 7:35: 2nd Period
 7:50: 3rd Period
 8:05: 4th Period

Admin will also hold a drop in meeting at 6:30 pm in the ACC and a Senior Class Parent meeting in the Cub Gym at 6:30pm. We hope to see you there!

Del Campo High School
Back to School Night
8/26/28

As we begin the school year here at Del Campo, we would like to welcome you to meet your student's teachers and staff. On this night, teachers will review their syllabus, goals and expectations, grading policies, general rules, and regulations. We encourage all parents to attend class meetings where strategies for your student's success at Del Campo will be discussed. Classroom visitations will begin for all grades promptly at 7:05 pm. Because of the abbreviated schedule, time cannot be used for individual parent conferences. If you wish to discuss the grades of an individual student, please schedule an appointment with your student's teacher at a later time.

We look forward to seeing you,

Senior Parent Meeting will be held in the Small Gym at 6:30 pm

Income Verification Form - Please Complete

Why Income Verification Matters

Income verification is essential for every San Juan Unified school. Accurate income information helps maximize funding and ensures students have access to valuable programs and services. Income data is used to determine:

- Local Control Funding Formula (LCFF) funding for school sites
- Title I eligibility
- Priority access to programs and services for eligible students, such as online tutoring, summer learning opportunities, and other supports

All income information is confidential and is used only to determine eligibility for funding and student support programs.

Important information regarding student schedules

Please Read

Del Campo High School Students and Families,

As we begin the school year and finalize student schedules, we have carefully reviewed enrollment across our course offerings. As a result of lower-than-anticipated enrollment in several individual class sections, as well as the need to ensure that our overall master schedule remains balanced, sustainable, and aligned with available staffing and instructional resources, we will need to close a small number of current course sections.

We recognize that any change to a student's schedule can be disappointing and disruptive, particularly when a course reflects an area of academic interest or personal passion. This was not a decision made lightly, and we understand that these changes may require some students to adjust their schedules or consider alternate course options. Our responsibility is to make difficult decisions when necessary while ensuring that we can maintain strong, viable programs and appropriately allocate the resources available to serve all Del Campo students.

When a course section has very low enrollment, continuing to offer that section can create broader challenges for the overall master schedule. However, our commitment to providing students with meaningful and diverse learning opportunities remains unchanged. We will continue to monitor enrollment and scheduling needs throughout the year and will look for opportunities to reopen courses or sections in the spring when enrollment, staffing, and scheduling conditions make doing so possible.

More broadly, we will continue to prioritize expanding and strengthening our course catalog so that Del Campo students have opportunities to pursue both academic rigor and their individual interests. We remain committed to building a master schedule that offers strong academic pathways, rich electives, and enrichment opportunities while making responsible decisions that ensure those programs can be sustained over time.

We appreciate the flexibility and understanding of our students and families as we work through these adjustments. While we recognize that these decisions are difficult, we are confident that they are necessary to maintain a strong, balanced, and sustainable instructional program for all students at Del Campo High School.

Thank you for your continued partnership and support.

New DC Schedule Change Policy - Read Here

Del Campo's schedule change policy has been updated. **Requests will no longer be done online.** Instead, students must pick up a schedule change request form from the counseling office, (available on the first day of school). Completed forms must include a parent or guardian signature and be returned to the counseling office by August 20th. Thank you for your cooperation!

Students will be able to request a schedule change for the following reasons:

1. Summer School Remediation: passed this course over the summer.
2. Course Failure: failed a required prerequisite course and must repeat it.
3. Graduation or CTE Requirement: I am missing a grade level graduation requirement (non elective) or next CTE progression course.
4. Class Level Error: enrolled in an incorrect grade-level or placement course (e.g., a 9th grader in a 12th-grade class, or Spanish 3 but haven't passed Spanish 1).
5. Missing a Special Program: (Yearbook, Stud Gov, AVID etc.)

