C. COMMENTS

C.1 PUBLIC COMMENTS NOT ON THE AGENDA

At this time, any person wishing to speak on any item **not on** the Agenda will be granted three minutes.

Vickie Davis, Coordinator of Juneteenth Jam, thanked the Rialto Unified School District for its continued support of Juneteenth Jam, which has grown into a major community event in its fourth year. This year's event drew approximately 10,000 attendees and included the distribution of more than 500 free children's books, eight academic and athletic scholarships ranging from $500 to $1,000, recognition of more than 50 Rialto Unified students, participation from more than 150 local businesses, nonprofits, and entrepreneurs, and a microbusiness grant for a local entrepreneur. Davis emphasized that the event's greatest impact was bringing families, students, businesses, organizations, athletes, and artists together to celebrate culture, pride, opportunity, and community.

Ms. Davis gave special recognition to the District's warehouse and maintenance teams for their essential work before, during, and after the event. She noted that these employees are often behind the scenes, moving equipment, preparing spaces, addressing problems, and ensuring that the event operates safely and efficiently. She presented awards to the following District staff members: Juventino Beltran, Corey Cleveland, Nick Linares, Michael Connelly, Tim Applegate, Emilio Fernandez, and Esteban Samora. She also thanked Dr. Ayanna Balogun and Mr. Joseph Williams for helping lead the departments responsible for the city and District partnership. Ms. Davis concluded by expressing appreciation for everyone who supported the Juneteenth Jam and helped create an event that provided meaningful opportunities and activities for people of all generations.

James Martinez, Community Member, Rialto Resident and Parent of two District Students, expressed concern about what he described as dysfunction and inappropriate conduct among some school board members. Drawing on his experience as a law enforcement officer and former school resource officer, he emphasized the importance of safe schools, accountability, transparency, and student success. He stated that safety should include respecting students' rights, supporting teachers and employees, and allowing parents to raise concerns without feeling dismissed or intimidated. Mr. Martinez urged the Board to focus on constructive governance rather than personal conflicts and said every Board decision should prioritize students' academic success, special education, safety, career preparation, and educational and constitutional rights. He concluded by calling for change and announcing his candidacy for Rialto USD School Board, District Area 5.

Rachel Ochoa, District Employee an Vice President of California School Employees Association (CSEA), raised concerns about staffing shortages and increasing workloads in the purchasing department. She said the department has fewer permanent staff despite significantly increased responsibilities from new programs and that employees have been warning of a tipping point since April. Ms. Ochoa connected these staffing and purchasing issues to delays in maintenance and safety-related services, citing recent elevator incidents at District schools and the impact on students with disabilities when elevators are unavailable. She also raised concerns about air-conditioning controls and the lack of local overrides for custodians. She urged the Board to address these longstanding concerns and provide additional staffing and resources to support employees and ensure safe, accessible learning environments.

Desiree Ramirez, representing San Bernardino County Supervisor Joe Baca Jr., introduced the Fifth District Youth Advisory Council and encouraged Rialto Unified high school juniors and seniors to apply. She explained that the program provides students with opportunities to learn about county government, tour county facilities, advise the supervisor on youth-related issues, participate in community events and projects, and earn community service hours. Seniors who remain actively involved and complete the program requirements may also be eligible for a scholarship. Ramirez encouraged interested students to apply before the August 21 deadline and contact the supervisor's office or Martha Degortari in the District's Superintendent's office for more information.

C.2 PUBLIC COMMENTS ON AGENDA ITEMS

Any person wishing to speak on any item **on** the Agenda will be granted three minutes. (**None)**

C.3 COMMENTS FROM ASSOCIATION EXECUTIVE BOARD MEMBERS

- Rialto Education Association (REA)
- California School Employees Association (CSEA)
- Teamsters Local 986
- Communications Workers of America (CWA)
- Rialto School Managers Association (RSMA)

Tobin Brinker, Rialto Education Association (REA) President, asked again what kind of school district the community wants to become as the new school year and labor negotiations begin. Citing a recent REA survey, he noted that educators identified salary and inflation, class size and workload, and student behavior and discipline as major concerns. He emphasized that these issues affect the District's ability to attract and retain quality teachers and encouraged the District to consider competitive compensation, manageable workloads, supportive working conditions, and adequate resources. Referencing recent negotiations in neighboring Corona-Norco, Mr. Brinker urged both sides to approach bargaining with unity and a shared commitment to student success, employee pride, and a district the community can be proud of.

Christine Acosta, President of California School Employees Association (CSEA) Chapter 203, welcomed the District community to the new school year and highlighted the work of classified employees throughout the summer. She said CSEA has continued addressing concerns involving staffing, working conditions, job responsibilities, transfers, and other employee matters, including sensitive issues that she did not discuss publicly. She asked the Board and Superintendent to maintain open communication with CSEA and work collaboratively to resolve concerns fairly, professionally, and promptly. She emphasized the essential role of classified employees in supporting students, families, classrooms, transportation, food services, facilities, technology, and daily school operations, and called for a relationship based on communication, respect, and mutual problem-solving as the District begins the 2026 school year.

BOARD GOVERNANCE WORKSHOP

August 15, 2026

Christopher Keeler
Elliott Duchon

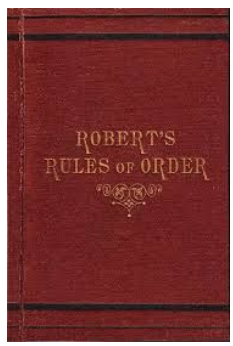

Governance

1. Define “governance” and its significance in the District.
2. Describe the benefits of Board and Superintendent working as a unified team.

Parliamentary Procedure

Robert's Rules of Order

A GUIDE TO PARLIAMENTARY PROCEDURE

Who's Robert?

- Henry Martyn Robert
- 19th Century Engineer
- Wanted local legislative bodies to use congressional procedures

A meeting without structure is like sailing without a compass – you spend of lot of time getting nowhere!

What are the Basic Rights at Stake?

1. Right of majority to make decisions
2. Right of minority to be heard
3. Rights of individual Board members to participate
4. Right of Board to develop its own Rules and Regulations

Individual Board Member Rights

- To attend all meetings
- To introduce and second motions
- To speak on agenda items *after* first seeking recognition of chair
- To raise "points of order"
- To vote

Interplay of Brown Act and RR

- Brown Act enforces transparency and public input around legislative action by local agencies
- Robert's Rules promotes order and efficiency through meeting protocols
- Brown Act is law; Robert's Rules is procedural guidance

Interplay of Brown Act and RR

- Robert's Rules are not expressly adopted by the Board.
- "The Board president shall conduct Board meetings in accordance with Board bylaws and approved meeting procedures."

