Welcome back to the 2026-27 school year at Viking Elementary. It was another busy summer for our custodial staff, kitchen staff, and administrative assistants who have all worked to get everything ready at Viking Elementary ready for another school year. Please take time to thank our staff for all their hard work again this summer when you see them.

Viking Elementary will have our meet and greet on Sept. 2. Students will have an opportunity to meet their teacher as well as have their school pictures taken. Club Vikes will be having a hot dog fund raiser over lunch.

Parents that will be dropping off students are reminded to use Chauncey Martin Field parking lot and students should enter door 3. Parents should not use the drop off lane when the buses are dropping off students. Thank you for helping us keep all our Little Vikings safe.

Club Vikes had another great summer with over 80 students participating in the program. Club Vikes is open from 7:00 am to 7:50 am and then after school from 3:05-6:00 pm. Families that have questions or would like to register please contact Tonya Honrud at thonrud@vikes.us .

Viking Elementary is excited to welcome some new staff this year.

-Abby Nelson – Music Teacher
-Morgan Berg – Special Education Teacher
-Jazmyn Peterson – Paraprofessional

These new staff members bring a variety of experience and knowledge to Viking Elementary. Please help us make all of them feel welcome.

The doors will open at 7:50 with breakfast being served to all students at that time. Breakfast and lunch again will be free for all students again this year to all Viking Elementary Students.

Parents are reminded to please contact the office if your child is absent. One of most important aspects of learning is being in school, but if your child is sick, please let the office know.

Finally thanks to everyone for all the support that you show for our teachers, paraprofessionals, cooks, custodians, administrative assistants, and bus drivers. The entire staff at Viking Elementary is preparing so that each student was a great 2026-27 school year.
