Attendance at an Otsego High School dance is a privilege, not a right, and all school rules, regulations, and policies will be strictly enforced by school officials and, when necessary, law enforcement. Students and guests **must arrive no later than one hour after the scheduled start time**; entry will not be permitted after that time, even with a purchased ticket. **NO EARLY DEPARTURES** will be allowed. In the event a student or guest leaves the premises, re-entry is not permitted. **Outside food or drinks are not allowed** and will be discarded at the door. Each Otsego High School student may bring only one guest. All guests must be under 21 years of age, have a completed and approved guest form on file prior to the dance, provide proof of age if requested, and follow the Otsego High School Code of Conduct. Guests who attend another high school must have the principal's signature, and junior high students are not permitted to attend any high school-sponsored dance. **No guest will be admitted the night of the dance without an approved form** on file. The Otsego High School administration reserves the right to deny admission to or remove any student or guest from the dance or school property, and if any issues arise, both the student and guest will be removed and parents will be notified. Smoking, vaping, alcohol, and drugs are strictly prohibited before, during, or at any time on school property, and possession, use, or being under the influence of any such substances will result in immediate removal and disciplinary action.
