

2026-2027 St. Joseph's Academy Service Directory for Juniors and Seniors

The SJA Service Policy can be found on MySJA and the Service Hour Opportunities Teams Channel.

If a student has questions about the service hour opportunities or does not see an opportunity that would be appropriate for her service hour requirements, she may send an email with the agency name and supervisor contact information to service@sjabr.org for consideration. This directory may be periodically updated as new agencies are approved.

All students should reach out to an organization before going to volunteer. The organizations listed below have their own events and requirements for volunteers. It is the student's responsibility to schedule her own service with the organization.

Once service has been completed, hours should be directly logged into Mobile Serve using the contact information for the supervisor at the site. No paper forms should be given or turned in. The only exception is the Missionaries of Charity at St. Agnes.

Any non-SJA/CHS summer camp must have written approval from the Assistant Campus Minister/Service Coordinator before a student volunteers. SJA's Sizzling Summer and Summer at CHS do not need pre-approval. These summer camp hours count for required hours for freshmen and sophomores only. Juniors and seniors can count these hours towards their additional hours up to 20 hours.
