NON-DISCRIMINATION POLICY

The Macon County R-I School district has adopted policies that affirm its compliance with applicable statutes regarding nondiscrimination on the basis of race, color, national origin, ancestry, religion, socioeconomic status, marital status, sex, age or handicapping condition. The institution is therefore in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Vocational Rehabilitation Act of 1973. Any person having inquiries concerning the Macon County R-I School District's compliance with regulations implementing the acts listed above is directed to contact the Superintendent of Schools, who has been designated to coordinate the institution's efforts to comply with these regulations, at 702 North Missouri, Macon, MO 63552. Any person may also contact the Assistant Secretary for Civil Rights, U.S. Department of education, regarding compliance activities.

BACKPACKS IN THE CLASSROOM

Backpacks will not be allowed in the classroom. In the past several students have brought their backpacks to the classroom. With several bags in the room, the aisles between desks are cluttered and unsafe. The purpose of this change is to improve safety in the classroom for both students and teachers by improving navigation within the classroom. This will also improve instruction because of improved teacher mobility. In addition, students will not be distracted by digging through bags eliminating distractions and management problems within the classroom. Students will be allowed to carry a handbag no larger than 8 inches x 8 inches x 4 inches MAXIMUM for personal items only. Handbags or purses must be kept under students' seats and are not to be opened during class.

To help students organize school supplies, homework, and other important papers we are requesting each student purchase a three-ring binder that can be closed with a zipper. Students will carry the binder to each class with all necessary items. We are also requesting that inside each binder students have a pencil pouch with a zipper or closure that will fit the three-ring binder. The pencil pouch will serve to keep writing utensils and other personal items students may need. All pencils, pens, paper, homework, and other necessary class supply items must be kept in the binder to eliminate the need to go through the handbag during class time. At any point throughout the school year, if the handbags or

purses become a widespread problem we reserve the right to eliminate them from being brought to the classroom.

ATTENDANCE

Students are to attend school regularly and arrive promptly to classes. Students having good attendance generally achieve higher grades, enjoy school more, and are much more desirable as employees after graduation. Good attendance is the responsibility of the parent and/or the legal guardian. Parents or legal guardians are responsible for informing school officials on the day of the student's absence. We understand that there are times when a student must miss school; for that reason, the following procedures will be followed.

The following may be excused with administrator approval

- A personal illness that's an extenuating circumstance (ex- mono, pneumonia, or other serious illness) that would prevent a student from being at school-with an excuse from the doctor
- Death in the immediate family-Student Bereavement: In the event of a death in the immediate family, the student will be school excused with proper documentation, the following days:
 - Parents, step-parents, spouse, children, brothers, sisters, stepbrother, or stepsister will be excused for a total of 5 consecutive school days.
 - Grandparents, Step Grandparent, Aunts, and Uncles will be school excused for a total of up to 2 consecutive school days.
 - Documentation may be in the form of a funeral home, or memorial service program. All bereavement days will be approved by the principal.
- School activities
- Some medical/dental appointments that cannot be scheduled other than during school hours-with an excuse from the doctor may be excused upon appeal.

All make-up work will be due upon the same number of days absent.

Avoidable Absences-limited basis

- Emergency work at home for parent/guardian
- Out of town trips arranged and approved in advance by the principal

All make-up work is due upon the first day of return.

Unexcused Absences

- Truancy
- No call or note from parent or guardian
- Out-of-school suspension - School work completed during the suspension will earn at least 60% of the pts. available for the assignment.

Missing school attendance and attending an activity

A student must be in attendance for the second half of the school day to participate or attend a school activity that day or evening unless the parent has called and made prior arrangements with the Principal or Athletic Director. A student must be in attendance

at least half the day on Friday to attend or participate in an activity on Saturday. Please consult the activity handbook for further details about activity regulations.

The Compulsory Attendance Law Section

DESE COMPULSORY ATTENDANCE POLICY

Missouri law requires school attendance. Good attendance is important to the success of each student. The Compulsory Attendance Law Section **167.031**, RSMo, states that any parent, guardian, or other person having custody or control of a child between the ages of seven (7) and the compulsory attendance age for the district, must ensure that the child is enrolled in and regularly attends public, private, parochial, home school or a combination of schools for the full term of the school year.

- The term "compulsory attendance age for the district" shall mean seventeen (17) years of age or having successfully completed sixteen (16) credits towards high school graduation in all other cases.
- Children between the ages of five (5) and seven (7) are not required to be enrolled in school. However, if they are enrolled in a public school their parent, guardian or custodian must ensure that they regularly attend.

Consequences of excessive absences

Attendance information will be emailed home to parents weekly. Parents will be notified by email at the 5th, 8th, and 9th absence intervals. The school recognizes that extenuating circumstances beyond the control of the student do exist (chronic illness, hospitalization, accidents, etc.) It is the parent's responsibility to ensure that complete documentation concerning all absences is on file in the office. For any absences to be considered excused requires documentation from the professional organization stating the reason for the absence and the date(s) of the absence(s).

With a student's 9th absence in a semester, the parent or legal guardian will be informed by email that Saturday school has been assigned for surpassing the attendance limit. A Saturday School runs from 8-11. Students must be on time and must stay the entire time to consider the Saturday School complete. Students may make up time, by arranging with the Principal, before or after school detentions.

Appealing Saturday School

The parent has 3 school days from the time of the Saturday School email to request an appeal of the Saturday School. An appeal hearing will be held within 5 school days of the parent's request. The parent and student must be present at the appeal hearing to explain the student's excessive absences. An appeals committee will consist of a middle school principal, a school counselor, and an additional staff member. Appeals will be considered only on the basis of medical records, emergencies, or special circumstances (for example surgery during the semester). Any unexcused absence is not a valid basis for appeal. The attendance committee has the power to accept or reject the appeal based upon the documentation provided, or set up guidelines for students to meet that will make the appeal acceptable. All further appeals must be made in writing to the Superintendent within ten school days of the committee's decision. The attendance policy can be appealed to by the Board of Education.

Level 1	5 absences	Warning email sent to parents and student
Level 2	8 absences	Warning email sent to parents and student
Level 3	9 absences	Saturday school is assigned for going over the attendance limit.
Level 4	11 absences	Saturday school, Juvenile office referral-(additional Saturday school will be assigned for every 2 absences above 9.)
Level 5	13 absences	Placed on summer school status- which means students must attend summer school to make up lost time. 2nd Juvenile office referral

RETENTION GUIDELINES

Middle school students who fail 4 semesters of core subject areas language arts, math, science, social studies, and reading are considered for retention. Other factors that will be taken into consideration before a student is retained are reading level, date of birth, physical maturity, social development, and regular school attendance.

Students in danger of failing 4 semesters of core subject areas are allowed to go before the Grade Level Team and contract with them to show adequate academic improvement. Requests must be made in writing. The grade-level team will make a recommendation to the principal. The final decision rests with the administration.

