General Information

Purpose

In September 2023, the State Board of Education re-adopted N.J.A.C. 6A:7, Managing for Equity in Education, which outlines responsibilities for achieving and maintaining compliance with all state and federal laws governing equity in educational activities and programs. As a result, all school districts, including charter schools and renaissance school projects are mandated to develop a three-year Comprehensive Equity Plan (CEP). The responsibility of each board of education of every public school district and charter school or renaissance school project board of trustees in New Jersey is to identify and correct all discriminatory and inequitable policies, programs, practices and conditions within or affecting its schools. The role of the New Jersey Department of Education (NJDOE) is to ensure that each district, charter school or renaissance school project complies with equity requirements, and to provide guidelines to accomplish that result.

The CEP enables school districts, charter schools and renaissance school projects to demonstrate compliance with all applicable laws, codes, and regulations, including, but not limited to, the following:

Federal Laws

- Titles VI and VII of the Civil Rights Act of 1964
- Title IX of the Education Amendments of 1972
- Section 504 of the Rehabilitation Act of 1973
- Equal Pay Act
- The Americans with Disabilities Act of 1990
- Individuals with Disabilities Education Act (I.D.E.A.)

State Laws

- Article I, Paragraph 5 of the New Jersey State Constitution
- N.J.S.A.18A:36-20, Equality in Educational Programs
- N.J.S.A.10:5 New Jersey Law Against Discrimination
- New Jersey Administrative Code (N.J.A.C.) 6A:7
- N.J.S.A. 18A:35-1, History of the United States and New Jersey
- N.J.S.A. 18A:36-20, Prohibition of Discrimination

Questions

Questions regarding the development, submission, and implementation of the Comprehensive Equity Plan may be sent to countyoffice@doe.nj.gov. Additionally, questions may be directed to the county education specialist at the County Office of Education. The contact list for the county offices of education is available on the NJDOE [County Information and Services](#) webpage.

Submission Deadlines

School districts, charter schools and renaissance school projects must submit the CEP for school years 2025-26 through 2027-28 and corresponding forms to the **County Office of Education** for review and certification of completion no later than **Monday, June 23, 2025**. Pursuant to N.J.A.C. 6A:7-1.8(d), implementation of the CEP for school years 2025-26 through 2027-28 shall begin within 60 days of the Executive County Superintendent's (ECS) certification of completion.

Instructions For Completion of the Comprehensive Equity Plan

Step 1: Designate the Affirmative Action Officer and Establish the Affirmative Action Team N.J.A.C. 6A:7-1.5 (Appendix A)

Each school district, charter school or renaissance school project shall annually designate a member of its staff as the affirmative action officer (AAO) and provide a resolution approving the AAO. The district, charter school or renaissance school project shall form an affirmative action team (AAT) — a minimum of three individuals — of whom the AAO is a member, to conduct a needs assessment and to develop the CEP. The NJDOE encourages school districts, charter schools and renaissance school projects to ensure a diverse stakeholder group and to invite a member of the community as part of the team. The members of the AAT must be identified on the form provided in this manual (Appendix A) Affirmative Action Team.

Step 2: Analyze Data to Assess Needs for Achieving Equity N.J.A.C. 6A:7-1.4(c)1

Each school district, charter school or renaissance school project board shall assess the school district's needs for achieving equity in educational activities and programs based on an analysis of data including, but not limited to, National Assessment of Educational Progress and State assessment results, preschool-through-grade-12 promotion/retention data, preschool-through-grade-12 completion rates, and re-examination and re-evaluation of classification and placement of students in special education programs if there is overrepresentation within the protected categories listed at N.J.A.C. 6A:7-1.1(a); staffing practices; student demographic data; attendance data; quality of program data; the Federally mandated Civil Rights Data Collection; student access to educational activities and programs; discipline, graduation rate, and postsecondary enrollment; student, staff, and community member interviews; enrollment and scoring in advanced classes; teacher workforce diversity; and stakeholder satisfaction data.

Step 3: Complete the Comprehensive Equity Plan Needs Assessment (Appendix B)

Each school district, charter school or renaissance school project board shall use Appendix B entitled, "District, Charter School and Renaissance School Project Needs Assessment" to conduct a needs assessment of each school. This document is intended to be used as a checklist to assist the AAO and the AAT to identify and eliminate discriminatory practices and other barriers to achieving equity in educational activities and programs. The completed Needs Assessment must be submitted to the county office as part of the documentation that accompanies the CEP. When

citing documentation in the Needs Assessment, you must include the document title, date of board of education or board of trustees' adoption and page number in the document being provided. In conducting the needs assessment, the AAT will ascertain whether the school district (and each school within the district), charter school or renaissance school project is in compliance with each requirement in the checklist and whether there are internal monitoring procedures in place to ensure continuing compliance. Those items needing correction or requiring an internal monitoring procedure or system will form the basis for the improvement strategies that will be proposed in the CEP.

