Students who complete the program will earn a Certificate in Leadership that will be denoted on their transcripts. The rigorous, evidenced-based leadership program was developed in partnership with girls leadership experts from the Center on Leadership and Ethics at Duke University, Harvard University, Northwestern Kellogg School of Management, Rice Doerr Institute for New Leaders, Stanford University, and the U.S. Military Academy at West Point.

CURRICULUM

SUA operates on the 4x4 Collegiate Block Schedule with two terms in each semester. The first semester is from August through December, and the second semester is from January through May. Credit is granted each term.