SUMMER SCHOOL POLICY

Macon Middle School students that Fail 4 semesters (or more) in core subjects will be required to attend Mandatory Summer School/Credit recovery in order to avoid the possibility of retention. Additionally, students whose attendance falls below 80% for either semester will be required to attend mandatory Summer School to make up class time. 6th and 7th graders will attend Summer School, while 8th grade students will complete a credit recovery program in line with the high school credit recovery process. Exceptions to this policy will be at the discretion of the building principal.

MAKE-UP WORK POLICY

Students are expected to complete assigned work by the due date. Failure to complete work by the due date will receive up to a maximum of 70% of the total points possible for the activity. Teachers will keep track of late and missing assignments and communicate with parents what assignments are missing.

In the case of an absence, it is the student's responsibility to collect incomplete homework and to make arrangements for completing and giving the work to the teacher. Late assignments and tests will be accepted. Full credit may be earned for late assignments or tests if the absence is excused; however, if the absence is unexcused, students MAY not receive credit for the assignments.

MANDATORY TUTORING POLICY

Macon Middle School believes that completing assignments is essential to student success. To support students in staying on track academically, the school will monitor missing assignments on a weekly basis and provide interventions when necessary.

Students who accumulate missing assignments will be required to participate in mandatory academic support sessions (**TUTORING**) designed to help them complete coursework and improve academic performance.

Intervention Levels

- **5-7 missing assignments**
 - Students will be contacted by a member of the Student Success Team to offer initial assistance.
- **8-9 missing assignments**
 - Students will be assigned **one (1) mandatory after-school tutoring session** focused on completing missing work.
- **10-11 missing assignments**
 - Students will be assigned **two (2) mandatory after-school tutoring sessions** focused on completing missing work.
- **12-14 missing assignments**
 - Students will be assigned **three (3) mandatory after-school tutoring sessions** focused on completing missing work.
- **15 or more missing assignments at the beginning of the school week**
 - Students will be assigned **three (3) mandatory after-school tutoring sessions** and **one Saturday School detention**.

Parent Notification

Parents/guardians will be notified when a student reaches any intervention level. Attendance at assigned tutoring sessions and Saturday School is required. Failure to attend assigned interventions may result in additional disciplinary consequences. The purpose of this policy is to promote academic responsibility, provide timely support, and ensure that all students have the opportunity to be successful in the classroom.

LOITERING

Students must be under the direct supervision of a teacher, coach, or other staff members who have office permission to be working with students before or after regular school hours. Students are requested not to loiter before or after their daily schedule. Students without supervision should not arrive at school before 7:30 and should not stay on campus past 3:45 without direct supervision.

TARDY POLICY

Students should learn to be prompt. Promptness is a habit and should be learned by the student that it is their responsibility to be at an assigned place at an assigned time. In most cases, there is no excuse for tardiness. Students are given four (4) minutes to get from one class to another. If a student arrives in class after the tardy bell has rung he/she is to be admitted to class with a hall pass. Each student will be allowed a total of seven (7) tardies per semester. When a student receives (8) tardies, that student will be assigned to after-school detention held when assigned as needed. The after-school detention will start promptly at 3:30 p.m. as assigned. You must be on time, if you are tardy to this detention you will not be allowed to attend. If a student doesn't serve the assigned after-school detention after (7) tardies, they will receive one (1) day of Saturday Morning Detention unless exceptional circumstances apply. This will be evaluated individually by the building principal. The principal may opt to reschedule the detention for the student.

After eight (8) tardies-a student will serve another detention for every fifth tardy. (For example: 8, 13, 18, etc. tardies). Tardies are disciplined per semester.

Level one:	8 tardies	One after-school detention
------------	-----------	----------------------------

Level two:	13 tardies	One after-school detention and 1 day Saturday morning detention.
Level three:	18 tardies	One after-school detention, 1 day Saturday morning detention, 1 day ISS (In-School Suspension) A referral will be made to the Juvenile office
Level four:	23 tardies	2 days ISS (In-School Suspension).A referral will be made to the Juvenile office
Level five:	28 tardies	3 days ISS for this and any more subsequent levels of violation for being tardy. An additional referral will be made to the Juvenile office for each violation.

If a student misses an assigned Saturday Morning Detention for disciplinary purposes:

The first time they miss they will receive 1 day In-School Suspension (ISS). The second missed Saturday Morning Detention will result in two days of In School-Suspension (ISS). If you miss a third or more Saturday Morning Detentions it will result in 3 days of In School-Suspension (ISS) and the Saturday detention will be rescheduled.

TRUANCY

Truancy is the absence from school without prior approval by the parent/guardian or school officials. For the possible penalties for truancy, see SECTION II of the DISCIPLINE POLICY.

MACON R-I SCHOOL GUIDELINES FOR IN-SCHOOL SUSPENSION

Students assigned to IN-SCHOOL SUSPENSION must display a cooperative attitude and follow the guidelines and procedures of the program. The purpose of the IN-SCHOOL SUSPENSION program is to provide intervention strategies designed to prevent or minimize non-productive behavior in the school environment. The program is designed to help with repetitive discipline problems with a positive plan. Students who are assigned to IN-SCHOOL SUSPENSION will be in regular school attendance and in full cooperation with the IN-SCHOOL SUSPENSION instructor. IN-SCHOOL SUSPENSION gives students an opportunity to remain in school and complete homework assignments. The focus remains on learning, problem-solving, and the value of education, rather than on misbehavior or disciplinary action. Students in the IN-SCHOOL SUSPENSION program must accept and abide by the following guidelines:

The rights of custodial and non-custodial parents will be equally respected unless a court order imposes special restrictions. The custodial parent must provide the school principal with a copy of the court order detailing the special restrictions. Parental rights include access to student records, school mailings, attendance at parent/teacher conferences and Individual Educational Program (IEP) meetings, the authority to request an early release for their child, and to excuse their child up to six (6) times per semester from school attendance for legitimate reasons. The non-custodial parent must

provide his/her name, address and phone number to be consulted regarding their child or to receive school mailings.

FOOD & DRINK

In an effort to take pride in our school and to prevent distractions to the learning process, Macon Middle School will only allow students to bring drink containers with secure lids to school. Secure lids are defined as those that prevent accidental spills and leaks. It is essential that each student ensures their container is properly sealed at all times and stored appropriately to prevent spills. If a spill occurs it is the responsibility of the student to clean up said spill. Outside restaurant style containers (ie McDonald's or Starbucks style cups) including those without secure lids are not permitted. These approved containers should be for water not coffee, soda, Monster style drinks, etc.

The allowing of such containers in the classroom is left up to the discretion of the teacher in the individual classroom.

School staff may conduct periodic checks to ensure compliance with this policy. Non-compliant containers may be temporarily confiscated until the end of the school day.

Well-planned meals are served daily in the cafeteria at a nominal cost. Students who chose to bring an outside lunch to school must consume their food and drink in the High School Cafeteria. Vending machines with soda and water will be available during lunch shifts. This food and/or drink will not be allowed to leave the cafeteria.