BB 9323

Interplay of Brown Act and RR

- If there is a conflict, Brown Act controls
- Minor errors in following Robert's Rules are not Brown Act violations
- …and won't invalidate Board action

POINT OF ORDER

- To correct a breach in the rules
- Only used for major infractions
- Made at the time of the infraction
- Second not required
- Not debatable
- Ruled upon by the Board President

MOTIONS

- Board President must open for motions
- Board President recognizes any motion made (if not germane, the motion is "out of order")
- Must be seconded to discuss/debate
- Moving Board member gets first opportunity to speak
  - Moving Board member can also withdraw motion (or make a "friendly" amendment, absent objection)

The Right to Make a Motion

- To be in order, the motion must be *directly related* to the question under consideration
- Frivolous, vague, incoherent, and duplicative motions are "out of order"

The Right to Make a Motion (cont'd)

- Subsidiary motions, i.e., motions to postpone, refer to committee, table, etc. must directly relate to the main motion
- All motions need a second
  - If no second, then motion "fails for lack of a second"
- After a motion is made, Board President should inquire, "Is there any discussion?"
- Maker of a motion has the first right to speak and to amend it

AMENDING MOTIONS

- Must move to amend (any Board member)
- State the amendment
- Need a second
- Board President calls for discussion
- Vote (majority amends)

AMENDING MOTIONS

- This process is often misunderstood
- If the amendment is successful, the action item isn't complete
- A successful vote to amend means that there is a new substantive motion to be discussed and voted on… (you aren't done)

PROCEDURAL MOTIONS

- Used for:
  - Postponing consideration of main motion
  - Referring matter to a committee or person
  - Limiting discussion/creating special rules for the motion
  - Divide the motion into smaller subtopics

POSTPONEMENT

- Once postponed, no further action is taken on the matter until re-opened.
- Unless specified, Board President determines when to reinstate the subject (not sooner than next meeting)

ADJOURNING

- Board must motion to adjourn
- Any Board member may make motion to adjourn
- Must be seconded

RECONSIDERATION

- Motion to revisit a topic already voted on
- Made by someone on the prevailing side
- Must be made during same meeting as original vote, unless local rules/practices allow otherwise
- Must be seconded
- Two Steps: If motion for reconsideration is successful, original item is subject to motion/debate and voted on again

MOTION TO RESCIND

- A motion to rescind cancels or revokes a previous action or vote.
  - Requires a second
  - Motion is debatable
  - Majority vote
- Cannot be used if the original action has already been executed and cannot be undone (such as a completed contract/hiring)

DECORUM

- Board members speak one at a time and do not interrupt unless the Board member who has the floor yields to someone else.
- Only Board members debate (staff can answer questions if asked/recognized)

Board Member Filibuster?

- Lone Board member does not support issue to be decided, seeks to engage in endless debate and/or refer matter back to administration for more information.
- Board majority is in favor and just wants the matter to be decided.

ENDING DEBATE

- Board President chooses when to halt discussion on a topic and calls for the vote – or --
- Board member moves to "Call the question"
  - This results in end of Board discussion and puts the matter to vote
  - Must be seconded and supported by 2/3 vote
  - If successful, the main motion goes immediately to vote

Limiting Rights – Limiting Debate

- Motion to Limit Debate
- 2/3 vote of the members present is required
- Usually intended for lengthy items
- Any member can introduce, i.e., "I move that each member be given 3 minutes total to discuss this item"
- Not debatable, but it can be amended as to time and length
- Must be recorded through a roll call vote

QUORUM

- >50% of total Board members (3 members)
- Lack of Quorum ☐
  - Board President recesses until quorum present
  - Adjourn meeting
- Abstention still counts for purposes of quorum
- Abstention is not counted toward majority vote

VOTING

- Roll call by Secretary
- Done orally (Aye, Nay, Abstain)
- Secretary reads out results immediately afterwards
- No other business to conduct until roll call finishes
- Votes may be changed before final report

Running an Effective Meeting

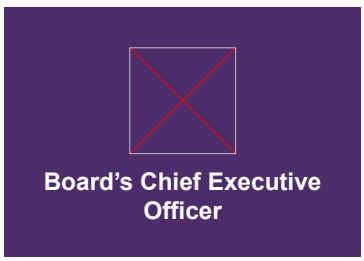

- Board President should recognize persons who desire to speak, and protect the speaker who has the floor from disturbance or interference
- Explain what the effect of a motion would be if it is not clear to every member
- Restrict discussion to the question when a motion is before the Board

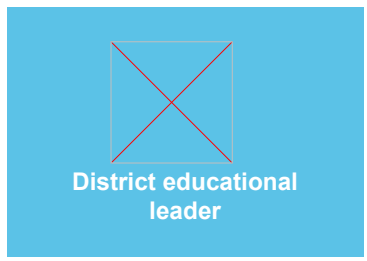

Running an Effective Meeting (cont'd)

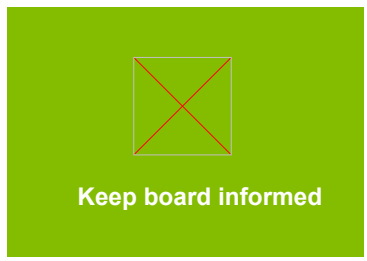

- Rule on issues of parliamentary procedure
- Put motions to a vote, and state clearly the results of the vote
- Be responsible for the orderly conduct of all Board meetings
- Always be aware of the dynamics of the Board, audience and staff

Different Jobs – Same Objectives

1. Discussion:
   a) Difference between policy and administration (steering v. rowing)
   b) Examples?

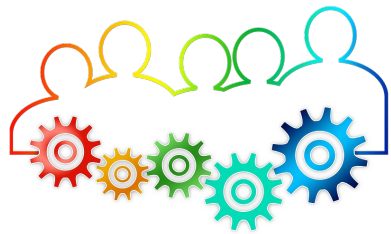

Responsible, Effective Governance & Communication

Responsible Governance

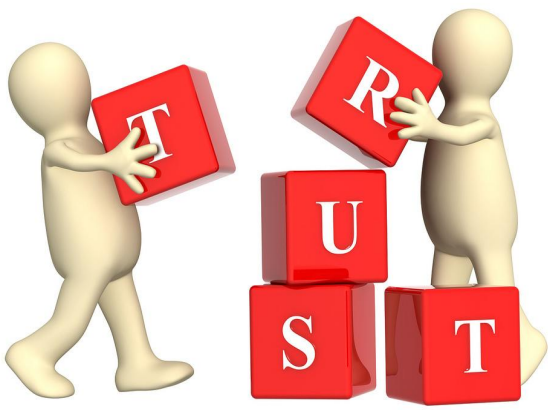

- According to CSBA: To govern responsibly, school boards must be guided by community interests, and informed by recommendations of the Superintendent and professional staff, and must act collectively and openly, to:
  - [Learn];
  - Discuss;
  - Deliberate;
  - Give direction to the Superintendent.

Strength in Numbers

- A Board acts by majority vote only.
- Once the majority has acted, the entire Board is bound by the Board's action.
- An individual Board member, outside of a Board meeting, has no individual authority, as authority to act rests with the Board, not with the individual.

No Surprises Rule

The Board "needs the information that it needs."

The Superintendent needs to know what the Board needs.

Governance Standards

- BB 9005 (Governance Standards)
- BB 9200 (Limits of Board Member Authority)
- BB 9240 (Board Training)

Creating Civility Through Open, Honest and Direct Communications

1. Civil disagreements over policies can be healthy and productive.
2. Openly criticizing fellow Board members, the Superintendent or staff can be destructive to the entire institution, including diminishing public confidence in District leadership (Board and administration).

Tips For Effective Communications Between Board Members

1. Be respectful; every member will have an opportunity to speak at an appropriate time:
   a) Reserve judgment, listen empathetically, stay focused on speaker (not just on what you plan to say next);
   b) Board President role/gavel.
2. Attack the problem, not the person;
   a) Honor norms.
3. Live in the present (not the past).
4. Disagreement and respectful debate between Board members at Board meetings is appropriate; open disagreement outside of meetings can be divisive and damaging to the District.
5. If you disagree with the position taken by the Board, the best time to express your opinion is prior to when that position is adopted.

Tips For Effective Communications Between Board Members

- Remember that you and every other Board member represent the entire District, not any particular area or constituency, and generally owe a duty to act in the best interest of the entire District
- If you have a point that you wish to make to one or more Board members, address the point to the entire Board

Trust: The Most Important Coin in the Board's Realm

1. Trust emanates outward from the Board.
2. Trust is the result of understanding and respect, not necessarily agreement.
3. Despite disagreement, Boards can function effectively when different viewpoints are respected and members are willing to listen to opinions contrary to their own.

