SGHS CELL PHONE POLICY

In compliance with HB959, students may not use personal technology during instructional time.

Cell phones must be silenced or turned off and placed in the classroom phone case in the student's assigned slot immediately upon entry into the classroom.

All other personal technology should be stored in the student's backpack for the entire class period.

Consequences for noncompliance may include verbal warning, parent contact, confiscation of the prohibited device, and other administrative disciplinary consequences.