Students will be responsible for placing the trash in receptacles and returning their plates and utensils to the proper area.

All screening results are reported to the district ELL Coordinator. If a teacher has a student that does not receive ELL services but it is suspected that another language is spoken in the home, please report that to the ELL Coordinator as well. The term "instructional material" does not include academic tests or academic assessments.

These measures may include limiting access to the completed surveys and the survey results as allowed by law. All student educational records will be protected in accordance with the law and Board policy JO.

The provisions of this policy applicable to parents will transfer to a student who is 18 years old or emancipated.

Religious Content in Programs and Ceremonies (Board Policy IND)

The schools of the Macon Co, R-I School District, as well as all employees of the district as governmental officials, are required by law to remain neutral and refrain from endorsing any particular religious belief. MACON R-I GRIEVANCE PROCEDURE

The Board recognizes that situations of concern to parents/guardians or the public may arise in the operation of the district. Such concerns are best resolved by addressing them at the level where the concern originated through communication with the appropriate staff member (progressing from the teacher, building level administrator, to superintendent). Any concern regarding federal programs administered by the Missouri Department of Elementary and Secondary Education (DESE) may also be appealed to DESE or the United States Department of Education as permitted or required by law. (See related NCLB policy in this handbook.)

STUDENT COMPLAINTS AND GRIEVANCES

Alleged acts of unfairness or any decision made by school personnel, except as otherwise provided for under student suspension and expulsion, which students and/or parents/guardians believe to be unjust or in violation of pertinent policies of the Board or individual school rules, may be appealed to the school principal or a designated representative.

- The principals shall schedule a conference with the student and any staff members involved to attempt to resolve the problem. Parents/Guardians may be involved in the conference or a later conference for parents/guardians may be scheduled at the discretion of the principal.
- If the problem is not resolved to the satisfaction of the student and/or parents/guardians, a request may be submitted for a conference with the superintendent of schools. The superintendent shall arrange a conference to consider the problem and to inform participants of the action that will be taken.
- If the student and/or parents/guardians are not satisfied with the action of the superintendent, they may submit a written request to appear before the Board of Education. Unless required by law, a hearing will be at the discretion of the Board. The decision of the Board shall be final.

All persons are assured that they may utilize this procedure without reprisal.

ASBESTOS NOTICE

The Asbestos Hazard Emergency Response Act of 1986 (referred to as AHERA, was enacted by Congress to determine the extent of and develop solutions for any problems schools may have with asbestos.

We have had our facilities inspected by a certified asbestos inspector, as required by AHERA. The inspector located, sampled, and rated the condition and hazard potential of all materials in our facilities suspected of containing asbestos. The inspection and laboratory analysis records were turned over to a professional certified to develop asbestos management plans.

The engineer has developed an asbestos management plan for our facilities which includes a notification letter, education, and training of our employees, a set of plans and procedures designed to minimize the disturbance of the asbestos-containing materials, and plans for regular surveillance of the asbestos-containing materials.

A copy of the asbestos management plan is available for your inspection in our administrative offices during regular office hours. All inquiries regarding the plan should be forwarded to the Director of Maintenance.

We have begun implementing the asbestos management plan. We plan on taking whatever steps are necessary to ensure your children and our employees have a healthy and safe environment in which to learn and work.

VISITORS

Only students of the school and employees doing school business are permitted in the building. Others, having business in the building, must check into the middle school office. School age visitors, toddlers, or infants are not permitted on campus unless accompanying a parent who has checked in through the office.

DANCES

Dances are open to all enrolled members of the middle school. The following regulations apply to all school-sponsored dances. For 8th grade dance, only 8th-grade students who attend a school within the Macon R-I district are able to attend.

1. Students are required to be in good attendance standards in order to attend school-sponsored dances. Any student who has exceeded the attendance policy may not be allowed to attend school-sponsored dances. (Extra-Curricular Activities Policy attendance applies to dances as well). Extenuating circumstances will be evaluated on an individual basis by the administration.
2. Any student with 5 or more office referrals may lose the privilege to attend dances.
3. Students who fail 2 or more classes may not be allowed to attend dances at school.
4. Students who have received multiple days of ISS or OSS may not be allowed to attend school-sponsored dances.
5. Once a student leaves a dance they may not return.

A student missing school on the day of an extracurricular activity or a school-sponsored event outside the regular classroom, or on a Friday prior to a Saturday extracurricular activity or event outside the regular classroom will not be eligible to participate in the event unless the absence is excused in advance by the principal.

TELEPHONES, CELL PHONES, SMARTWATCHES, AND OTHER TECHNOLOGY DEVICES

Macon R-I is committed to moving students and staff forward in a 21st century learning environment. Students are expected to comply with all rules set in the Macon R-I Acceptable Use of Internet/Electronic Communications Policy.

In accordance with state law, students are not allowed to use their devices (phones, smartwatches, earbuds, etc.) at any point during the school day. The school day starts with the first bell of the day (typically 8:00 am). Once the first bell rings for the day, students are expected to have their devices turned **OFF** and put away at all other times during the school day. Phones/devices should not be on their person and instead be stored away in a backpack, or a locked locker.

Use of technology devices in bathrooms and in locker rooms is prohibited at all times. **Parents/guardians should call the middle school office if they need to get in touch with their child.** Students are required to turn off cell phones during the regularly scheduled school day. Students are not called out of class for telephone calls except in cases of emergency. If a student needs to contact a parent/guardian via telephone, students will go to the middle school office and utilize a phone there.

If cell phones/technology devices are being used in an inappropriate manner during the regularly scheduled school day they will be confiscated. Students who use their cell phone during class time and knowingly violate the rule, the technology device/cell phone will be confiscated and turned into the office.

- **First Offense:** The phone/technology device will be confiscated and kept in the office safe for the rest of the school day. The phone/technology device will then be released to the parent.
- **Second Offense:** The phone/technology device will be confiscated and kept in the office safe for the rest of the school day. The phone/technology device will then be released to the parent. The student will be assigned 1 Saturday detention.

- **Third Offense:** The phone/technology device will be confiscated and kept in the office safe for the rest of the school day. The phone/technology device will then be released to the parent. The student will be assigned 2 Saturday detentions.
- **Subsequent offenses could result in the following:** have the devices turned in at the beginning of the day for a set period of time and/or suspension.

Any exceptions to this policy will be worked out between the parents/guardian, the school nurse, and the Middle School administrators. Any such exception will then be documented in writing and added to the student's record.

“No Screens” Electronic Free Auditorium Time

Each morning the Macon Middle School students gather in the school auditorium as they arrive at school awaiting the first bell of the day. During that period (7:30–8:00 AM), the auditorium will be screen free (i.e. no electronics area).

“No Screens” would mean no active use of a cellphone and/or Chromebooks. Students will have access to their phones if they need to call a parent/guardian or if a parent/guardian should need to reach the student regarding an issue. The student will step into the hallway or go to the middle school office for that phone call.

