

2026-2027 SCHOOL PROFILE

Founded in 1986, Christian Heritage School (CHS) is a coeducational, college-preparatory, independent, Christian school for grades K-12 located in Dalton, Georgia. CHS offers a Christ-centered worldview while providing *Academics that Challenge, Athletics that Build, Arts that Inspire, and Active Faith that Endures*. The school's philosophy is best stated in the school's mission: *Educating Children to Serve Christ*.

At CHS, the results of our hard work and dedication to our students are not measured in mere statistics or numbers, but in the prepared hearts and minds of our graduates. Our goal is not to build perfect children, but wise, thoughtful adults ready to take on the challenges of our next generation, ready to lead, prepared to fight for what is good, to love rightly, and to serve selflessly.

DISTINCTIVES

PREPARATION FOR COLLEGE AND BEYOND

CHS students take four assessments throughout the high school curriculum (*Holland Career Code*, *Multiple Intelligences*, *Myers-Briggs Personality Indicator*, *YouScience Aptitude Test*) to understand how God has uniquely designed and hard-wired them in order to better understand a plan and purpose for their life. They may not leave CHS knowing all of the answers, but they will leave asking themselves the essential questions.

Each fall and spring, CHS high school students research, schedule, and attend a college admissions tour. By the time of graduation, students have visited *many different colleges and universities*.

THE CLASSROOM

As a student-centered institution, CHS offers a variety of teaching methodologies, including but not limited to, problem and project-based learning methods through methods such as *Harkness* and *discussion-based humanities courses*. These methods promote robust engagement in critical thinking and persuasive articulation of student conclusions.
