Affordable Health Insurance Solutions for School Districts in **Cook and Surrounding Counties**

MSEBP
Metropolitan Schools Employee Benefits Program

Sponsored by IASA, IASB and IASBO; Brokerage Service Administered by Alliant Insurance Services

Why Choose MSEBP? Learn About Our Success Stories

DuPage County K-12 School District:

Leveraging carrier relationships, Alliant reduced program costs by over $500,000.

McHenry County K-12 School District:

Employees requested more medical plan options which Alliant was able to procure while also reducing overall program costs.

Will County K-12 School District:

Participated in one of the largest state pools but desired a customized program with different plan options. Alliant developed a program to meet their specific needs and streamlined the overall program administration.

Extra Benefit of Enrolling in MSEBP: Pharmacy Benefit Management

Alliant's Pharmacy Team is comprised of PharmD's, PHD's and Pharmacy Consultants with decades of underwriting experience who are able to dig into the details of PBM contracts and negotiate with Blue Cross Blue Shield/Prime Therapeutics to provide competitive offers to clients.

Example 1

Local school district client has 550 employees with BCBS PPO & HDHP/HSA plans (ASO funding). **Alliant was able to save client 18.5% (or $500k annually) with BCBS for their 7/1/24 renewal without changing benefits.**

Example 2

Local school district client has 840 employees with BCBS PPO (ASO funding) & HMO (Cost Plus funding). **Alliant saved this client 20.1% (or $896k annually) with BCBS for their 10/1/24 renewal without changing benefits.**

Cost of Compliance PLUS

FLAT RATE OF

- $5,200 per district. Includes up to 30 hours of remote assistance; additional hours or in-person services are available at an extra charge.
- *Services are provided on a responsive basis; Cheryl and Robert work with districts on the areas they identify as priorities.*
- *This service may align with your district's Risk Management Plan, making tort funds available. Contact your district's legal counsel for further questions.*

What Superintendents Have Said:

"We at least got that back tenfold with the grant opportunities that Robert was able to find for us — and just the comfort knowing that the reports we were submitting were accurate and there were going to be no penalties down the road."

— JASON STABLER, SUPERINTENDENT, BUREAU VALLEY CUSD #340, STARVED ROCK

"The assistance we received on the transportation claim alone justified the cost. Robert, within a matter of half an hour, had responses to our audit findings typed out for us to use. The efficiencies alone free us up to do other things."

— DR. ROGER ALVEY, FORMER SUPERINTENDENT, ILLINI BLUFFS CUSD #327, CENTRAL ILLINOIS VALLEY

"The review of our website, policies, and handbooks helped ensure that we met all requirements during our Regional Office of Education Five Year Compliance Review."

— TIM SCHURMAN, SUPERINTENDENT, CHADWICK-MILLEDGEVILLE CUSD #399, NORTHWEST

"Cheryl has helped ensure our website is up to compliance, kept us current on mandated training updates, and verified that all staff licensure and evaluation credentials are up to date."

— CHRIS MIESNER, SUPERINTENDENT, SPARTA CUSD #140, SOUTHERWESTERN

"I'm not sure I could have done this job this year without their support. I always felt like I had someone else to call and be somewhat vulnerable with — and they would take the time to help me understand and feel competent."

— JACLYN KUCHY, SUPERINTENDENT, NORTH GREENE CUSD #3, TWO RIVERS

"This is the best, very best investment. Robert has helped my new staff navigate GATA, set up inventory systems, and reminded us about indirect costs on grants — and that saved us a lot of money."

— DR. SHARON KHERAT, SUPERINTENDENT, PEORIA SD #150 | 2025 ILLINOIS SUPERINTENDENT OF THE YEAR, CIV

"As a superintendent in a small district, I handle nearly all grants myself. Compliance Plus reduced the time I spend on grants from about 40 hours to 30 — freeing me up for other priorities."

— DR. PAUL O'MALLEY, SUPERINTENDENT, BUTLER SD #53, DUPAGE

Safety iResponse

THE LEADING UNIFIED SAFETY & EMERGENCY MANAGEMENT PLATFORM

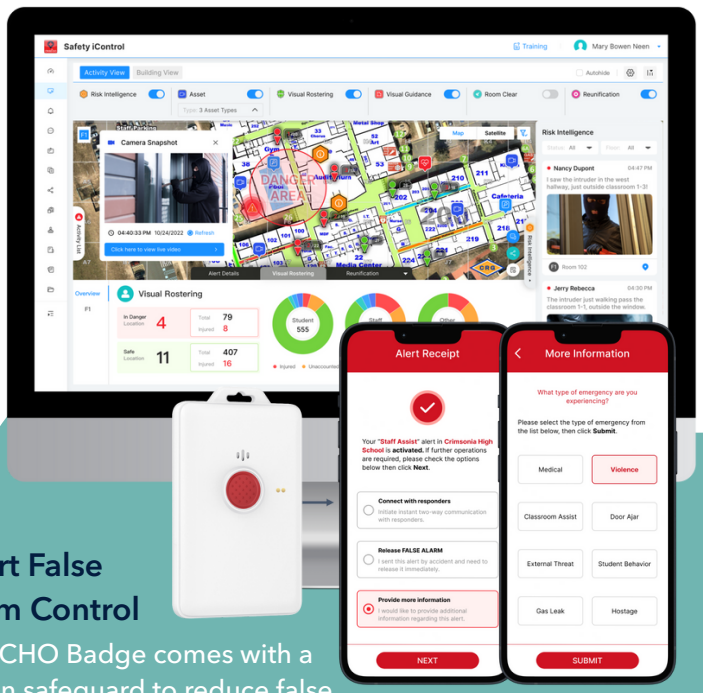

Safety iResponse is used by more than 16,000 schools and organizations, providing ease-of-use, undisputed reliability, and unmatched integration capabilities.