How do you want to be perceived?

1. Public behavior reflects on individuals, the Board and the District.
2. Conduct yourself in a way that builds confidence in the District's leadership.

Tips For Effective Communications With The Public

Clarify	Confidentiality	Patience
If you speak to members of the public outside of a Board meeting and without Board approval on matters of District business, make clear that you are stating your personal opinion, rather than the Board's opinion or position	Do not release confidential information	Be patient with members of the public They often do not understand the procedure or the substance of what is being discussed

Governance Mindset:

- What are the Board's governance goals?
- Do Trustees share these goals?

Governance Culture:

1. Unity of Purpose: What does it look like in action?
2. Shared Moral Imperative: Aligning district values with community priorities.
3. Discussion: How do we handle ideological differences to maintain focus?

Governance Culture:

1. Community-Centric Governance:
   a. Engaging with diverse community perspectives.
   b. Being open to shifting priorities based on external factors.
2. Discussion:
   a. How can we strengthen the Board's role as a link between the community and the district?

Governance Infrastructure:

- Stability, consistency and focus
- Strategic Direction: How to align goals with measurable outcomes?
- Group brainstorming: What structures and processes ensure governance stability?

Collaborative Leadership:

What can we do to ensure we have a unified board-superintendent team?

SCHOOL-CONNECTED ORGANIZATION

BACKGROUND:

In accordance with Board Policy (BP 1230) and Administrative Regulation (AR 1230), the Board of Education must authorize school-connected organizations such as Parent Teacher Associations (PTA), Parent Teacher Organizations (PTO), and Booster Clubs that desire to raise money to benefit District students. Organizations proposing to establish a school-connected organization shall submit a request to the Board of Education for authorization to operate at the school.

REASONING:

The School-Connected Organization has submitted the required documentation to the District for Board approval.

RECOMMENDATION:

Approve the Hughbanks Huskies PTA as a School-Connected Organization for the 2026-2027 school year and the 2027-2028 school year.

FOURTH QUARTER WILLIAMS REPORT (APRIL - JUNE) FISCAL YEAR 2025-26

BACKGROUND:

California Education Code 1240 requires that the San Bernardino County Superintendent of Schools (SBCSS) annually visit Williams-monitored schools identified in the county and must report to the District the results of any findings on a quarterly basis (October, January, April, and July). This report serves as the District's fourth quarterly report for the 2025-26 fiscal year. Additionally, Education Code section 1240(c)(2)(C) requires that the results of the visits and/or reviews be reported to the governing board at a regularly scheduled meeting.

There are **no** findings to report in the following areas:

Instructional Materials
Monitored sites were visited in either Phase 1 or Phase 2. Site review findings were reported in the first and third quarterly reports generated in October 2025 and January 2026.

School Facilities
Monitored sites were visited in either Phase 1 or Phase 2. Site review findings were reported in the first and third quarterly reports generated in October 2025 and January 2026.

School Accountability Report Cards (SARC)
The SARC reviews were conducted during the second quarter of the 2025-26 fiscal year, and the findings were reported in the second quarterly reports generated in January 2026.

Teacher Assignments
The 2024-25 annual assignment monitoring review findings were reported in the second quarterly report generated in January 2026. The annual Assignment Monitor and Review (ARM) for the 2025-26 fiscal year will begin on or after August 1, 2026, according to data availability from the Commission on Teacher Credentialing (CTC) and the California Department of Education (CDE). Findings for 2025-26 will be included in the corresponding quarterly report. The primary statute governing certificated assignment monitoring is Education Code 44258.9.

APPROVE AN AGREEMENT WITH PERRY WEATHER, INC.

BACKGROUND:

California Assembly Bill 1653 mandates that all school districts with interscholastic athletic programs utilize advanced metrics, specifically Wet Bulb Globe Temperature (WBGT) measurements rather than standard thermometers, to actively restrict, reschedule, or cancel outdoor practice and play during heat stress periods. California Senate Bill 1248 requires all K-12 public schools to implement enforceable protocols protecting students from extreme heat or inclement weather across all outdoor activities, including standard Physical Education (PE) classes, recess, and after-school programs. Additionally, Rialto USD Board Policy 5141.75 (Weather Safety) recommends the expansion of specialized hardware infrastructure to comply with local risk mitigation requirements, ensuring that on-site personnel have exact, data-driven parameters to handle heat stress, air quality indices, and weather disruptions uniformly across campuses.

REASONING:

The District requires accurate, site-specific environmental monitoring to ensure the safety and well-being of students, staff, and athletic participants during outdoor activities. Perry Weather, Inc. provides real-time automated weather monitoring, Wet Bulb Globe Temperature (WBGT) tracking, air quality monitoring, and lightning detection alerts tailored specifically for school campus environments. One system will be placed at each of the following school sites: Carter High School, Rialto High School, and Eisenhower High School. These three units will give accurate weather readings for the entire District. The District can take advantage of the 3-year agreement, which offers a 30-25% discount for a cost of $17,665.61 for Year 1; $16,851.83 for Year 2; and $17,694.41 for Year 3.

RECOMMENDATION:

Approve the agreement with Perry Weather, Inc. to provide a platform subscription to monitor the three (3) Weather Stations that include Wet Bulb Globe Temperature (WBGT) systems, effective August 27, 2026, through August 26, 2029, at a cost not to exceed $52,211.85 and to be paid from the General Fund.

APPROVE THE ANNUAL REPORT OF THE PROPOSITION 28: THE ARTS AND MUSIC IN SCHOOLS FUNDING

BACKGROUND:

On November 8, 2022, California voters approved Proposition 28: The Arts and Music in Schools (AMS) Funding Guarantee and Accountability Act. The measure required the state to establish arts instruction in schools beginning in 2023–24. The funding ensures that at least 80 percent of the AMS funds to be expended are used to support certificated or classified costs to provide arts education program instruction. The remaining funds must be used for training, supplies and materials, and arts educational partnership programs, with no more than one percent of funds received to be used for an LEA's administrative expenses. The AMS funds require an annual report with Board approval and submission to the California Department of Education.

REASONING:

To meet the compliance requirements of the AMS funding, the District must present the Board with a report of full-time equivalents for teachers, classified personnel, and teaching aides, the number of pupils served, and the number of school sites providing arts education programs.

Annual Report Data for the 2025-26 school year:
Full-Time Equivalents for Teachers, Classified Personnel, and Teaching Aides - 26.6
Number of pupils served - 22,668
Number of sites providing AMS programs - 29

RECOMMENDATION:

Approve the annual report of the Proposition 28: The Arts and Music in Schools Funding.