Students should have no need to utilize their chromebooks during this time window. If a teacher needs a student to work on a specific assignment, the teacher will relay that information to the auditorium monitors and we can relocate the student to an area to work on a specific assignment.

Students that go to breakfast will be monitored so that once they are done eating they will need to return to the auditorium, the cafeteria will not serve as a social hang out point. Students will be permitted to listen to music through headsets, but they will need to prepare playlists ahead of time so they are not “scrolling” to find music as a way to get around the idea of no screens. No Screen time will allow for personal socialization for the students, do some reading, or take a quick power nap.

TOYS/ANTI-STRESS DEVICES

There is no need to bring toys to the Middle School. Students that bring toys to the Middle School need to secure those items in their lockers (just as they do with phones) to avoid any classroom distractions. Toys out in the Halls and classroom are subject to be confiscated temporarily and sent to the office for the remainder of the school day.

Students that require an anti-stress device will be identified via the counselors office. Any anti-stress device that is needed will be approved by the counselor and the student's parent/guardian. A list of such students will be maintained by the counselor and the Middle School front office.

ASSEMBLIES

Several assemblies will be conducted during the school year. Students are expected to enter the assembly area in an orderly manner and be seated quickly. Students are to be cooperative and respectful toward the people providing the assembly. Any student that cannot follow these expectations may be removed or banned from attending future assemblies.

SAFETY PRECAUTIONARY PROCEDURES/DRILLS

The first tenet of any drill is that each student familiarizes him/herself with the proper procedures for each drill. The next important step and one that is equally important is that each person remains calm

and listens for any supplemental instructions, which may be issued. The purpose of any drill is to save a life.

A. EVACUATION PROCEDURE:

The signal for Evacuation real or practice will be a loud continuous ringing of fire alarm and strobe lights, also notification from a designated school official will announce using the intercom system of the need to evacuate the building. Directions are posted in each classroom area and will be issued by the classroom teacher. Once students have exited the building they are not to leave their designated outside assembly area and are not to re-enter the building for any reason until the all-clear signal has been given. The all-clear signal is two (2) long rings of the bell. The principal may give additional direction.

- In the event of an emergency evacuation teachers and students should report to their assigned location outside the building. If possible everyone should take purses, coats, keys, and other necessary belongings with them to the bleachers.
- After arriving at the designated location teachers will take roll to ensure all students are accounted for and wait for instructions to proceed. If there is danger on campus MS students will be bussed to a safe location.
- Teachers: Please have possible activities that students could do upon arrival, (i.e. worksheets, etc.)
- It is extremely important that teachers continue to supervise students that are in their class in the event of an emergency evacuation. (It is obviously more feasible to supervise students in smaller groups as opposed to a large group.)
- Lunch will be served if necessary depending on the time of the evacuation.
- Upon arriving at the dedicated location, teachers will be assigned to specific areas to conduct class as best they can.
- Secretaries will assist parents wishing to pick up their children. They will keep a list of students that receive permission to leave.
- Middle school students who are in the vocational building during an evacuation should stay with the teacher in the vocational building and follow their evacuation procedure.

B. DISASTER DRILL:

The signal for a disaster drill, real or practice, will be a series of short rings of the bell. Directions are posted in each classroom area and will be issued by the classroom teacher. Once the students have arrived at the designated area they are to sit on the floor, place their heads on their knees, cover their heads with their hands, remain quiet, and listen for any additional instructions. At all times one should keep their face turned away from any glass. At no time should any student leave the designated assembly area for any reason until the all-clear signal has been given. The all-clear signal is two (2) long rings of the bell.

C. EARTHQUAKE DRILL:

Follow the earthquake disaster preparedness plan for the welfare and safety of students and staff prepared by the school district and the Macon Civil Defense. The students should follow the instructions given to them by their classroom instructor. For more information on how to prepare for an earthquake go to www.sema.dps.mo.gov

D. INTRUDER DRILL:

Follow the Plan of Action developed to provide safety to teachers, students, and staff.

Parents or Guardians of Students:

We want you to be aware that the school has made many preparations to deal effectively with emergency situations that could occur in or around the school, both during the school day and during after-hours activities. While we hope that a natural disaster or other serious incidents never occurs, our goal is to be prepared for any potential emergency. At all times, our first priority is to protect all students, staff, and guests from harm.

In order for our emergency response plans to be effective, we depend on the cooperation and assistance of many people, such as the police and the fire department. We also depend on you, as parents, to support our disaster-response efforts. Your cooperation is vital in helping us protect the safety and welfare of all children and school employees.

Therefore, we ask parents/ guardians to observe the following procedures:

1. Do not telephone the school. We understand and respect your concern, but it is essential that the telephone system is available for emergency communications.
2. Make sure that we have emergency contact information for each of your children at all times. We must be able to contact you or your designated representative in an emergency.
3. You will receive instructions on where you should and how/when you may be able to pick up your children. Our school emergency plan includes evacuation procedures with several alternative destinations. When appropriate and safe, students may be released to their parents/guardians from these shelter locations. Under those circumstances, we will be prepared to implement procedures for confirming the identity of individuals who arrive at pick-up each child. When arriving to pick up your children, please make sure that you have with you your driver's license or government-issued picture identification.
4. Do not come to the school until instructed to do so. It may be necessary to keep the streets and parking lot clear for emergency vehicles. If evacuation is required, students may be transported to a location away from school. You will be notified of this through the media bulletins.
5. Talk to your children and emphasize how important it is for them to follow instructions from their teachers and school officials during any emergency.
6. Parents and other adults must stay calm and focused in an emergency, mindful that their actions and comments will be the example that, to a great extent, determines the children's response.
7. Carefully read all information you receive from the school. You may receive updates about our safety procedures from time to time.
8. When your child is at home following an emergency, try to keep your child away from news being broadcast over the various media. Have an emergency plan at home. Decide on a telephone number to call outside our community or a place to rendezvous if separated. Keep a "disaster supplies kit" containing drinking water, nonperishable food, batteries, flashlight, radio, medication, toothbrushes, etc. (www.redcross.org.)

We are proud that ours is a safe school, and we are doing everything possible to keep it that way. We appreciate your cooperation and support. If you have any questions about this information or other aspects of our safety procedures, please contact Macon Middle School at 660-385-2189.

HEALTH SERVICES

If an accident occurs on school property, it is necessary that a report is made immediately so that a school nurse can be called. Only first aid treatment will be given and, if necessary, family members will be notified so further treatment may be given by a family physician. A registered nurse is available at school. The school does not pay for treatment. If illness occurs at school, students will be sent to the nurse's office. If the nurse decides to send a student home, parents/guardians will be notified before the student leaves school. After proper notification, the student is to sign out in the office before leaving school.

ADMINISTERING MEDICATIONS TO STUDENTS

All medications are to be stored in the nurse's office. Medication will not be dispensed unless the following requirements for prescription and over-the-counter medications are met.

