2026-2027 Parent Income Verification

Why Income Verification Matters

Income verification is essential for every San Juan Unified school. Accurate income information helps maximize funding and ensures students have access to valuable programs and services. Income data is used to determine:

- Local Control Funding Formula (LCFF) funding for school sites

- Title I eligibility

- Priority access to programs and services for eligible students, such as online tutoring, summer learning opportunities, and other supports

All income information is confidential and is used only to determine eligibility for funding and student support programs.

New DC Schedule Change Policy - Read Here

Del Campo's schedule change policy has been updated. **Requests will no longer be done online.** Instead, students must pick up a schedule change request form from the counseling office, (available on the first day of school). Completed forms must include a parent or guardian signature and be returned to the counseling office by August 20th. Thank you for your cooperation!

Students will be able to request a schedule change for the following reasons:

1. Summer School Remediation: passed this course over the summer.
2. Course Failure: failed a required prerequisite course and must repeat it.
3. Graduation or CTE Requirement: I am missing a grade level graduation requirement (non elective) or next CTE progression course.
4. Class Level Error: enrolled in an incorrect grade-level or placement course (e.g., a 9th grader in a 12th-grade class, or Spanish 3 but haven't passed Spanish 1).
5. Missing a Special Program: (Yearbook, Stud Gov, AVID etc.)

Other important student schedule information:

- ◆ Notification of Schedule Approval or Denial: if your schedule change is approved, you will see it in your student Q, additionally your counselor will have a new printed schedule delivered to you. If your schedule is denied, you will not receive notification, the request form will be filed in the counseling office for review.
- ◆ Attendance: You must attend the classes on your schedule even if incorrect until your schedule change has been approved and completed.
- ◆ Finality: If your request is approved and processed, the change is final.
- ◆ The Domino Effect: Moving a class can shuffle your entire schedule around, so choose carefully!
- ◆ Denials: Requests for specific teachers, periods, or to be with friends will be automatically denied.