RESOLUTION NO. 26-27-05

**RESOLUTION OF THE BOARD OF EDUCATION
OF THE RIALTO UNIFIED SCHOOL DISTRICT
APPROVING THE AWARD OF THE DISTRICT PRIMARY DATA CENTER UPS
REPLACEMENT PROJECT AND RELATED ACTIONS BY DISTRICT STAFF**

WHEREAS, the Rialto Unified School District ("District") desires to replace an uninterruptible power supply ("UPS") serving the District's primary data center at the Dr. John R. Kazalunas Education Center in order to maintain the reliability and protection of critical technology infrastructure, and seeks a complete, integrated battery-backup power solution (the "Project"); and

WHEREAS, the District issued a Notice Calling for Proposals for the District Primary Data Center UPS Replacement Request for Proposals No. 25-26-004 ("RFP") seeking qualified proposers to provide the Project; and

WHEREAS, the Notice Calling for Proposals was published in the San Bernardino County Sun on June 29, 2026, and July 6, 2026; and

WHEREAS, on July 7, 2026, the District held a mandatory pre-proposal conference to review the RFP documents with potential contractors, allow contractors to review existing site conditions, and provide an opportunity for questions, and sixteen (16) contractors attended the mandatory pre-proposal conference; and

WHEREAS, on July 22, 2026, the District received four (4) proposals from Camali Corporation, Valleywide Air Corporation, Avidex Industries, LLC, and vPrime Tech Incorporated; and

WHEREAS, an evaluation panel consisting of four (4) professionals from the District's Technology Services Department duly evaluated the responsive proposals submitted by Camali Corporation, Valleywide Air Corporation, and Avidex Industries, LLC based on the significant evaluation factors and procedures set forth in the RFP; and

WHEREAS, the evaluation factors included: (i) Proposal Completeness and Responsiveness (Pass/Fail), (ii) Total Cost of the Proposed Solution (50 points), (iii) Technical Solution and Compatibility (30 points), (iv) Qualifications and Project Experience (25 points), (v) Implementation Timeline/Ability to Deliver Service, as Requested, Within the Desired Timeframe (20 points), (vi) References for Similar-Sized Projects Within the Last Five Years (15 points), and (vii) Manufacturer Support and Warranty (10 points), for a maximum total of 150 points; and

WHEREAS, upon evaluating all responsive proposals, the evaluation panel determined that the proposal submitted by Camali Corporation met all evaluation standards and achieved the highest/best overall evaluation in accordance with the RFP, and that it will be most advantageous to the District, and in the District's best interests, to award the Project and related services to Camali Corporation; and

WHEREAS, the District and Camali Corporation have set forth, the terms and conditions for the Project in the contract and related documents for the District Primary Data Center UPS Replacement ("Contract"), and, prior to consideration of this Resolution by the Board of Education of the Rialto Unified School District ("Board of Education"), the District provided the Contract to the Board of Education for its review and consideration; and

WHEREAS, the total cost of the Contract between the District and Camali Corporation is $231,400.48, including all authorized costs for the complete Project as set forth in the Contract;

NOW, THEREFORE, the Board of Education hereby finds, resolves, and orders as follows:

Section 1. The Board of Education hereby finds that the foregoing recitals are true and correct, and hereby adopts the foregoing recitals as findings of the Board of Education.

Section 2. The Board of Education finds the proposal submitted by vPrime Tech Incorporated to be non-responsive for the reasons stated in the foregoing recitals.

Section 3. The Board of Education hereby approves the award of the District Primary Data Center UPS Replacement Project to Camali Corporation and approves the Contract and related documents for the Project, as reviewed by the Board of Education in connection with the consideration of this Resolution.

The Board of Education hereby authorizes and directs the Superintendent of the District ("Superintendent"), the Associate Superintendent, Business Services ("Associate Superintendent"), the Director, Purchasing Services ("Director"), and/or their designee, to promptly sign and deliver the Contract and related Project documents.

Section 5. Prior to execution of the Contract and related Project documents, the Superintendent, Associate Superintendent, Director, and/or their designee, in

consultation with District legal counsel, may make such non-substantive revisions to those documents as may be advisable and/or necessary.

Section 7. The Board of Education hereby approves the Contract with Camali Corporation in the amount of $231,400.48, subject to the terms and conditions of the Contract.

Section 8. This Resolution shall take effect immediately upon being approved by the Board of Education, and shall remain in effect until repealed, rescinded, or superseded by action of the Board of Education.

The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to redeem the Series 2026 Bonds, and to pay the principal, redemption premium, if any, and interest thereon, and all fees and expenses of the Paying Agent, insofar as permitted by law, including specifically by Section 15232 of the California Education Code, as and when the same become due.

This pledge and grant shall be valid and binding from the date hereof for the benefit of the Owners of the Bonds and successors thereto. The property taxes and amounts held in any interest and sinking fund of the District shall be immediately subject to this pledge and grant, and the pledge and grant shall constitute a lien and security interest which shall immediately attach to (i) the property taxes and (ii) the amounts held in any interest and sinking fund of the District. This pledge and grant shall secure the payment of such Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant and without the need of any physical delivery, recordation, filing, or further act. The pledge and grant is an agreement between the District and the Owners of Bonds to provide security for the Bonds in addition to any statutory lien that may exist, and the Bonds secured by the pledge and grant are or were issued to finance one or more of the projects specified in the applicable voter-approved measure.

(g) *Insurance.* The payment of principal of and interest on all or a portion of the Series 2026 Bonds may be enhanced by a municipal bond insurance policy as shall be described in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized to apply for, or cause to be applied for, municipal bond insurance for the Series 2026 Bonds and to obtain such insurance if doing so puts the Series 2026 Bonds (or portion thereof) and the marketing thereof on an economically advantageous basis and is deemed to be in the best interests of the District. The Authorized Officers are each hereby authorized, for and in the name and on behalf of the District, to execute and deliver a contract or contracts for such insurance if such contract is deemed by the Authorized Officer executing the same to be in the best interests of the District, such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract. If the Authorized Officers so deem and obtain municipal bond insurance, and such insurance is issued by a mutual insurance company, the Authorized Officers are each hereby authorized to enter into any required mutual insurance agreement substantially in such insurer's standard form with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of such agreement by such Authorized Officer.

Section 7. Redemption Provisions. (a)(a) *Optional Redemption*. The Series 2026 Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that the Series 2026 Bonds shall not be subject to optional redemption.

(b) *Selection.* If less than all of the Series 2026 Bonds, if any, are subject to such redemption and are called for redemption, such Series 2026 Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District (or as otherwise set forth in the Bond Purchase Agreement), and if less than all of the Series 2026 Bonds of any given maturity are called for redemption, the portions of such Series 2026 Bonds of a given maturity to be redeemed shall be determined by lot in any manner deemed fair by the Paying Agent (or as otherwise set forth in the Bond Purchase Agreement).

(c) *Mandatory Sinking Fund Redemption*. The Series 2026 Bonds, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise directed by the District by the amount of any Series 2026 Bonds of that maturity redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Series 2026 Bonds shall not be subject to mandatory sinking fund redemption. The Auditor-Controller is hereby authorized to create such sinking funds or accounts for the term Series 2026 Bonds as shall be necessary to accomplish the purposes of this Section.

(d) *Notice of Redemption*. Notice of any redemption of the Series 2026 Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 20 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the Series 2026 Bonds and the date of issue of the Series 2026 Bonds; (iii) the redemption date; (iv) the redemption price; (v) the series of Series 2026 Bonds and the dates of maturity or maturities of Series 2026 Bonds to be redeemed; (vi) if less than all of the Series 2026 Bonds of a series of any maturity are to be redeemed, the distinctive numbers of the Series 2026 Bonds of each maturity of such series to be redeemed; (vii) in the case of Series 2026 Bonds of a series redeemed in part only, the respective portions of the principal amount of the Series 2026 Bonds of each maturity of such series to be redeemed; (viii) the CUSIP number, if any, of each maturity of Series 2026

