

PreK Information Meeting

April 6, 2026

Program Goal

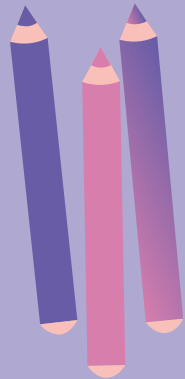

The goal of LHISD's PreK program is to give students the skills needed to be successful in kindergarten and to instill in them a love of learning. We do this by focusing on social, emotional and physical development, building a strong foundation of pre-reading, writing and math skills, and providing opportunities for students to learn through play.

New This Year!

All PreK and ESLE students will be served at Louine Noble Elementary.

Benefits:

- A thoughtfully designed learning environment
- A strong, unified identity and culture focused on early learning
- Purposeful and engaging experiences tailored for young learners
- An enhanced and streamlined experience for families
- Consistent, high-quality learning experiences across the district
- Increased collaboration and shared expertise among EC teachers
- More strategic and efficient use of district resources

Curriculum

Students are prepared for kindergarten through the use of the district's Panther Curriculum which is aligned with the Texas Prekindergarten Guidelines and focuses on the following ten essential domains:

(1) Social and emotional development
(2) Language and communication
(3) Emergent Literacy Reading
(4) Emergent Literacy Writing
(5) Mathematics
(6) Science
(7) Social studies
(8) Fine arts
(9) Physical development and Health
(10) Technology

Important Things To Know

Your Involvement is Key to Your Child's Success!

We understand the importance of family involvement and we provide a variety of opportunities for families to partner with the school in the education of their child.

Toileting Expectations

We expect all students who are medically and developmentally able to be fully toilet trained before starting PreK. This is a great time to begin working on this skill with your child at home.

Napping and PreK

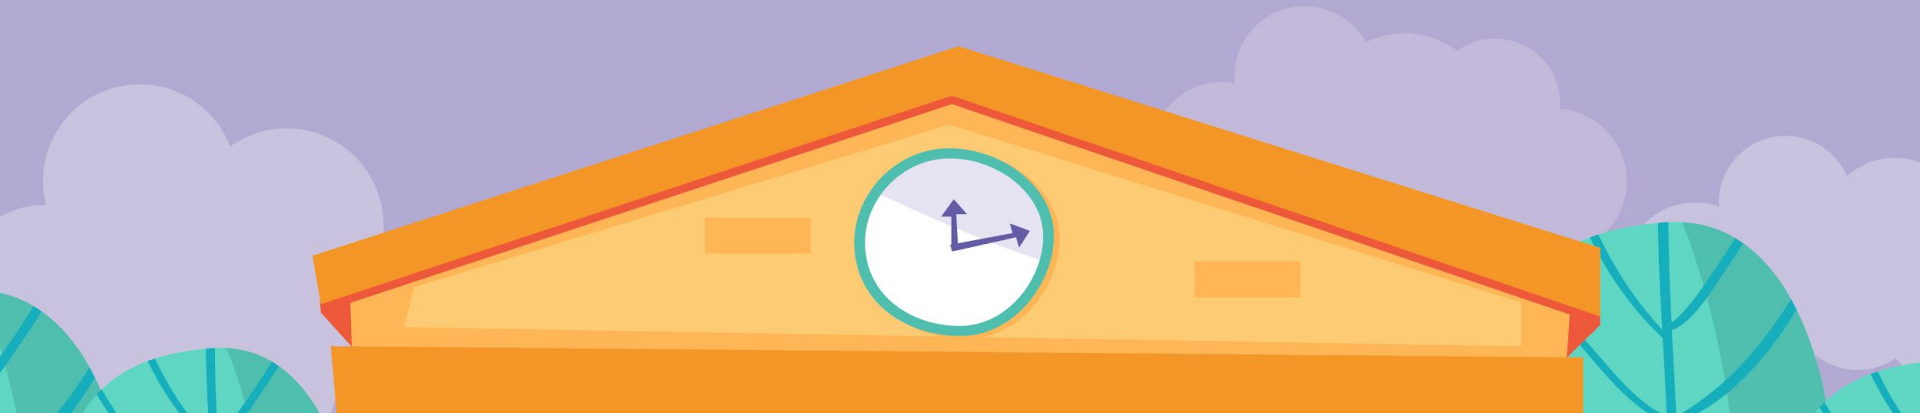

In PreK, we follow a developmentally appropriate schedule that reflects students' growing independence and readiness for a more structured day. Instead of nap time, students participate in a variety of engaging learning experiences, with opportunities for quiet moments as needed.

Attendance is Important!

Research shows that students who miss too many days of preschool have weaker literacy and numeracy skills entering kindergarten.

Attendance is required!

Compulsory attendance law applies to students who are voluntarily enrolled in prekindergarten.

☐ By checking this box, I understand that by enrolling my child, who is younger than six (6) years of age, in the Liberty Hill ISD Prekindergarten Program, they are **required** to follow the same State Compulsory Attendance Law as other students in Liberty Hill ISD. I understand that my child, who is enrolled **MUST** attend every day, all day for the entire school year and that any absences must be supported with a doctor and/or parent note.

How Can You Help?

Consistently talk to your child about why going to school every day is important. Help your child get excited about going to school.

Come up with a "Plan B" for who you and your family can rely on to help get your child to school when something comes up.

Schedule doctor, dentist, or other health care appointments on Fridays, school holidays, or at the end of the school day.

Establish and stick to the basic routines (early bedtime, set wake up time, laying out outfits, etc.) that will allow your child to develop a habit of on time attendance.

