Re: Upper Grade Book Reading Permission

The San Pasqual Union School Library has an **Upper Grade** section containing books written for Middle School students. The books may contain themes, language, or content not deemed appropriate for students in grades TK - 4th, but approved for grades 5th - 8th. To check out books from the Upper Grade section, students must complete this permission slip with a parent/guardian and return it to Mrs. Saldana in person or via email (andi.saldana@sanpasqualunion.net).