Bonds of a series to be redeemed; (ix) a statement that such Series 2026 Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Series 2026 Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) *Effect of Notice*. A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Series 2026 Bonds called for redemption or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Series 2026 Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Series 2026 Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Series 2026 Bonds at the place specified in the notice of redemption, such Series 2026 Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Series 2026 Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the interest and sinking fund of the District established therefor or the trust fund established for such purpose. All Series 2026 Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the Owners of the Series 2026 Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption monies are not available in the interest and sinking fund established for the Series 2026 Bonds or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Series 2026 Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Series 2026 Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) *Funds for Redemption*. Prior to or on the redemption date of any Series 2026 Bonds there shall be available in the interest and sinking fund of the District established for the Series 2026 Bonds, or held in trust for such purpose as provided by law, monies

for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Series 2026 Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Series 2026 Bonds to be redeemed upon presentation and surrender of such Series 2026 Bonds, provided that all monies in the interest and sinking fund of the District established for the Series 2026 Bonds shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the interest and sinking fund of the District established for the Series 2026 Bonds, unless otherwise provided to be paid from such monies held in trust. If, after all of the Series 2026 Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the interest and sinking fund of the District established for the Series 2026 Bonds or otherwise held in trust for the payment of the redemption price of the Series 2026 Bonds, the monies shall be held in or returned or transferred to any interest and sinking fund of the District for payment of any outstanding Bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of Bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such Bonds. If no such Bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) *Defeasance of Bonds*. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Series 2026 Bonds all or any part of the principal, interest and premium, if any, on the Series 2026 Bonds at the times and in the manner provided herein and in the Series 2026 Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District and of the County as provided in Section 6 hereof, and such obligation and all agreements and covenants of the District to such Owners hereunder and under the Series 2026 Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Series 2026 Bonds, but only out of monies on deposit in the interest and sinking fund established for the Series 2026 Bonds or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Series 2026 Bonds by depositing in trust with the Paying Agent, or an escrow agent selected by the District, at or before maturity, money and/or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the interest and sinking fund of the District

established for the Series 2026 Bonds, be fully sufficient to pay and discharge the indebtedness on such Series 2026 Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(i) *Unclaimed Monies*. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Series 2026 Bonds and remaining unclaimed for two years after the principal of all of the Series 2026 Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to any interest and sinking fund of the District for payment of any outstanding Bonds of the District payable from the fund; or, if no such Bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 8. Paying Agent. (a)(a) *Appointment; Payment of Fees and Expenses*. This Board of Education does hereby consent to and confirm the appointment of U.S. Bank Trust Company, National Association, to act as the initial Paying Agent for the Series 2026 Bonds. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Series 2026 Bonds, or from the interest and sinking fund of the District established for the Series 2026 Bonds, insofar as permitted by law, including specifically by Section 15232 of the California Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent*. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, the District shall appoint a successor Paying Agent, which shall be the Treasurer of the County, including his or her designated agents and any third party that the Treasurer contracts with to perform the services of Paying Agent under this Resolution, or any bank, trust company, national banking association or other financial institution, doing business in and having a corporate trust office in California, with at least $100,000,000 in net assets.

(c) *Principal Corporate Trust Office*. The initial Paying Agent, and any successor Paying Agent, shall designate each place or places where it will conduct the functions of transfer, registration, exchange, payment, and surrender of the Series 2026 Bonds, and any reference herein to the "principal corporate trust office" of the Paying Agent shall mean the office so designated for a particular purpose, which includes the office of the Treasurer of the County, or the office of the Treasurer's designated agents, if the Treasurer of the County is acting in the capacity of Paying Agent. If no office is so designated for a particular purpose, such functions shall be conducted at the office of U.S. Bank Trust Company, National Association in Los Angeles, California, or the principal corporate trust office of any successor Paying Agent.

(d) *Registration Books*. The Paying Agent shall keep or cause to be kept at its principal corporate trust office, sufficient books for the registration and transfer of the Series 2026 Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Series 2026 Bonds as provided in Sections 9 and 10 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Series 2026 Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District and the County in a format mutually agreeable to the Paying Agent, the District and the County.

(e) *Merger or Consolidation.* Any bank, national banking association or trust company into which the Paying Agent may be merged or converted or with which it may be consolidated or any bank, national banking association or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank, national banking association or trust company to which the Paying Agent may sell or transfer all or substantially all of its corporate trust business, provided such bank, national banking association or trust company shall be eligible under subsection (b) of this Section shall be the successor to such Paying Agent, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 9. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. (a)(a) *Appointment of Depository; Book-Entry System.* Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for each series of the Series 2026 Bonds and the Series 2026 Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of each series or subseries of the Series 2026 Bonds; provided, however, that if different CUSIP numbers are assigned to Series 2026 Bonds of a series or subseries maturing in a single year or, if Series 2026 Bonds of the same series or subseries maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Series 2026 Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor)

from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) *Transfers.* In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Series 2026 Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Series 2026 Bond for each maturity shall be executed and delivered (in the aggregate principal amount of such Series 2026 Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Series 2026 Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Series 2026 Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 5 hereof and the receipt of such a written request of the District, and thereafter, the Series 2026 Bonds shall be transferred pursuant to the provisions set forth in Section 10 hereof; provided, however, that the Paying Agent shall not be required to deliver such new Series 2026 Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) *Partial or Advance Refundings.* In the case of partial redemption or an advance refunding of the Series 2026 Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Series 2026 Bonds indicating the date and amounts of such reduction in principal.

(d) *Treatment of Registered Owner.* The District and the Paying Agent shall be entitled to treat the person in whose name any Series 2026 Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series 2026 Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial

owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Series 2026 Bonds.

(e) *Form of Payment.* So long as the outstanding Series 2026 Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Series 2026 Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 10. Transfer and Exchange. (a)(a) *Transfer.* Following the termination or removal of DTC or successor depository pursuant to Section 9 hereof, any Series 2026 Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2026 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Series 2026 Bond or Series 2026 Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2026 Bond or Series 2026 Bonds, of the same series, maturity, Interest Payment Date and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the payment by any Owner of Series 2026 Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Series 2026 Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2026 Bonds for redemption, and (ii) after any Series 2026 Bond has been selected for redemption.

(b) *Exchange*. The Series 2026 Bonds may be exchanged for Series 2026 Bonds of other authorized denominations of the same series, maturity, Interest Payment Date and interest rate or rates, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2026 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Series 2026 Bond or Series 2026 Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2026 Bond or Series 2026 Bonds of the same series, maturity and Interest Payment Date and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the

payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Series 2026 Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2026 Bonds for redemption, and (ii) after any Series 2026 Bond has been selected for redemption.

Section 11. Bond Purchase Agreement; Sale of Bonds. *(a) Bond Purchase Agreement.* The form of Bond Purchase Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Bond Purchase Agreement in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that (a) the true interest cost for the Series 2026 Bonds shall not be in excess of 6.00%, (b) the interest rates on the Series 2026 Bonds shall not exceed 8.00% per annum, (c) the ratio of total debt service to principal of the Series 2026 Bonds shall not exceed four to one, (d) the Underwriter's discount for the sale of Series 2026 Bonds shall not exceed 0.50% of the principal amount of such Series 2026 Bonds (exclusive of any costs of issuance the Underwriter contracts to pay), and (e) the Series 2026 Bonds shall otherwise conform to the limitations specified herein.

The Bond Purchase Agreement shall recite the aggregate principal amount of the Series 2026 Bonds, and the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Payment Dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any.

(b) *Method of Sale.* The Board of Education hereby finds and determines that the sale of the Series 2026 Bonds at negotiated sale as contemplated herein and by the Bond Purchase Agreement will provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Series 2026 Bonds to fit the needs of particular purchasers, and greater opportunity for the Underwriter to pre-market the Series 2026 Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds.

(c) *Reserves and Capitalized Interest.* In accordance with subsections (i) and (j) of Section 15146 of the California Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in the interest and sinking fund of the District established for the Series 2026 Bonds proceeds of sale of the Series 2026 Bonds (in addition to any premium or accrued interest received by the District) to fund (i)

an annual reserve permitted by Section 15250 of the California Education Code, and/or (ii) capitalized interest in an amount not exceeding the interest scheduled to become due on the Series 2026 Bonds for a period of two years from the date of issuance of the Series 2026 Bonds, as shall be set forth in the Bond Purchase Agreement, if any such deposit is deemed by the Authorized Officer executing the same to be in the best interests of the District.

