PRESIDENT'S REPORT

Dr. Rodriguez stated "The quality of our future is shaped by the quality of our present. If we want different results in our future, we must change what we are doing today. We must ask ourselves, 'How do we want to see the future of the Morris School District evolve'? The right choices made for the right reasons will create long-term dividends. On September 15th, our community will have an opportunity to decide on the future quality of the Morris School District. The choices we make on September 15th will create the kind of future for our district that we all desire for our children's education. Thank you and I hope everyone will vote"

PUBLIC COMMENT

Dr. Rodriguez read the following statement:

Before we open the meeting to public comment, we wish to remind you that our meeting is now video-recorded and publicly aired. While the Board welcomes and encourages public comment, we ask that you be respectful, including in any comments you might make about staff. The Board does not endorse any comments made by a speaker; nor will the Board be held liable for any comments made by members of the public. The law prevents the Board from speaking about specific students and about personnel matters. For this reason, the Board will not answer any questions on these subjects. Finally, the Board's policy limits each speaker to three minutes. We ask that you respect this policy and the time of your fellow community members by concluding your comments once you reach three minutes. Public comment is open for an hour or until public comments are complete, whichever comes first.
