Instructional Technology Plan - 2026-2029 Instructional Technology Plan**V. NYSED Initiatives Alignment**

Page Last Modified: 03/19/2026

V. NYSED Initiatives Alignment

1. How will the district's use of instructional technology support a comprehensive and sustained effort to improve student performance and academic standards, while also addressing the need to provide equitable learning opportunities "everywhere, all the time" (National Technology Plan)?

To advance our mission of academic excellence and equitable opportunity, our district is committed to leveraging instructional technology as a catalyst for success and lifelong learning. By providing all scholars, staff, and families with reliable access to digital tools, and devices, we ensure that learning can happen everywhere, all the time. This commitment addresses the need for equity and supports continuous learning beyond the school walls.

Our approach centers on fostering strong digital literacy and citizenship, equipping students not only with the technical skills to navigate digital environments, but also with the ethical understanding and academic integrity required in today's world. Through targeted professional learning, we empower educators to design engaging, differentiated lessons using up-to-date digital resources and real-time data, supporting diverse learning styles and needs.

We recognize that technology is most impactful when it is accessible, safe, and purposefully integrated into instruction. By investing in robust infrastructure, cybersecurity, and ongoing support for families and staff, we remove barriers and enable every scholar to reach their potential. Our comprehensive strategy is guided by a commitment to academic standards, digital inclusion, and the development of responsible, independent learners prepared to thrive in a rapidly changing global society.

2. **At the start of the 2026-27 school year, will the district offer full-time virtual instruction to any students? (Select all that apply)**

- ☐ Yes. Our district operates a full-time virtual instruction program.
- ☐ Yes. One or more of our students will attend a program operated by a BOCES or another public school district.
- ☒ None of our students will participate in a full-time virtual instruction program.
- ☐ Other

3. If the district files or has filed a Smart Schools Investment Plan (SSIP) to apply for Smart Schools Bond Act funds, all responses in this survey align with the district's response to any related question(s) in the SSIP.

Yes