(d) *Good Faith Estimates.* In accordance with California Government Code Section 5852.1 and subsection (b)(1)(D) of Section 15146 of the California Education Code, good faith estimates of the following have been obtained from the Municipal Advisor and the Underwriter and are set forth on Exhibit A attached hereto: (i) the true interest cost of the Series 2026 Bonds, (ii) the sum of all fees and charges paid to third parties with respect to the Series 2026 Bonds, (iii) the amount of proceeds of the Series 2026 Bonds expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the Series 2026 Bonds, and (iv) the sum total of all debt service payments on the Series 2026 Bonds calculated to the final maturity of the Series 2026 Bonds plus the fees and charges paid to third parties not paid with the proceeds of the Series 2026 Bonds. In accordance with Section 15146(d) of the California Education Code, the actual costs associated with the issuance of the Series 2026 Bonds shall be presented to this Board of Education at its next scheduled public meeting following the sale of the Series 2026 Bonds.

(e) *Costs of Issuance.* In accordance with subsection (h) of Section 15146 of the California Education Code, to the extent not contracted to be paid by the Underwriter, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by a bank, national banking association or trust company meeting the qualifications necessary to be a paying agent set forth in Section 8, as cost of issuance administrator, proceeds of sale of the Series 2026 Bonds (exclusive of any premium or accrued interest received by the District) in an amount not exceeding 2.00% of the principal amount of the Series 2026 Bonds sold, as shall be set forth in the Bond Purchase Agreement, for the purposes of paying the costs associated with the issuance of the Series 2026 Bonds.

Section 12. Continuing Disclosure Certificate. The Continuing Disclosure Certificate, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Continuing Disclosure Certificate in substantially said form, as is necessary to cause the requirements of Rule 15c2-12 to be satisfied, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the Continuing Disclosure Certificate by such Authorized Officer.

Section 13. Preliminary Official Statement. The Preliminary Official Statement to be distributed in connection with the public offering of the Series 2026 Bonds, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of such Preliminary Official Statement by the Underwriter in connection with the offering and sale of the Series 2026 Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12). If and to the extent it is necessary to make substantial changes to the Preliminary Official Statement prior to the offering and sale of the Series 2026 Bonds, the use of the Preliminary Official Statement by the Underwriter in connection with the offering and sale of the Series 2026 Bonds, and the certification of its finality within the meaning of Rule 15c2-12 by an Authorized Officer, shall follow the distribution to the Board of Education of a revised draft of the Preliminary Official Statement with accompanying directions and instructions to members of the Board of Education to review the revised Preliminary Official Statement and provide comments to such Authorized Officer.

Section 14. Official Statement. The preparation and delivery of an Official Statement with respect to the Series 2026 Bonds, and its use by the Underwriter in connection with the offering and sale of the Series 2026 Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of the Series 2026 Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement with respect to the Series 2026 Bonds and any amendment or supplement thereto and thereupon to cause such final Official Statement and any such amendment or supplement to be delivered to the Underwriter.

Section 15. Investment of Proceeds. (a)(a) *Deposit of Proceeds.* As provided in subsection (g) of Section 15146 of the California Education Code, (i) except as permitted by subsections (h), (i) or (j) of Section 15146 of the California Education Code, the proceeds of the sale of the Series 2026 Bonds, exclusive of any premium or accrued interest received by the District, shall be deposited in the County treasury to the credit of the building fund of the District established for the Series 2026 Bonds, (ii) the proceeds deposited in the building fund of the District established for the Series 2026 Bonds shall be drawn out as other school monies are drawn out, and (iii) the bond proceeds withdrawn shall not be applied to any purposes other than those for which the Series 2026 Bonds were issued. In accordance with subsection (g) of Section 15146 of the California Education Code, at no time shall the proceeds of the Series 2026 Bonds

be withdrawn by the District for investment outside the County treasury. Amounts in the building fund of the District established for the Series 2026 Bonds shall be invested so as to be available for the aforementioned disbursements and the District shall keep a written record of such disbursements. Pursuant to subsection (g) of Section 15146 of the California Education Code, any premium or accrued interest received by the District from the sale of the Series 2026 Bonds, shall be deposited in the interest and sinking fund of the District established for the Series 2026 Bonds.

(b) *Investment of Proceeds.* All funds held in the interest and sinking fund of the District established for the Series 2026 Bonds shall be invested at the discretion of the Treasurer of the County pursuant to State law, including California Government Code Section 53601 *et seq.*, and the investment policy of the County, as either may be amended or supplemented from time to time. Proceeds of the Series 2026 Bonds held in the building fund of the District established for the Series 2026 Bonds shall be invested at the discretion of the Treasurer of the County pursuant to State law, including California Government Code Section 53601 *et. seq.,* and the investment policy of the County, as either may be amended or supplemented from time to time.

(c) *Investment Agreements.* To the extent permitted by law, at the written request of an Authorized Officer, each of whom is hereby expressly authorized to make such request, all or any portion of the building fund of the District established for the Series 2026 Bonds may be invested on behalf of the District, in investment agreements, including guaranteed investment contracts, float contracts or other investment products (collectively, "Investment Agreements"), which comply with the requirements of each rating agency then rating the Series 2026 Bonds necessary in order to maintain the then-current rating on the Series 2026 Bonds. Pursuant to Section 5922 of the California Government Code, the Board of Education hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Series 2026 Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Series 2026 Bonds and funds held to pay the Series 2026 Bonds.

Section 16. Tax Covenants. (a)(a) *General.* The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on any Tax-Exempt Series 2026 Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District on the date of issuance of any Tax-Exempt Series 2026 Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Series 2026 Bonds.

(b) *Yield Restriction.* In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer of the County on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer of the County in writing, and the District shall make its best efforts to ensure that the Treasurer of the County shall take such action as may be necessary in accordance with such instructions.

(c) *Reliance on Opinion of Bond Counsel.* Notwithstanding any provision of this Section, if the District shall provide to the Treasurer of the County an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on any Tax-Exempt Series 2026 Bonds under Section 103 of the Code, the Treasurer of the County may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

Section 17. Professional Services. California Financial Services shall serve as Municipal Advisor to the District for the Series 2026 Bonds. Orrick, Herrington & Sutcliffe LLP shall serve as bond counsel and disclosure counsel to the District for the Series 2026 Bonds. Piper Sandler & Co. shall serve as Underwriter for the Series 2026 Bonds.

Section 18. Delegation of Authority. The Authorized Officers are, and each of them is, hereby authorized and directed, jointly and severally, to execute and deliver, for and on behalf of the District, any and all agreements, documents, certificates and instruments, and to do and cause to be done any and all things, which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, including, without limitation, negotiating the terms of the insurance policy, if any, referred to herein.

Section 19. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the issuance and sale of the Series 2026 Bonds, or in connection with or related to any of the agreements, documents, certificates or instruments referred to herein, are hereby approved, confirmed and ratified.

Section 20. Debt Management Policy; Notice to California Debt and Investment Advisory Commission. With the passage of this Resolution, the Board of Education hereby certifies that the Debt Management Policy complies with California Government Code Section 8855(i), and that the Series 2026 Bonds authorized to be issued pursuant to this Resolution are consistent with such policy, and instructs Bond Counsel, on behalf of the District, with respect to each series of Series 2026 Bonds issued pursuant to this Resolution, (a) to cause notices of the proposed sale and final sale of the Series 2026

Bonds to be filed in a timely manner with the California Debt and Investment Advisory Commission pursuant to California Government Code Section 8855, and (b) to check, on behalf of the District, the "Yes" box relating to such certifications in the notice of proposed sale filed pursuant to California Government Code Section 8855.