Improve response speed, precision, and enhance situational awareness with an intuitive command center, available on desktop and mobile.

- In-app panic button for silent alerts
- Direct escalation to 911 & first responders
- Group messaging for coordinated communication
- Dashboard for managing various risks
- Over 70 integrations for a comprehensive ecosystem
- Enhance school safety with digital EOPs & assessments
- Account for people with check-in and roster

THE SMARTEST BADGE IN SCHOOL SAFETY

- Alerts can be sent and received, with vibrations and tones, providing real-time two-way communication between staff, safety teams, and first responders.
- Panic alerts instantly link staff, responders, and 911, letting the sender confirm or update the situation in real time.
- Drill Mode and Test Mode let staff safely practice using panic devices without triggering real alerts or 911.
- LoRaWAN gives full, secure coverage across campus with no dead zones or signal issues.
- Assign ECHO Badges for visitors to locate visitors in real time and account for them during emergencies.
- Leverages existing infrastructure to determine accurate alert locations, reducing the need for additional equipment, setup, and ongoing maintenance costs.

Smart False Alarm Control

The ECHO Badge comes with a built-in safeguard to reduce false alarms when a panic alert is triggered.

Complies with Alyssa's Law with silent panic alerts

PLASTICITY BOOM!

Turning Workforce Intelligence into Leadership Action

The Challenge: The Hidden Cost of Workforce Instability

School districts are navigating employee disengagement, turnover, leadership burnout, and increasingly thin leadership pipelines. The challenge isn't a lack of data. It's knowing what the data means, and what to do next.

What We Do

We help districts gather meaningful employee feedback, transform it into actionable insights, and identify the highest-impact opportunities for improvement.

We provide leaders with a pathway to act, eliminating the guesswork on where to start and enabling focused, high-impact decisions that improve retention, create stronger cultures and strengthen teams.

We are not a consulting firm or simply a survey tool.
We are a repeatable system that converts workforce insight into action.

WHAT CLIENTS SAY

"In my 27 years in education, I have participated in and led many initiatives aimed at improving school culture and staff morale. However, this recent process by Plasticity Boom stands out as the most impactful I have ever encountered."

Illinois Middle School Principal

What Districts Gain

Clarity
Identify exactly where engagement, trust and alignment are breaking down.

Action
Receive prioritized recommendations that leaders can implement immediately.

Retention
Address the root causes of turnover before they become staffing crises.

Leadership
Equip supervisors and executives with a clear roadmap for improvement.

Let's Start the Conversation

Every organization has a unique culture and workforce challenge.

Plasticity Boom helps leaders identify what matters most, prioritize meaningful action, and create stronger, more engaged teams.

Why Support IPAC?

What is IPAC?

IPAC is a statewide, non-partisan Political Action Committee (PAC), organized by members of the Illinois Association of School Administrators. It is funded by personal contributions from individual school administrators and the IASA. The dollars are distributed strategically as campaign contributions to legislators from both political parties aligned with our educational mission.

Why support IPAC?

A well-funded IPAC is an essential tool to get legislators to listen to our challenges and support our mission. Your donation ensures IASA keeps its seat at the table, secures face-to-face time with legislators and continues to have meaningful input on education policy. This partnership plays a key role in advancing IASA legislative priorities, reducing unfunded mandates and limiting legislation that could be harmful to school districts. **Contributions are also vital in IASA's ability to block or amend unfunded and curricular mandates introduced each legislative session.**

Questions?

Contact Ashleigh Knudson at 217–753–2213 or aknudson@iasaedu.org.

What has IPAC accomplished?

The dollars have been integral to the success of Vision 20/20, the passage of Evidence-Based Funding and other key legislative victories that have improved public education in Illinois. Your contributions also help block or amend short-sighted legislation that has unintended consequences on student learning.

How much are IPAC Annual Contributions?

Our goal is to have every IASA member support IPAC. In July 2025, the IASA Board of Directors approved increasing the minimum personal contribution to $150 — the first adjustment since IPAC's inception — to enhance the program's strategic impact.

How is your contribution spent?

IPAC contributions position IASA to have legislative success. The funds are used to make strategic campaign contributions and pay costs associated with attending legislative outings and events. Attending these events increases our face-to-face time with legislators, enhancing our advocacy efforts.

Scan to contribute to IPAC today:

A copy of our report is filed with the State Board of Elections and is or will be available for purchase from the State Board of Elections, Springfield, Illinois 62704. Contributions to IPAC are not deductible as charitable or political contributions for federal income tax purposes.