PRESCRIPTION MEDICATION:

1. The student's physician shall provide the school with a written request that the student is given medication during school hours. The request shall state the name of the student, name of the medication, dosage information, when and how the medication is to be administered and the name of the doctor. The prescription label will be considered an equivalent to the physician's order for short-term medication. When possible, descriptions of any adverse effects and any applicable emergency instructions will be provided.
2. The parent/guardian will provide a written request that the school district complies with the physician's request to give medication. The district will not administer the first dosage of any medication.
3. The parent/guardian will supply the medication in a properly labeled container from the pharmacy with only those doses to be given at school including instructions for any special need for storage, i.e. refrigeration. The medication will be delivered to the school by the parent/guardian or other responsible adults. Medications sent to school should not exceed a 30-day supply. **Medications MUST BE in the original containers from a pharmacy or doctor, not in an envelope or plastic bag.** A pharmacist will provide extra properly marked containers.
4. **Over the Counter Medications:**
Written permission must be obtained from a parent/guardian to administer over-the-counter medications from home or which have been prescribed. Permission must be renewed at least annually. Occasionally an unexpected need for medication

arises at school. For these occasions, the school nurse maintains a LIMITED supply of over-the-counter medications. If such medicines are required over an extended period or for a chronic condition, parents/guardians must supply the medicine.

SELF-ADMINISTRATION OF MEDICATION UNDER THE SAFE SCHOOLS ACT

A physician may recommend that a student with a chronic health problem, such as asthma, assume responsibility for his/her own medication as part of learning self-care. The Board of Education may permit such a student to self-administer medication providing that the following conditions have been met:

To self-administer asthma medicine, the student must have on file

- a. written authorization by parent/guardian
- b. medical history of the existing medical condition
- c. written asthma plan to address emergencies and the care of asthma while at school

In addition, written authorization provided by the prescribing physician must state that the child has asthma, has been trained in the use of medication and is capable of self-administering the medication. The school incurs no liability as a result of the self-administration of the student. Permission for self-administration must be renewed annually.

IMMUNIZATIONS

State law requires that a child must be properly immunized before attending any school in the State of Missouri. School-age children will be unable to attend until all vaccinations have been received and complete records are on file in the nurse's office. Please check with your doctor, school nurse, or the County Health Department to see that students are properly immunized.

CONTAGIOUS ILLNESS MANAGEMENT

A student with a contagious illness should not attend school. **A student should not attend school if during the previous 24 hours he/she has exhibited any of the following symptoms:**

- a. temperature of or higher than 100 degrees
- b. no vomiting or diarrhea
- b. an unusual or unexplained rash
- c. an unrelenting and itchy persistent cough
- d. if told by a doctor that he/she is contagious

Students with chickenpox are to remain at home a minimum of six (6) days after the first appearance of the rash. They may return to school when all lesions are crusted over.

Students with Covid-19 symptoms should follow Health Department recommendations.

LIBRARY/MEDIA CENTER

The library/media center will be open from 8:00 a.m. until 4:00 p.m. daily. Students may freely use the library and computers before or after school. During school hours, students must have permission from a teacher to go to the media center, and students wishing to use a computer must have a computer pass from the teacher. Students are expected to follow library rules and regulations. Failure to follow rules may result in the loss of library privileges.

LIBRARY RULES:

1. The library is a place to study, read, select books, or use reference materials.
2. Computers are provided for student use. Students must follow computer rules to continue having the privilege of using them. Failure to follow rules will result in the immediate loss of computer privileges.

3. Any item taken from the library must be properly checked out. Students may check out no more than two items at one time unless permission has been granted to do so.
4. All materials are to be returned on the date due or a fine will be levied.
5. Fines are to be paid promptly. At the end of each quarter, any student still owing fines will lose all library privileges until fines are paid. However, students with fines will not be allowed to utilize check-out privileges and technology within the lab to complete assignments and projects.
6. Any lost item must be paid for or replaced.
7. The librarian is here to help students and is responsible for all activities taking place in the library; Cooperation is expected.

LOCKERS

Lockers are provided as a place to store books, coats, and other items. Combination locks will be available in the counselor's office and may be checked out by the student for no fee. A replacement fee of ten dollars will be charged if the lock is lost or damaged.

Students will not be allowed to bring locks from home to use on lockers so valuable property should not be kept in them. Students are to use only the locker assigned to them. No change in lockers is allowed unless approved by the middle school principal or counselor. The Macon County R-I School is not responsible for lost, stolen, or misplaced property or money.

Stickers may not be placed on the outside or inside of lockers. Students may decorate the inside of lockers with removable decorations. However, students must remove all decorations including stickers during the last week of school. Failure to remove decorations will result in a \$3.00 charge.

Students must pay for damage done to lockers. If lockers are unclean, abused, or locker rules are not followed loss of locker privileges may result.

SEARCH AND SEIZURE

Macon Middle School reserves the right to ensure that all students and staff have a safe environment. SCHOOL CITIZENSHIP POLICY

This policy determines if a student meets the citizenship standards required of Macon County R-I to represent the school in any school activity. A major goal of each school activity is to teach and promote good citizenship and sportsmanship. It is important to have a written policy concerning good school citizenship so coaches, sponsors of activities, the administration and the Board of Education can work consistently with all students. Students participating in any activity should be aware and informed of the contents of this policy as it may affect them. This should be done prior to the participation of the student. It will be the responsibility of the individual in charge of an activity to ensure that the student is informed prior to participation.

1) GOOD CITIZENSHIP results when a student is in good standing with the school, community, and society. Any student whose conduct reflects discredit on the school, a team, or an organization would not be considered a credible school citizen. Such misconduct could lead to suspension from school as well as a school activity and the individual may not represent the school during the suspension.

This conduct includes but is not limited to:

- Breaking the law other than minor traffic offenses
- The use, distribution, or promotion of illegal and/or illicit activities and behaviors. This includes but is not limited to personal websites, cell phones, and social networking sites (such as My Space, Facebook, Instagram, Snapchat, X formerly Twitter, Tik Tok and Youtube, etc.)
- “Hazing” and other inappropriate initiation practices will not be tolerated as a member of any athletic team or organization.
- Students are responsible for following the guidelines of the citizenship policy year-round.

2) ATHLETICS:

- a) Athletes must comply with the training rules set by the coaching staff of Macon County R-I Schools. These rules are to be in writing and each athlete is to receive a copy.
- b) A coach may suspend an athlete for one game but must inform the principal. In cases where suspension for the season or semester is necessary, the athletic director, principal, and superintendent shall be included. Parents are to be informed prior to any suspensions from an activity.
- c) An athlete may be suspended from interscholastic competition and still be required to participate in practices awaiting the end of the suspension.
- d) Athletes must comply with the MSHSAA regulations.

3) OTHER SCHOOL ORGANIZATIONS:

School organizations may have rules of conduct and responsibilities. These rules should be in written form. Each participant is to be informed of the rules, responsibilities, and the effect they may have upon student participants. Violating training rules, inappropriate school behavior, disrespect for

school employees, truancy, or any conviction or charge (with probable cause) could result in a suspension penalty.

