TIPS FOR **GREAT** DESIGN

COLORS — Don't combine dark backgrounds with dark text. Ditto for light colors.

- Color contrast is more obvious on illuminated screens than in print, so keep in mind that if you use a dark color on a dark color or a light color on a light color, the text might be legible on your screen, but it might not be in print if the colors don't contrast enough.
- If you choose black, navy, dark green, or dark purple for the background, do not use one of those colors for the text, and vice versa . . . and ditto for light colors.

TEXT — Fill empty space by increasing the font size and/or inserting spaces.

- YOUR STUDENT'S NAME - After you type the first and last name, fill any empty space by increasing the size or by adding a middle name. Also, you can use the Return key on your keyboard to put the last name on a second line or to insert lines above the name to center it horizontally in its text frame.
- YOUR MESSAGE TO YOUR STUDENT – Fill empty space by making the font size larger. Also, don't use script fonts for the message. It might make it too hard to read in print.

PHOTOS — Fully fill photo frames. If needed, try a different template or use different photos.

- Zoom in on what's most important. When possible, crop out ceilings, walls, floors., etc.
- If you can't make the image large enough to fill the frame, it doesn't have enough data to be larger. Either put that pic in a smaller frame or upload a higher-resolution version. Screenshots & downloads are low res, but usually the original from the camera isn't.
- If you want to use a photo that's printed, scan them at a high resolution or take pics of them with your phone. If you take pics of pics, avoid shadows and hold the camera level'

TEMPLATES — If the template doesn't have the shapes you need, choose another template.

- If you've already typed your message onto a template, copy the message you've written and paste it someplace on your computer before you create a new one..
- Click "Save and Continue." On the Review screen choose "Yearbook Ads" and then "My Ad Projects." At the bottom, click "Create New Ad."
- After you select a new template, the photos you uploaded previously will be there, and you can copy/paste your message into that layout.

IMPORTANT **INFO**

1. **YOU MUST COMPLETE ALL STEPS BEFORE SPACE IS RESERVED FOR YOUR AD.** You can work in multiple sessions until the deadline, but space is NOT reserved until you create it & pay for it.
2. **WE CANNOT ACCEPT BLANK ADS. THEY WILL BE REFUNDED.** Do not purchase a blank ad in the hopes of creating it later. It will be refunded automatically.
3. **PROOFREAD & REVIEW YOUR AD CAREFULLY. YOUR AD WILL PRINT AS YOU SUBMIT IT.** It is important that you double check the ad before you pay for it.
4. **THE PURCHASE OF AN AD DOESN'T INCLUDE A BOOK** so if you need to buy a yearbook, please do so.
5. **AD SPACE WILL BE LIMITED AFTER THE DUE DATE.** If any spots remain on the pages after the deadline, sales will remain open until the space is filled, but sales will close without notice as soon as all ad peges are filled.
6. **DO NOT USE PHOTOS WITH WEAPONS.** Most school districts do not allow weapons to be visible in senior ads. If you choose photos with weapons, crop them out.

CR: CREDIT RECOVERY
on Your Schedule

Your counselor and I have identified that you qualify for Georgia Virtual Credit Recovery. This course is needed to graduate. Students can earn credit by completing the course through **Georgia Virtual (GAVS)** online platform. This course is provided **free** to participating Georgia public high school students for **all first-time enrollments**. You need this course to graduate. This is an **asynchronous program**, meaning there is no live teacher. Students need to log in and complete the modules, which include quizzes, tests, and/or essays. It is a **work at your own pace** course. The platform is **open 24/7** meaning you can work on the assignments at any time. The goal is to complete the course as soon as possible so we can update transcripts. Please email me when you have completed the course. Also, please remember to also complete your assignments for your other courses. You don't want to fall behind.

ACTION REQUIRED:

STEP 1:
PLEASE SIGN THE ELECTRONIC CONTRACT.

The Credit Recovery Contract outlines the details and expectations of the program. I kindly request that both of you review the contract carefully together. It includes information about the courses available for credit recovery, the timeline for completion, and the responsibilities of all parties involved.

STEP 2:
CREATE AN ACCOUNT ON GAVS.

- Visit GAVs Website: https://gavs.geniussis.com/PublicWelcome.aspx
- Click create student account.
- Enter the required information. All yellow fields required. Use your personal email, not Henry County email.
- Add **Impact** to the school option/affiliation.
- Click save.

If you already have a GAVS account, please do not create a new one. Just email me to let me know that you already have an account.

This course must be completed by December 18, 2026.

This information will also be emailed to your school email. Once I receive the signed contract and you've registered on GAVs, I will enroll you into the course. Please send an email to Mrs. Smith, retta.smith@henry.k12.gaus, once you've completed **steps 1 & 2**.

If you have any questions or require further information, please do not hesitate to contact Mrs. Smith;

HENRY COUNTY SCHOOLS

FOCUS: ON

CREATING A DISTRACTION-FREE LEARNING ENVIRONMENT

2026-2027 SCHOOL YEAR

FOCUS: ON H

WHY IS HENRY COUNTY SCHOOLS MAKING THIS CHANGE?

Continuing in the 2026-2027 school year, HCS will implement distraction-free learning environments in accordance with Georgia's Distraction-Free Education Act to help students stay focused on learning. Research shows that limiting personal electronic devices during the school day can improve:

- ACADEMIC ACHIEVEMENT
- STUDENT ENGAGEMENT
- CLASSROOM PARTICIPATION
- SOCIAL INTERACTION
- SCHOOL SAFETY & COMMUNICATION

OUR GOAL IS SIMPLE: MORE LEARNING. FEWER DISTRACTIONS.

WHAT DEVICES ARE INCLUDED?

The policy applies to personal electronic devices, including:

- Cell phones
- Smartwatches
- Earbuds/headphones
- Tablets
- Personal laptops
- Devices used for texting, calling, internet access, gaming, recording, or social media.

WHAT ARE STUDENTS EXPECTED TO DO?

During the instructional day, personal electronic devices MUST BE:

- **OFF**
- **OUT OF SIGHT**
- **UNUSED**

Students may use school-issued technology when directed by their teacher.

ARE THERE ANY EXCEPTIONS?

Yes. Students may use a personal device if:

- It is required by an IEP, 504 Plan, or medical accommodation.
- A teacher specifically authorizes its use for instruction.
- School administration approves its use for a special circumstance.

HOW CAN I REACH MY CHILD DURING THE SCHOOL DAY?

If you need to contact your child during school hours:

CALL YOUR CHILD'S SCHOOL OFFICE

- School staff will make sure important messages are delivered promptly.
- Likewise, if a student needs to contact a parent or guardian, school staff will assist them.

WHAT HAPPENS IF A STUDENT VIOLATES THE POLICY?

Students who use personal electronic devices during the instructional day may receive consequences consistent with the Henry County Schools Code of Conduct, including:

- Reminder or verbal warning
- Parent/guardian notification
- Device confiscation
- Discipline referral
- Additional disciplinary action when appropriate

HOW FAMILIES CAN HELP

- Talk about the importance of staying focused during class.
- Encourage your child to keep devices put away during school.
- Review the expectations together before the first day of school.
- Contact the school office if you need to communicate during the school day.

TOGETHER WE CAN KEEP THE FOCUS ON LEARNING.

Henry County Schools appreciates the partnership of students, families, and staff as we create classrooms where every student can learn, participate, and succeed.
