

Online Class Instructions:

Google Meet

On a phone or tablet: *download the Google Meet app*

- * If you use a laptop or computer, you don't need to download anything. It is best to use Google Chrome for the Google Meet.
- * If you use a phone, tablet, or ipad, you will need to **download the Google Meet app** now.

- Go to the **App store** or **Google Play**

- Download the **Google Meet** app

- **Allow access to the video and microphone** when you download the app

Note: We recommend using a Google account/gmail for your class if you are using a phone or tablet.

How to join your class:

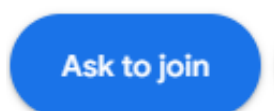

Your teacher will email you a link. If you do not find the teacher's email, check the promotions, spam and junk folders in your email. If you still do not find it, call Hubbs Center at **651-290-4822** for more help.

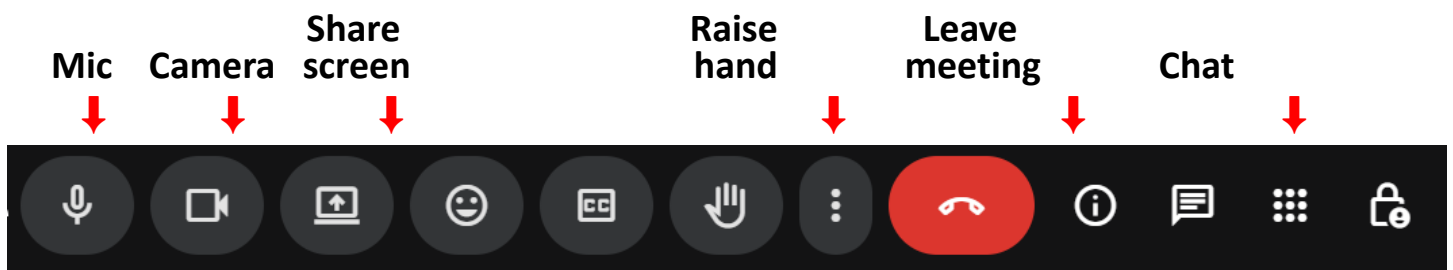

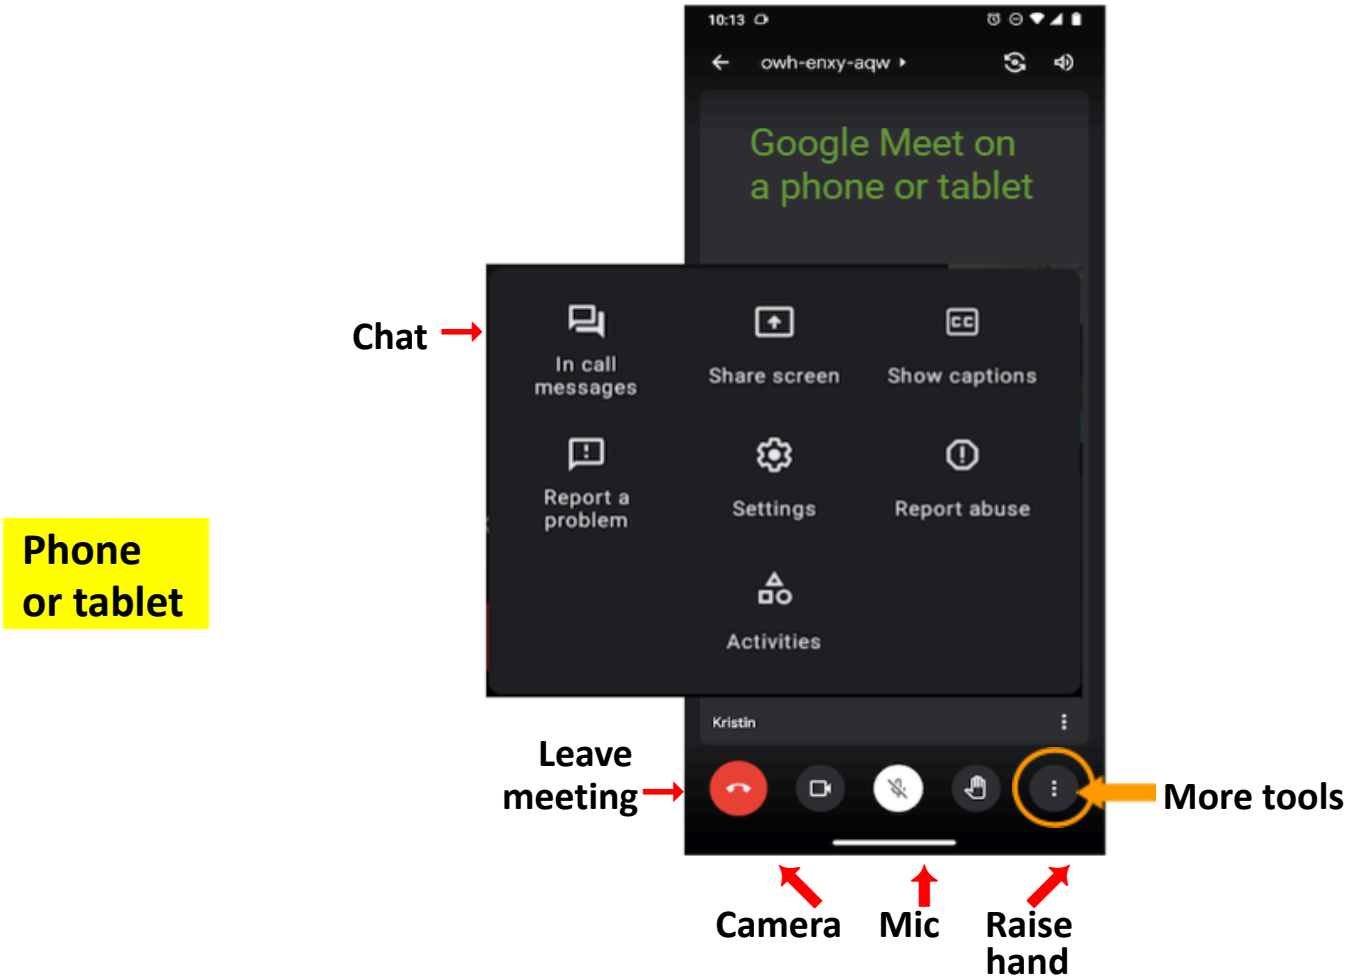

1. Open your email and find the email from your teacher.
2. Click on the link to join the class online.

Example video call link: <https://meet.google.com/xxx-xxxx-xxx>

The link above is NOT your class link – it is just an example.

3. Click **Ask to join**