Other important student schedule information:

Notification of Schedule Approval or Denial: if your schedule change is approved, you will see it in your student Q, additionally your counselor will have a new printed schedule delivered to

you. If your schedule is denied, you will not receive notification, the request form will be filed in the counseling office for review.

Attendance: You must attend the classes on your schedule even if incorrect until your schedule change has been approved and completed.

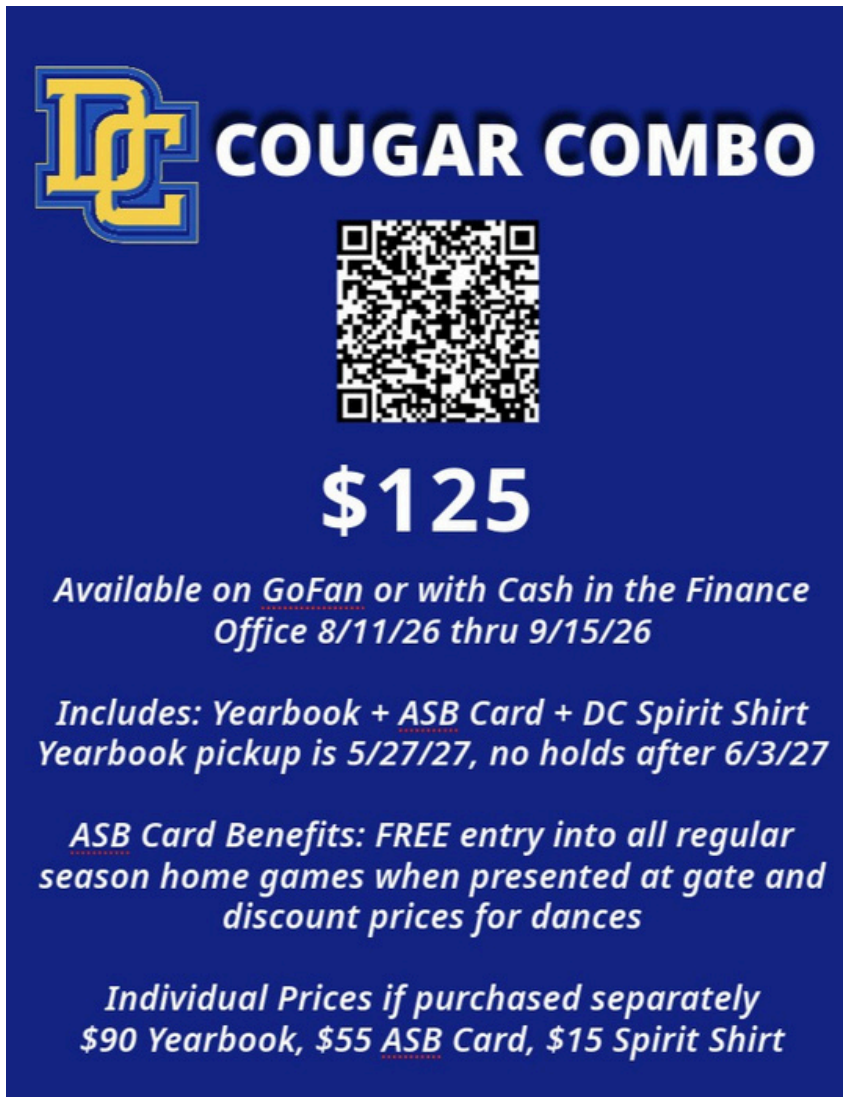

Finality: If your request is approved and processed, the change is final.

The Domino Effect: Moving a class can shuffle your entire schedule around, so choose carefully!

Denials: Requests for specific teachers, periods, or to be with friends will be automatically denied.

IMPORTANT for ALL DC FAMILIES

Update your student's emergency information online today! Prior to receiving a student schedule, you will need to update your student's emergency information online as part of your registration process. Please visit: <https://www.sanjuan.edu/emergencycards>.
