Membership in the National Honor Society is based upon excellence in four areas: scholarship, leadership, service, and character. Hoffman Estates High School National Honor Society will employ the following procedure in the selection of its new members:

1. Students are eligible for consideration if they have a non-weighted cumulative grade point average of 3.00 or better at the end of their sophomore or junior year. They must maintain a 3.00 or better grade point average if he or she is accepted into the National Honor Society.

2. Students who are eligible scholastically must complete a student activity form.

3. All faculty members, coaches, and activity sponsors will be asked to comment on the candidates based on the qualities of character and leadership.

4. A faculty selection committee of five members will review the application forms and the comments of the faculty members, coaches and activity sponsors. The committee will then select the inductees by a majority vote.

5. Each candidate will be notified concerning the decision of the selection committee via email by October 31.

After students become members of the National Honor Society, they are reviewed periodically by the faculty and must maintain the high standards of the society. Active members are required to maintain the minimum scholastic average and the character, leadership, and service ideals of the National Honor Society.

Although you are to be commended for maintaining a high scholastic average, please understand that membership is not guaranteed to anyone. The final decision for membership is made by the faculty committee. If you have any questions regarding the society or membership, please contact Mr. Todd Meador or Dr. Kerri Largo.

Sincerely,

Todd Meador and Kerri Largo
