

Using the TV in the Auditorium

Turn it on (button is on the back lower left corner of the TV)

Click on Owner

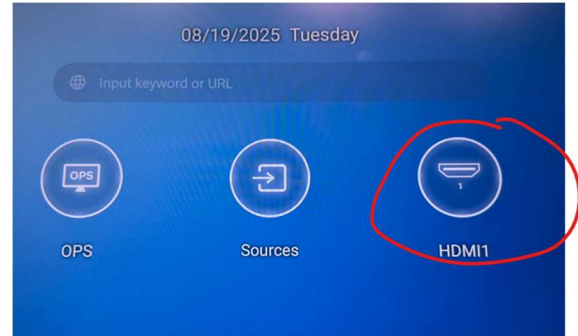

Enter the pin 078113

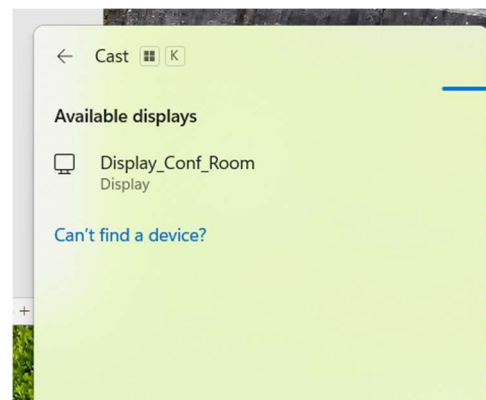

To use the wireless screenshare:

Tap HDMI1 on the screen

It will go black for a few seconds that seem like forever then a Microsoft screen will appear.

On your Windows device press Windows button + K and it will look for the Display_Conf_Room

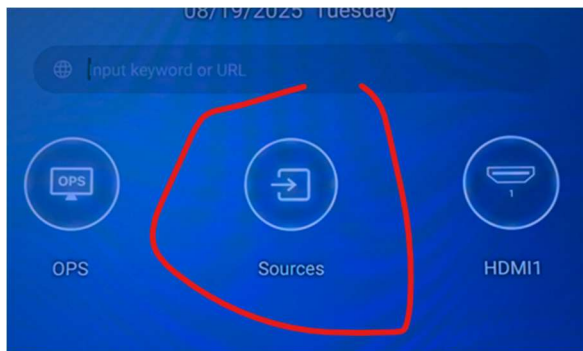

Click it and the TV will say connecting

To use the HDMI cable:

Plug the cable into HDMI2 (lower left side if you are facing the TV)

Tap Sources on the TV (if you need to get back to the sources screen push the sources button on the back should be the one under the power button)

As long as your computer is plugged into HDMI2 it will show as an option. Tap it