Section 21. Electronic Signatures; DocuSign. The Board of Education hereby approves the execution and delivery of all agreements, documents, certificates and instruments referred to herein with electronic signatures as may be permitted under the California Uniform Electronic Transactions Act and digital signatures as may be permitted under Section 16.5 of the California Government Code using DocuSign.

Section 22. Filing with County. The Superintendent, or such other officer or employee of the District as the Superintendent may designate, is hereby authorized and directed to report to the Auditor-Controller of the County the final terms of sale of the Series 2026 Bonds, and to file with the Auditor-Controller and with the Treasurer of the County a copy of the executed Bond Purchase Agreement and this Resolution, and the schedule of amortization of the principal of and payment of interest on the Series 2026 Bonds, and to file with the Treasurer of the County a proposed schedule of draws on the building fund of the District established for the Series 2026 Bonds, and this Resolution shall serve as the notice required to be given by Section 15140(c) of the California Education Code and as the District's request to the Auditor-Controller of the County and the Board of Supervisors of the County to propose and adopt in each year a tax rate applicable to all taxable property of the District for payment of the Series 2026 Bonds, pursuant to law; and to the other officers of the County to levy and collect said taxes for the payment of the Series 2026 Bonds, to pay in a timely manner to the Paying Agent on behalf of the Owners of the Series 2026 Bonds the principal, interest, and premium, if any, due on the Series 2026 Bonds in each year, and to create in the County treasury to the credit of the District a building fund and an interest and sinking fund for the Series 2026 Bonds pursuant to Section 15146 of the California Education Code.

Section 23. Contract with Bondholders. The provisions of this Resolution shall be a contract with each and every Owner of Bonds and the duties of the District and of the Board of Education and the officers of the District shall be enforceable by any Owner of Bonds by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

Section 24. Amendments. This Resolution may be modified or amended without the consent of the Owners of the Series 2026 Bonds (a) to add to the covenants and agreements of the District in this Resolution contained other covenants and agreements thereafter to be observed or to surrender any right or power herein reserved to or conferred upon the District, (b) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision contained in this Resolution, (c) to permit the qualification of this Resolution under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in

effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, (d) to cause interest on any Tax-Exempt Series 2026 Bonds to be excludable from gross income for purposes of federal income taxation by the United States of America; and (e) in any other respect whatsoever as the District may deem necessary or desirable, provided that such modification or amendment does not, as set forth in a written certificate of the District, materially adversely affect the interests of the Owners hereunder. For any other purpose, this Resolution may be modified or amended only with the consent of the Owners of a majority of the aggregate principal amount of all Series 2026 Bonds then outstanding; provided that any such modification or amendment to Section 6(f) or Section 23 shall require the consent of the Owners of a majority of the aggregate principal amount of all Bonds then outstanding. No such modification or amendment shall extend the maturity of, reduce the interest rate or redemption premium on or principal amount of any Series 2026 Bond or reduce the percentage of consent required for amendment hereof without the express consent of all the Owners so affected.

Section 25. Indemnification of County. The District shall indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees ("Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject because of action or inaction related to the adoption of any resolution by the Board of Supervisors of the County authorizing the District to issue and sell the Series 2026 Bonds without the further action of the Board of Supervisors pursuant to Sections 15140 and 15146 of the California Education Code, as permitted by Section 53508.7 of the California Government Code. The District shall also reimburse any such Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

Section 26. Interpretation. The terms of this Resolution shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the issuance of, and issue, the Series 2026 Bonds in accordance with the provisions of the agreements, documents, certificates and instruments described herein on the terms set forth in this Resolution.

Section 27. Effective Date. This Resolution shall take effect from and after its date of adoption.

Such good faith estimates have been provided to the District by California Financial Services, as the District's financial advisor under California Education Code Section 15146(b)(1)(C) and the District's municipal advisor under Section 15B of the Securities Exchange Act of 1934 (the "Municipal Advisor"), and by Piper Sandler & Co., the underwriter of the Series 2026 Bonds (the "Underwriter").

Principal Amount. The Municipal Advisor and the Underwriter have informed the District that, based on the District's financing plan and market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the aggregate principal amount of the Series 2026 Bonds to be sold in a public offering is $90,000,000 (the "Estimated Principal Amount").

True Interest Cost of the Series 2026 Bonds. The Municipal Advisor and the Underwriter have informed the District that, assuming that the Estimated Principal Amount of the Series 2026 Bonds is sold, and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the true interest cost of the Series 2026 Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Series 2026 Bonds, is 4.86%.

Finance Charge of the Series 2026 Bonds. The Municipal Advisor and the Underwriter have informed the District that, assuming that the Estimated Principal Amount of the Series 2026 Bonds is sold, and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the finance charge for the Series 2026 Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Series 2026 Bonds), is $645,000, as follows:

a)	Underwriter's Discount	$405,000

*A municipal bond insurance policy with respect to the Series 2026 Bonds may be obtained if economically advantageous to the District.

Amount of Proceeds to be Received. The Municipal Advisor and the Underwriter have informed the District that, assuming that the Estimated Principal Amount of the Series 2026 Bonds is sold, and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the amount of proceeds expected to be received by the District for sale of the Series 2026 Bonds, less the finance charge of the Series 2026 Bonds, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the Series 2026 Bonds, is $89,355,000.

Total Payment Amount. The Municipal Advisor and the Underwriter have informed the District that, assuming that the Estimated Principal Amount of the Series 2026 Bonds is sold, and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the Series 2026 Bonds, plus the estimated finance charge for the Series 2026 Bonds, as described above, not paid with the proceeds of the Series 2026 Bonds, calculated to the final maturity of the Series 2026 Bonds, is $184,934,000.

The foregoing estimates constitute good faith estimates only and are based on market conditions prevailing at the time of preparation of such estimates. The actual principal amount of the Series 2026 Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates for a variety of reasons, including, without limitation, due to (a) the market conditions prevailing on the actual date of the sale of the Series 2026 Bonds being different than the market conditions prevailing at the time of preparation of the estimates contained herein, (b) the actual principal amount of Series 2026 Bonds sold being different from the Estimated Principal Amount, (c) the actual amortization of the Series 2026 Bonds being different than the amortization assumed for purposes of preparing the estimates contained herein, (d) the actual interest rates at which the Series 2026 Bonds are sold being different than those estimated for purposes of preparing the estimates contained herein, (e) other market conditions, or (f) alterations in the District's financing plan, or a combination of such factors. The actual interest rates borne by the Series 2026 Bonds will depend on market conditions at the time of sale thereof. The actual amortization of the Series 2026 Bonds will also depend, in part, on market conditions at the time of sale thereof. Market conditions, including, without limitation, interest rates are affected by economic and other factors beyond the control of the District, the Municipal Advisor and the Underwriter. The Board of Education has approved the issuance of the Series 2026 Bonds with a maximum true interest cost of 6.00%.

APPROVE AN AGREEMENT WITH APPROVE AN AGREEMENT WITH SMARTPASS INC - CARTER HIGH SCHOOL

BACKGROUND:

SmartPass Inc. is a Philadelphia based company founded in 2019 in New York. The company focuses on digital solutions for student accountability in educational environments. SmartPass is the ultimate solution for hallway management, it helps increase time in class, makes your school safer, and curbs vandalism. A SmartPass is a digital version of a traditional paper hall pass or room block that authorizes a student to be outside a particular classroom at a specific time. Just like the physical counterparts, students need passes for the time they are in the hallway. However, unlike a physical hall pass, a student does not need to carry their mobile device or laptop with them in the hallways. Teachers and Administrators can see a live view of which Students are in the hallways and can search from the list, so every Student is accounted for digitally.

