2026/27 MINNETONKA PUBLIC SCHOOLS FOUNDATION GIVING SOCIETY

Giving Societies Pathways to Impact

NEW IN 2026/27 – JOIN A COMMUNITY OF OPPORTUNITY

Every student deserves the opportunity to discover their potential, pursue their passions, and prepare for a successful future. The Minnetonka Public Schools Foundation Giving Society brings together individuals, families, businesses, and community partners who share a commitment to making those opportunities possible.

The Giving Society is built on the belief that philanthropy is as unique as the people who give. Rather than a single path to support, members can create a personalized giving portfolio by combining investments across a menu of opportunities—including sponsorships, designated funds, signature experiences, Endowment gifts, Fund A Dream for Teacher Grants, the Annual Fund, and special focus programs. Together, these investments reflect the causes that matter most to each donor while contributing toward Giving Society recognition levels.