Procedures that will be followed to enforce violations of the citizenship policy

Punishment administered for acts of poor citizenship:

If a violation of the citizenship policy occurs at any time during the calendar year the student will be subject to the guidelines contained in the policy. Any student violating the citizenship policy will be assigned one of the penalties listed below.

(A student or the student's parent/guardian is required to report a violation to a coach or sponsor within 48 hours of the violation. If the coach or sponsor learns of the violation by other means, 365 days will be added to the punishment as mandated by MSHSAA.

Violations are cumulative for the school year under this policy except for drug and alcohol violations which are cumulative for a student's entire high school career. If probation and suspensions are completed by the end of the school year, the student's good citizenship status is reinstated for the following school year for all violations other than drug and alcohol. (Alcohol and drug violations would carry over.) Suspensions or other requirements not fulfilled during the current school year will be carried over into the next school year until completed.

CONSEQUENCES:

Summer Violations: If a student commits a violation of the citizenship policy from the time school ends in the spring until practice starts in August for the fall sports season, it will be considered a summer violation. Any student that breaks a law other than minor traffic offenses during the summer will result in the student being suspended from all activities for the first two calendar weeks of school. Students may fulfill the suspension by sitting out the required number of games or by sitting out the required number of competitions or performances, whichever comes first on the school calendar. The student will be required to miss a minimum of the first two games or all officially scheduled games during the two calendar weeks of the suspension. For students not in athletics, the student will miss at least one performance or competition or all performances or competitions scheduled during the suspension. 2nd offense in the same year: the student will automatically fall under the conditions of a level 2 violation of the citizenship policy. According to the National Honor Society rules any infraction results in permanent expulsion. Students in any other school activities outside the regular classroom are required to attend practice but will not be allowed to participate in any type of performance or competition until the entire suspension has been served and all reinstatement requirements have been met.

PROBATION:

Students that have minor violations of the citizenship policy can be put on probation for up to one school year. If a second incident occurs while they are on probation they will receive a level two penalty depending on the violation.

LEVEL ONE VIOLATION: Minimum suspension of 10 school days up to a maximum suspension of 20 school days commencing from the date action is taken by school officials from all school activities outside the regular classroom (MSHSAA activities, extra-curricular activities, clubs, and organization activities). If the infraction occurs during the preseason, the student will be required to miss a minimum of the first two games or all officially scheduled games during the two calendar weeks of the suspension. For all other school activities, the student will miss at least one performance or competition or all performances or competitions scheduled during the suspension (if the suspension requirements have not been previously met in the two-week suspension.) According to the National Honor Society rules any infraction results in permanent expulsion. Students in any other school activities outside the regular classroom are required to attend practice but will not be allowed to

participate in any type of performance or competition until the entire suspension has been served and all reinstatement requirements have been met. All level one suspensions would carry over from one school year to the next if all requirements were not met during the current school year.

LEVEL TWO VIOLATION:

Minimum suspension of 28 calendar days up to a maximum of 189 calendar days commencing from the date action is taken by school officials from all school activities outside the regular classroom (MSHSAA activities, extra-curricular activities, clubs, and organization activities). Loss of privilege to compete inter scholastically for the remainder of the current sports season, or if the remainder of the current season is less than four (4) weeks, to carry over into the next sports season that student participates in up to a maximum suspension of 180 calendar days from competition. A student would be required to practice from the beginning of the next sport if they become eligible during the season. A suspension would include a minimum of four games missed to fulfill the requirements of the suspension. For all other school activities, the student will miss at least 2 performances or competitions or all performances or competitions scheduled during the suspension (If the suspension requirements have not been previously met during the suspension). All level two suspensions would carry over from one school year to the next if the requirements were not met during the current school year.

ADDITIONAL CITIZENSHIP INFORMATION:

- Parents should be contacted for a conference each time disciplinary action is taken which results in suspension from participation in activities.
- A student under arrest: If there is an admission of guilt by the student or if, after reviewing the case, school officials feel there is strong evidence, e.g., witnesses which indicate probable guilt, then school officials are required to restrict the student from participation before the legal outcome of the case. All conditions set by the courts (fines, community service, or any other conditions must be fully completed before a student is eligible for competition or performances. (See MSHSAAA handbook for more information).
- Students involved in inappropriate behavior; i.e. truancy, disrespect to teachers, fighting, using abusive language, or other examples of misconduct. After a review by the head coach, sponsors, building coordinator, and principal, the student and parents will be notified of the results. Penalties will range from a reprimand and placing the student on probationary status to temporary or permanent restriction from representing the school in interscholastic activities. The seriousness of the case and the attitude of the student will affect the determination of the penalty. Reoccurrence will require that permanent restriction be considered.
- Unsportsmanlike Acts: Such acts during a contest resulting in ejection from participation will cause the student to be restricted from representing the school for the next contest. A student who commits an unsportsmanlike act but is not ejected may also be subject to at least a one game restriction from representing the school. Each instance of unsportsmanlike behavior is to be reviewed by the head coach, athletic director, and principal before a final decision is reached.
- Drug and alcohol violations are considered to be very serious violations of the citizenship policy. This type of violation will be subject to a cumulative policy for grades 9 through 12.

- Administrators, coaches, and sponsors will work together in enforcing the citizenship policy. The above rules are minimum standards only. Administrators, coaches, and sponsors reserve the right to deal with acts of poor citizenship more severely, if necessary.
- A season begins with the first possible practice date for any sport or activity as determined by MSHSAA guidelines and ends with the final event in that sport or activity during a given school year for Macon County R-I participants. 6/2001
- Probation: A period of time when the student's good citizenship status has been jeopardized by the student's action.

EXTRA-CURRICULAR ACTIVITY POLICY

Extra-curricular activities are any school sponsored activity that takes place outside the regular class setting and time.

Following is a list that should be observed by sponsors, students, and parents to improve communication and avoid possible misunderstandings.

- 1) Students are under the direction of the sponsor or coach.
- 2) Students are to be on time for scheduled practices, events, or performances.
- 3) When the activity is away from the home school, students are to ride school provided transportation to and from the activity, unless prior arrangements are made with the principal. Students may ride home with a Parent/Guardian, but the Parent/Guardian is responsible to personally sign out their student. If students do not ride school transportation to the event or events, they will not be allowed to participate or perform.
- 4) The students are responsible for taking care of the equipment and uniforms that are checked out to them. If lost or destroyed through the carelessness of the student, the student will be charged the replacement cost.
- 5) A signed statement by a parent or guardian is required if your child is covered by family insurance. A signed statement should be turned in to the coach or sponsor before practice starts. The forms may be picked up from the coach or sponsor.
- 6) Poor citizenship in school/out of school may result in being removed from an extracurricular activity. (See Citizenship Policy)
- 7) If a student is absent on the date of a contest without being excused by the principal, he/she shall not be considered eligible to participate in that contest. Students must be in attendance for the last half of the day or 4 of 7 periods to participate in the contest.
- 8) To be academically eligible to participate in MSHSAA activities middle school students cannot fail more than one class during the previous grading period (quarter). (MSHSAA guidelines)
- 9) For a student to be excused from practice, he/she must have a written note from their parents stating the reason. The coach/sponsor will have the authority to evaluate the excuse to determine if it is excused or unexcused.
- 10) Doctor's excuses will be honored at all times. A coach or sponsor may insist that a student stay at practice to observe but at no time shall the student be allowed to participate until released by the doctor.

