September 2, 2026

Dear Students and Parents,

Welcome back! We are excited to begin the new school year with you!

To apply for free or reduced price meals, you will need to fill out a 2026-2027 Free and Reduced-Price School Meals Application. You can find the application at linqconnect.com, the school website at www.franklin-monroe.k12.oh.us or on Final Forms. The free and reduced applications are also available in the elementary, middle/high school offices or in the cafeteria.

As a reminder, families who have not received an eligibility letter, in the mail or by email, will need to complete an application and send it to me to see if you qualify.

If your child has an allergy to any food, I will need a doctor's note on file.

In addition to the menu items, there are many choices available at lunch. Ala carte items can be purchased at an additional cost. If your student has charges, those charges need to be paid before extra items can be purchased.

If you would like restrictions put on your child's account or have any questions, please contact me at (937) 947-1327 ext. 3006.

Thank you for your previous support. We are looking forward to a great school year.

Sincerely,

Angee Weaver

Food Service Supervisor
