

WELLNESS POLICY: *SMART SNACK*

Due to the increased number of allergens amongst staff and students, this includes classroom parties, snacks brought by parents, or other foods given as incentives, we can only allow **District approved snacks**.

A list of approved foods is available by scanning the **Amazon QR code** below.

If dropping off snacks, be sure to use the **Smart Snack Calculator** and screenshot the approval to provide to the office.

Make arrangements with teacher **prior** to dropping off.

**SMART CHOICES TODAY,
A HEALTHIER TOMORROW!**