CONDUCT AT EXTRACURRICULAR ACTIVITIES

Good sportsmanship is always expected of the students and fans of Macon Middle School. The main purpose of attending sporting events or other extracurricular events is to show support for our students and our school. While cheering for our teams is encouraged, students should show respect for opposing teams, their fans, and other people officiating sporting events. Everyone in attendance has a role, players play, coaches coach, officials officiate, cheerleaders cheer and spectators watch the game and cheer in a positive manner. Please fulfill your role.

MACON COUNTY R-1 SCHOOL DISTRICT ALCOHOL AND ILLEGAL DRUG POLICY

It is the policy of Macon Public Schools that possession, use, and/or distribution of alcohol as defined in Chapters 311 and 312 RSMo and illegal drugs as defined in Chapter 195 RSMo are strictly prohibited in school buildings, on school grounds, on school buses, and **at all school-sponsored activities, regardless of location.**

Professional personnel should carry on intensive continuing programs of education designed to fully inform students about the dangers of the use, misuse, and abuse of drugs and alcohol.

To ensure fair and equitable enforcement of the policy, the following guidelines are set forth:

1. It is recognized that the use of drugs and alcohol is illegal, severely impairs the educational process of the student using them, and disrupts the education of other students. In view of this, no distinction will be made in penalties for the abuse of either illegal drugs or alcohol.
2. All students involved in the possession, use, and/or distribution of drugs or alcohol in school buildings, on school grounds, on school buses, and at all school-sponsored activities (regardless of location) will be subject to the Macon County R-I District "Discipline Code."
3. When appropriate, the student may be required to seek counseling and treatment for drug and/or alcohol problems. The required counseling will be completed at the student's parent's expense.
4. The Board of Education recognizes that extracurricular activities as set forth by MSHSAA are not required of students and therefore, participation is a privilege. Participation in extracurricular activities is suspended for the possession, use, and/or distribution of drugs or alcohol by any student. The suspension will follow the guidelines as set forth in the extracurricular activities "Good Citizenship Policy."

STUDENT DRUG TESTING PROGRAM

Macon R-I Schools has implemented a student drug testing program. The purpose of this program is to deter chemical abuse or misuse by our students. It is not the purpose or intent of the district's drug testing policy to identify students for punishment under the district discipline code for incidents resulting from student drug tests. However, the program does not affect other policies and practices of the school in dealing with drugs or alcohol use or possession where reasonable suspicion is obtained by means other than the mandatory and random sampling discussed here.

- The student drug-testing program is mandatory for all students participating in activities recognized by MSHSAA or any clubs or organizations of Macon R-I Schools in grades 6-12 as well as those who park on school property. All students involved in the covered activities will be included in the random pool for testing throughout the school year.
- Once a student's name enters the testing pool, they will be in the pool for the remainder of the school year and subject to random testing.
- If the student and the student's parents both consent, students who are not participating in any of the covered activities may become part of the random testing pool. Once they enter the program they are under the same guidelines as any other student participating in a covered activity.
- A student may refuse to be randomly tested, but if he or she chooses to do so, he or she will immediately be suspended from participating in covered activities for 365 calendar days.
- Any student who is enrolled in the A+ program and has a positive drug test will be removed from the program and is ineligible for all benefits from the A+ program. Any student who is enrolled in the student drug testing program and refuses to be tested when they are selected will be ineligible for all benefits from the A+ program.
- All new students enrolling after the school term begins along with their parents/guardians will meet with the Activities/Athletic Director to review the policy.

- Students should refer to the Board Policy JFCI and JFCI-AP for requirements to be reinstated after failing a student drug test.
- To read the entire Macon R-I student drug testing policy go to www.macon.k12.mo.us and click on administration, then click on school board, then click on policies. Look at policy JFCI and procedure JFCI-AP.

State law prohibits smoking, or other use of tobacco products, in any classroom or student occupant in the elementary, middle, or secondary school building or facility or on any school bus used to transport students to or from school or to or from any place for educational purposes.

However, to promote the health and safety of all students and staff, and to promote the cleanliness of all facilities, the Macon County R-I District bans the use of all tobacco products in all school facilities, buildings, buses, and on all school grounds at all times.

This ban extends to all employees, students, and patrons attending school-sponsored athletic events and meetings. The Board issues this ban in a sincere appeal to all employees, students and patrons to cooperate in helping to create within our facilities a truly healthy environment for all concerned.

MACON COUNTY R-1 SCHOOL DISTRICT WEAPONS IN SCHOOL POLICY

An exception to this policy shall be allowed for the instruction of Hunter Education courses sponsored by the Missouri Department of Conservation and taught by a licensed Hunter Education Instructor as later defined in this policy.

A weapon shall be defined as any instrument or device customarily used for attack or defense against an opponent, adversary, or victim, or any instrument or device used to inflict physical injury or harm to another person.) **Some specific examples of a weapon would include the following: knife, firearm, blackjack, and knuckles. Other items are listed in [Macon County R-I School Board Policy “JFCJ”](#)**

Violators of this policy may be referred to the appropriate legal authorities. In addition, any student who violates this policy will be subject to suspension and/or expulsion from school.

In accordance with federal law, any student who brings or possesses a firearm (as defined in 189 U.S.C. 921) on school property will be suspended from school for at least one calendar year. A suspension may be modified on a case-by-case basis as recommended by the superintendent to the Board of Education.

In addition, any person who has been determined by school officials to have brought a firearm to school will be referred immediately to local juvenile and/or law enforcement agencies.

As noted, an exception to the policy will be allowed for the instruction of Hunter Education courses. Firearm use and safety instruction is part of the Agricultural Science Conservation class curriculum. FFA members participate in shooting sports and/or trapshooting events sponsored by the local and area FFA organizations.

Guest speakers, Hunter Education instructors, and Agriculture instructors use firearms in classroom presentations. Firearms for this purpose are kept at school only as long as needed for the class, or are kept locked in the closet in the Agricultural Education office until the firearm is taken off of the school grounds.

Agricultural Education students and/or FFA members that are given permission by the Agricultural Education Instructor to bring a firearm to school for class work or an FFA activity will transport the unloaded firearm to school by personal vehicle in a gun case. Immediately upon arrival at school, the unloaded firearm will be locked in the Agricultural Education department office and released only at such time as when the firearm is needed, or taken from school property for an activity.

