10th Grade Checklist

Use this checklist to stay on track this year.

Class of 2029 Avon High School

Make sure that you are on track for graduation and your diploma type.

- ☐ Visit your school counselor to learn about your **credits** and graduation progress
- ☐ Know your **diploma type** and graduation requirements (47 credits are required for graduation)

What is your goal after completing high school?

- ☐ Consider multiple **post-secondary options**, such as college, military or trade school choices
- ☐ Complete **Naviance** interest inventories and other surveys to help you explore post-secondary options
- ☐ Schedule **electives** to explore interests and possible career fields

Complete Graduation Pathway requirements.

- ☐ Review **graduation pathways** with your counselor during scheduling

Prepare for the PSAT in the fall.

- ☐ Do your best on the **PSAT** to understand how you would score on the SAT entrance exam
- ☐ Use your results to help you consider multiple **career options**

Get involved in extra-curricular activities.

- ☐ Seek opportunities to **get involved** outside of school
- ☐ **Sign up** for clubs, sports, and other activities found on the School Counseling website

Attend local and national college and career fairs.

- ☐ Use the QR code to the right to be directed to the website with details about upcoming **college and career fairs** and other School Counseling Department information.
- ☐ Look for updates posted on **Schoology** and for flyers in the **School Counseling Office**

Preparing for post-secondary schools and careers.

- ☐ **Brainstorm** characteristics that are important to you (i.e. location, academics, majors etc.) in a post-secondary school
- ☐ Use **NAVIANCE** as a career search tool
- ☐ **Research** admission requirements for colleges you are interested in attending
- ☐ Identify **classes** you need to take in high school for admission

Enroll in challenging courses during your 11th grade year.

- ☐ **Challenge yourself** academically during your junior year
- ☐ Choose electives that will help you prepare for your **post-secondary goals**
- ☐ Sophomores begin scheduling classes for 2027-2028 in early November. Look ahead and **come prepared** to your enrollment meeting with your counselor
