacy, and mathematics connections.

SOCIAL STUDIES

Resource	Grade/Tier	Purpose / Use
Analytic Orange	K-4 Core	Comprehensive social studies resource used to support grade-level standards and instruction in history, geography, civics, economics, and related social studies concepts.

CHARACTER EDUCATION

Resource	Grade/Tier	Purpose / Use
ThriveWay	K-4 Core	School-wide character education and positive development resource supporting social-emotional learning, healthy decision-making, relationships, and student leadership.

Instructional Tier Key

Tier I	Core instruction and supports provided to all students.
Tier II	Targeted supplemental instruction/intervention for students needing additional support.
Tier III	Intensive, individualized intervention for students with significant or persistent skill needs.

Note: Grade levels and tiers reflect Windham Elementary's identified use of each resource for the 2026-2027 school year.