COMPLAINT RESOLUTION PROCEDURE - EVERY STUDENT SUCCEEDS ACT OF 2015 (COMPLAINT PROCEDURES)

This complaint resolution procedure applies to all programs administered by the Department of Elementary and Secondary Education under the Every Student Succeeds Act of 2015.

A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplied, or misinterpreted by school district personnel or by Department of Education personnel.

Any parent or guardian, surrogate parent, teacher, administrator, school board member, or other person directly involved with an activity, program, or project operated under the general supervision of the Department may file a complaint. Such a complaint must be in writing and signed; it will provide specific details of the situation and indicate the law or regulation that is allegedly being violated, misapplied, or misinterpreted.

The written, signed complaint must be filed and the resolution pursued in accordance with local district policy:

- Complaints on behalf of individual students should first be addressed to the teacher or employee involved.
- Unsettled matters from (1) above or problems and questions concerning individual schools should be presented in writing to the principal of the school. The principal will provide a written response to the individual raising the concern within five (5) business days of receiving the complaint or concern.

- Unsettled matters from (2) above or problems and questions concerning the school district should be presented in writing to the superintendent. The superintendent will provide a written response to the individual voicing the concern within (5) business days of receiving the complaint or concern.
- If the matter cannot be settled satisfactorily by the superintendent, it may be brought to the Board of Education. The Board will address each concern or complaint in an appropriate and timely manner.

If the issue cannot be resolved at the local level, the complainant may file a complaint with the Missouri Department of Education. If there is no evidence that the parties have attempted in good faith to resolve the complaint at the local level, the Department may require the parties to do so and may provide technical assistance to facilitate such resolution.

Any persons directly affected by the actions of the Department may file a similarly written complaint if they believe state or federal laws or regulations have been violated, misapplied, or misinterpreted by the Department itself.

Anyone wishing more information about this procedure or how complaints are resolved may contact the local district or Department personnel.

DISCIPLINARY RESPONSES TO STUDENT MISCONDUCT

LEVELS OF STUDENT MISCONDUCT:

LEVEL I. Minor Misbehavior on the part of a student that disrupts orderly classroom procedures or interferes with the orderly operation of the school: These misbehaviors can usually be handled by an individual staff member but sometimes require the intervention of other school personnel.

Examples:

Classroom Disturbance	Classroom Tardiness
Failure to comply with school rules and regulations	Unnecessary roughness
Non-Defiant-failure to complete assignments or carry out directions	Bullying
Minor failure to comply with bus regulations	Dishonesty/Plagiarism
Verbal and Non-verbal obscenities	

DISCIPLINARY RESPONSE PROCEDURES:

This is immediate intervention by the staff member who is supervising the student or who observes the misbehavior.

Repeated misbehavior may require a parent/teacher conference or a conference with the administrator.

A proper and accurate record of extraordinary offenses and disciplinary action is maintained by the staff member.

SCHOOL OPTIONS:

Parent contact/conference
Non-academic tasks
Verbal reprimand
Behavior contract
Counseling/Withdrawal of privileges
Strict supervised study

Classroom detention
Assigned seating
Temporary removal from class

LEVEL II Frequent or serious misbehavior that tends to disrupt the learning climate of the school. These infractions, usually resulting from the continuation of LEVEL 1 misbehaviors, require the intervention of personnel on the administrative level because the execution of Level 1 disciplinary options have failed to correct the situation. Also included in this level are misbehaviors that do not represent a direct threat to the health and safety of others, but whose educational consequences are serious enough to require corrective action on the part of administrative personnel.

Example:

Repetition of Level 1 Misbehaviors	Insubordination
School Tardiness	Inappropriate Physical Behavior
Truancy	Skipping Class
Tobacco/E-Cigarettes Use or Possession	Fighting (minor)
Using Forged Notes or Excuses	Vandalism (minor)
Disruptive School Behavior	Bullying
Unauthorized Possession of other's Personal Property	Recording someone without permission

DISCIPLINARY RESPONSE PROCEDURES:

The student is referred to the administrator for appropriate disciplinary action. The administrator meets with the student and/or teacher and affects the most appropriate response. The teacher is informed of the administrator's action. A proper and accurate record of the offense and disciplinary action is maintained by the administrator.

SCHOOL OPTIONS-All Level 1 options plus the following:

Work Assignments	Out-of-school Suspension (OSS)

Referral To Outside Agency	In School Suspension (ISS)
Suspension from Participation in and/or Attendance at Extra-curricular Activities	

LEVEL III Acts directed against persons or property, but whose consequences do not seriously endanger the health or safety of others in the school.

These acts might be considered criminal, but most frequently can be handled by the disciplinary mechanism in the school. Corrective measures that the school should undertake, however, depend on the extent of the school's resources for resolving the situation in the best interests of all students.

Examples

Fighting (Including recording a fight)	Inappropriate or Suggestive Attire
Vandalism	Possession or Use of Unauthorized Substances
Possession of Stolen Property	Dishonesty
Stealing	Verbal and Non-Verbal Obscenities
Threats to Others (serious)	Offensive Action and/or Language Directed Toward
Major Disruptive School Behavior	Employees (Including SRO)

Unlawful Trespassing
Careless and Imprudent
Bullying

Defiance of School Policy
Operation of a Motorized Vehicle

DISCIPLINARY RESPONSE PROCEDURE:

The administrator initiates disciplinary action by investigating the infraction and conferring with staff on the extent of the consequences.

The administrator meets with the student and confers with the parent about the misconduct and resulting disciplinary action.

A proper and accurate record of offenses and disciplinary action is maintained by the administrator.

SCHOOL OPTIONS:

Homebound Instruction
Alternative Program
Temporary Loss of Transportation Privileges
Work Assignment
Contact Law Enforcement
Temporary Removal From Class

Bus Conduct Report Mailed To Parents
In-School Suspension
Out-of-School-Suspension

Financial and/or Other In-Kind Restitution
Citizenship Policy Enforced
Temporary loss of transportation privileges (2-30 days)

LEVEL IV.

Acts that result in violence to another person or property or which pose a direct threat to the safety of others in the school.

These acts are clearly criminal and are so serious that they always require administrative actions which result in the immediate removal of the student from school, the intervention of law enforcement authorities, and action by the Board of School Directors.

Examples:

Repetitive Level 3 Behaviors	Vandalism
Extortion	Theft/Possession/Sale of Stolen Property
Possession/Use/Transfer of Dangerous Weapons /Property	
Arson	Bomb Threat
Assault/Battery	Bullying
Furnishing/Selling/Possession of Unauthorized Substances	

DISCIPLINARY RESPONSE PROCEDURE

The administrator verifies the offense, confers with staff involved and meets with the students.

The student is immediately removed from the school environment. The parents are notified by the Student Behavior Disciplinary Action Report.

School officials contact law enforcement agencies and assist in prosecuting the offender.

A complete and accurate report is submitted to the Superintendent for Board action.

The student is given a full due process hearing before the board.

SCHOOL OPTIONS —All Level 3 options plus the following

Permanent Loss of Transportation Privileges (30-180 days)	Alternative Schooling