REASONING:

SmartPass will help with hallway management and attendance improvement. The passes that a teacher creates can see a live countdown of how much time the students have to complete their trip. Teachers may create a buffer time and if not reached, it alerts the teacher and admin. The pass will help to keep the hallways cleared at all times.

RECOMMENDATION:

To provide support in Carter High School attendance improvement for the 2026-2027 school year effective August 27, 2026, through June 2, 2027, at a cost not to exceed $11,000.00, and to be paid from the General Fund (Title I).

APPROVE AN AGREEMENT WITH AB104 CALIFORNIA ADULT EDUCATION PROGRAM (CAEP) - RIALTO ADULT SCHOOL

BACKGROUND:

In 2020 - 2021 this grant became the California Adult Education Program (CAEP). REASONING:

Rialto Adult School would like to participate in the SBCCD program as it is designed for the purpose of implementing the consortium's regional plans for adult education as per AB104. The intent of the AB104 (CAEP) is to expand and improve the provision of adult education in the community, implement the annual plan, integrate existing programs between high schools, postsecondary, and workforce institutions within Adult Education programs, and advance faculty and staff professional development programs utilizing AB104 (CAEP) consortium funds.

RECOMMENDATION:

APPROVE AN OVERNIGHT TRIP TO 2026 HURRICANE DRILL MEET - RIALTO HIGH SCHOOL

BACKGROUND:

The Hurricane Drill Meet is an annual JROTC, Junior Reserve Officers' Training Corps, military drill competition hosted by Kapolei High School in Kapolei, Hawaii. JROTC competitions evolved from the program's 1916 implementation, formalizing events like the National High School Drill Team Championship in 1982. High school JROTC drill meet competitions test cadets in precision marching, military bearing, uniform inspection and team work. Units compete against other schools in specific structured events like armed and unarmed drill, color guard presentations, exhibitions routines, and synchronized marching.

APPROVE A MEMORANDUM OF UNDERSTANDING (MOU) WITH SAN BERNARDINO VALLEY COLLEGE CORPS

BACKGROUND:

The College Corps Program is a statewide initiative developed in partnership with California colleges and universities and is open to all students, including AB540 California Dream Act students. Its goals are to develop civic-minded leaders, help low- to moderate-income students graduate on time with less debt, and address societal challenges to build more equitable communities. These goals align with Rialto Unified School District's mission, and the STEM Service Area has been selected as a Host Partner Site for the third time. During the 2026–27 program year, at least three College Corps Fellows will each provide a minimum of 450 service hours at no cost to the district. Fellows will support K–12 education, climate action, and food insecurity projects through the STEM Center, FYRE Institute & International Healing Garden, and STEMCARES.

REASONING:

This partnership is congruent with strategic plan Strategy II: We will create formations to ensure resources and assets are allocated and developed to directly support students. The district has invested valuable resources in the STEM Center, gardens and groves, and FYRE Institute & International Healing Garden and the goal is to offer additional children's museum and outdoor learning style services to students and Rialto families in the areas of science, environmental resiliency, climate action, and food security. This partnership will allow for better support and management of the STEM Center, FYRE Institute & International Healing Garden, and site gardens and groves and the museum style exhibits found within those locations.

RECOMMENDATION:

To approve the College Corps. Partnership Agreement MOU 2026-2027 to allow a minimum of three (3) College Corps Fellows to support the Rialto STEM Service Area at various District locations, effective August 27, 2026, through June 30, 2027, at no cost to the District.

Through this Memorandum of Understanding (MOU), La Sierra University will offer Direct Admission opportunities to eligible RUSD high school students based on established academic criteria and data-sharing protocols. This partnership is intended to increase college access, streamline the admissions process, and support postsecondary success for Rialto Unified students.

REASONING:

Under the terms of the agreement, La Sierra University will review student academic data, as permitted through an existing Data Sharing Agreement, to identify students who meet the University's Direct Admission eligibility requirements, including a minimum 2.75 GPA and completion of required coursework. Eligible students will receive an official Offer of Admission without the need to complete a traditional admissions application, though additional enrollment verification steps will still be required. The MOU also establishes collaboration between RUSD and La Sierra University regarding communication, student outreach, informational presentations, and annual review of partnership outcomes. The agreement aligns with the District's commitment to increasing college readiness and expanding access to higher education pathways for all students.

RECOMMENDATION:

Approve the Memorandum of Understanding between La Sierra University and Rialto Unified School District for the implementation of a Direct Admissions partnership for eligible Rialto Unified School District high school students, effective August 27, 2026, through June 30, 2027, at no cost to the District.

APPROVE A MEMORANDUM OF UNDERSTANDING WITH CALIFORNIA STATE UNIVERSITY SAN BERNARDINO

BACKGROUND:

The District has a previously established local Institution of Higher Education (IHE) partnership with Cal State University, San Bernardino (CSUSB) for a comprehensive initiative called “Teach Rialto,” which offers multiple pathways for individuals interested in pursuing a career in teaching. The Rialto Career Technical Education pathway provides opportunities for high school students interested in exploring education as a profession to develop essential teaching skills, earn college credit while still in high school, and receive enrollment support. The Project Impact pathway is available to current District employees (primarily for males of color) who wish to complete their bachelor’s degree and teaching credential. The District Teacher Residency Program pathway continues its partnership with California State University San Bernardino School of Teacher Education to meet teacher shortage areas while increasing preparation for new teachers. The vision of CSUSB’s Watson College of Education is to be the “premier provider of teachers…and educational leaders.” CSUSB’s core beliefs center around diversity as a treasured asset, a collaborative teaching and learning community, and fostering human development by seeking social justice as the foundation for their work. CSUSB will support the RUSD Teacher Residency Program by customizing instruction for Residents based on the District's needs and collaborate with the Residency Program Leads to facilitate training, including lesson planning, classroom management, student engagement, and more. Furthermore, the District has been awarded the Teacher Residency Capacity and the Teacher Residency Implementation Grants through the Commission on Teacher Credentialing. These grants require a collaborative partnership with one or more Commission-approved teacher preparation programs offered by a regionally accredited Institution of Higher Education (IHE) to develop the partnership’s capacity and to design and implement a teacher residency program. CSUSB and Alder Graduate School are the IHE’s that partner under the terms of these grants.

REASONING:

The District Teacher Residency Program is a partnership between Rialto Unified School District (RUSD) and Cal State University San Bernardino. In one year, Residents complete the RUSD Teacher Residency Program and will graduate with a Commission approved teaching credential; if they choose, residents can transfer 18 units from their CSUSB credential program to obtain their Master's in Education. CSUSB will contextualize its curriculum and co-teaching for the Mentors and Residents' needs of the RUSD Residency Program. They will hire RUSD residency course instructors and university supervisors to ensure the District-adopted curriculum is promoted. CSUSB will collaborate with RUSD to provide Mentor training, weekly seminars, bi-weekly credential program resident check-ins, classroom visitations, and monthly mentoring sessions. CSUSB will fully support Program Leads in developing curriculum, coaching, feedback, mentoring, and networking for the resident teachers and mentors. The RUSD Teacher Residency Program has begun its third year and is servicing 36 Resident Teachers in Cohort 2 for the 2026-2027 school year.

RECOMMENDATION:

To approve the agreement with California State University San Bernardino as the partner institution of higher education, effective August 15, 2026 through June 30, 2031, at no cost to the District.