Schedule vacations or other non-school related activities during days when students are not scheduled to attend school.

If a problem emerges with health, food, transportation, housing or anything else, please call us so we can help.

How Does my Child Get Into PreK?

I wish to apply for Free and Reduced-Price School Meals.

ESLE

- **What is ECSE?**

  Early Childhood Special Education (ECSE) is a program for young children (ages 3-5) who have identified disabilities. It provides specialized instruction and supports to help students develop early academic, communication, social, and adaptive skills.

- **Registration / Returning Student Verification**

  Students already enrolled in ECSE/ ESLE, do not need to complete a new registration. Your child will go through the district's standard returning student verification process.

- **PK Eligibility (if turning 4 by Sept. 1)**

  Students who will be 4 years old by September 1, will complete the Pre-K eligibility form during returning student verification. This helps determine if your child qualifies for additional PK services and supports.

- **Impact on IEP (ARD)**

  Completing PK eligibility does not change your child's IEP or services determined by the ARD committee. However, it may open access to additional supports such as free or reduced lunch and other PK program supports.

Get Your Child Ready for PreK

READING!

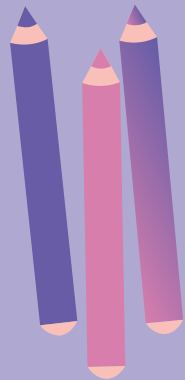

The Million Word Gap:
Kids whose parents read them five books a day go into kindergarten having heard about 1.4 million more words than kids who were never read to.

It is important to read to your child every day! The single most important activity for building the knowledge required for eventual success in reading is reading aloud to children.

How to Prepare Your Child for PreK

- Dress independently
- Eat independently within 20 minutes
- Use the restroom on their own
- Open and close their belongings
- Follow two-step directions
- Express their needs
- Recognize their name
- Respond to redirection
- Play and interact with peers
- Recognize emotions

✨ Remember: If your child hasn't mastered all these skills before PreK starts, that's okay! They will grow, learn, and develop throughout the year—with plenty of support along the way.

WAYS TO PREPARE YOUR CHILD FOR PRE-K

Help your child start Pre-K with confidence by practicing these essential skills!

DRESS INDEPENDENTLY
Practice putting on and taking off shoes, jackets, and backpacks, as well as buttoning pants and zipping zippers.

EAT INDEPENDENTLY WITHIN 20 MINUTES
Set a timer during meals to help your child manage their eating time.

USE THE RESTROOM ON THEIR OWN
This includes recognizing when they need to go, using the toilet, wiping, getting on & off the toilet, and washing their hands.

OPEN AND CLOSE THEIR BELONGINGS
Work on opening and closing water bottles, lunchboxes and backpacks

FOLLOW TWO-STEP DIRECTIONS
Give simple instructions like, "Put on your pajamas, then brush your teeth."

EXPRESS THEIR NEEDS
Encourage your child to ask for help when needed.

RECOGNIZE THEIR NAME
Help them identify their name in writing and respond when called. Bonus: Knowing their parents' names is great, too!

RESPOND TO REDIRECTION
Practice listening and adjusting when given guidance.

PLAY AND INTERACT WITH PEERS
Arrange playdates to build social skills and positive interactions.

RECOGNIZE THEIR EMOTIONS
Talk about feelings by asking, "Are you feeling happy, sad, or hungry?"

REMEMBER!

If your child hasn't mastered all these skills before Pre-K starts, that's okay! They will grow, learn, and develop throughout the year - with plenty of support along the way!

FORMAS DE PREPARAR A SU HIJO/A PARA EL PREESCOLAR

¡Ayude a su hijo/a a comenzar el preescolar con confianza practicando estas habilidades esenciales!

VÍSTASE DE FORMA INDEPENDIENTE
Practique cómo ponerse y quitarse zapatos, chaquetas y mochilas, así como abrocharse los pantalones y cerrar cremalleras.

COMER DE FORMA INDEPENDIENTE EN 20 MINUTOS
Establezca un temporizador durante las comidas para ayudar a su hijo a administrar su tiempo de alimentación.

USAR EL BAÑO POR SU CUENTA
Esto incluye reconocer cuándo necesitan ir, usar el baño, limpiarse, sentarse y levantarse del baño y lavarse las manos.

ABRIR Y CERRAR SUS PERTENENCIAS
Trabajar en abrir y cerrar botellas de agua, loncheras y mochilas.

SIGA INSTRUCCIONES DE DOS PASOS
Dé instrucciones sencillas como: "Ponte el pijama y luego cepíllate los dientes".

EXPRESAR SUS NECESIDADES
Anime a su hijo a pedir ayuda cuando la necesite.

RECONOCER SU NOMBRE
Ayúdelos a identificar su nombre por escrito y a responder cuando los llamen. Además, ¡saber los nombres de sus padres también es genial!

RESPONDER A LA REDIRECCIÓN
Practique escuchar y adaptarse cuando reciba orientación.

JUGAR E INTERACTUAR CON COMPAÑEROS
Organice citas de juego para desarrollar habilidades sociales e interacciones positivas.

RECONOCER SUS EMOCIONES
Hable sobre los sentimientos preguntando: "¿Te sientes feliz, triste o hambriento?"

¡RECORDAR!

Si tu hijo/a no domina todas estas habilidades antes de que empiece preescolar, ¡no te preocupes! Crecerá, aprenderá y se desarrollará a lo largo del año, ¡con mucho apoyo en el camino!