The school district, charter school or renaissance school project needs assessment contains three sections:

- I. Board Responsibility — This section sets forth the types of policies and resolutions that the Board must adopt (create if nonexistent, revise if existing but deficient) in order to comply with applicable law. This section outlines specific areas that must be addressed in these policies and resolutions.
- II. Staff Development — Staff development and training on equity matters is required annually for all staff, certificated and non-certificated.
- III. School and Classroom Practices — This section sets forth the equity requirements for four categories: curriculum, student access, guidance, and physical education/athletics.

Note: At the beginning of each section of the needs assessment, the laws and codes that specifically apply to the section have been provided for your convenience. The NJDOE encourages the AAT preparing the CEP to refer to these sources of legal authority and become acquainted with the mandates they contain.

Step 4: Complete the Comprehensive Equity Plan Corrective Action Forms, if applicable (Appendix C)

After identifying items that were not compliant in Appendix B, improvement strategies covering the next three years must be developed for each identified item. For this purpose, forms specific to each assessment section are provided within the packet.

- I. Board Responsibilities
- II. Staff Development
- III. School and Classroom Practices (One for each sub-area: Equity in Curriculum, Equity in Student Access, Equity in Guidance Programs, and Equity in Physical Education/Athletic Programs)

For each form:

Identify Items that were Not Compliant

In Appendix C, enter the section or subsection of items that were not compliant identified in Appendix B. If a school within a district is not compliant; identify the school(s) by name. If the district, charter school or renaissance school project itself is not compliant, write "district wide, charter school-wide or renaissance school project-wide." If one school is out of compliance, the entire district is out of compliance and a plan to address the noncompliant schools must be developed.

Develop Improvement Strategies

List each item that was not compliant from the corresponding number in Appendix B, together with the strategies/activities you will use to improve or correct the deficiency. A district, charter school or renaissance school project should ensure that its strategies are specific, measurable, achievable, realistic and time-bound (S.M.A.R.T.).

Assign Staff Responsible

List the names and titles of the personnel that will implement the proposed strategies and activities.

Plan the Implementation Timeline

Indicate the year or specific timeframe that the strategy or activity will take place, (i.e. 2025-2026 school year; 2026-2027 school year, ongoing, etc.).

Provide Evidence of Completion

List the indicator(s) and/or documentation that will be made available for review, if requested, which will verify that the identified item is being or was corrected. Use qualitative or quantitative methods depending on the item that is being corrected. This will set forth the basis for approval of the CEP by the district board of education. The CEP is incomplete if this information is not included. Pursuant to N.J.A.C. 6A:7-1.4(c)4, submission of an incomplete CEP will result in the ECS returning the CEP to the school district, charter school, or renaissance school project for revision.

Step 5: Complete the Statement of Assurance (Appendix D)

The Statement of Assurance is submitted with the Comprehensive Equity Plan to ensure district, charter school or renaissance school project compliance with statute and code. The chief school administrator, charter school or renaissance school project lead person must sign and date the Statement of Assurance in the space indicated at the bottom of the form.

Step 6: Obtain Board Resolutions

The following Board or Board of Trustee (Board) resolutions must be attached to the CEP:

- Annual resolution appointing the Affirmative Action Officer for 2025-2026 school year;
- Board resolution authorizing the Affirmative Action Team to conduct the needs assessment and develop a CEP; and,
- Board resolution approving the CEP and authorizing its submission to the ECS.

Step 7: Assemble the Submission Package

Assemble the submission package in this order:

1. Statement of Assurance (Appendix D)
2. Resolution appointing the Affirmative Action Officer
3. Resolution authorizing the Affirmative Action Team to conduct the needs assessment and develop a CEP;
4. Resolution authorizing the submission of the proposed CEP.
5. List of Affirmative Action Team members (Appendix A)
6. District, Charter School and Renaissance School Needs Assessment (Appendix B)
7. Comprehensive Equity Plan Corrective Action forms, if applicable (Appendix C)

Step 8: Submit the CEP

Submit one (1) original CEP to the County Office of Education on or before Monday, June 23, 2025. The contact list for the county offices of education is available on the NJDOE [County Information and Services](#) webpage.

Each school district, charter school or renaissance school project is required to submit the annual statement of assurance to their respective county office of education by the date established by the NJDOE (Appendix D).

Managing for Equity in Education (N.J.A.C. 6A:7)

Accountability

Each school district, charter school or renaissance school project must review the board approved CEP on an annual basis and submit a statement of assurance regarding the CEP implementation to the County Office of Education no later than the date established by the NJDOE each year. Statements of Assurance forms for each school year are attached as Appendix D.

A sampling of school districts, charter schools or renaissance school projects may be reviewed by the NJDOE on an annual basis for compliance of the approved CEP.

Sanctions

As noted in N.J.A.C. 6A:7-1.8(e), if the district board of education does not implement the comprehensive equity plan within 60 days of the ECS's certification of completion date, or fails to report its progress annually, sanctions deemed to be appropriate by the Commissioner of Education or the Commissioner's designee shall be imposed, and may include action to suspend, terminate or refuse to award continued federal or state financial assistance, pursuant to N.J.S.A. 18A:55-2.

In accordance with N.J.S.A. 18A:36C-7h, renaissance school projects are bound to the laws and regulations that govern charter schools.
