With counselor assistance, students are encouraged to choose the curriculum that best suits their interests and goals. Teachers employ a variety of instructional strategies that promote active learning. With TKA's technology program, high school students bring their own devices and use applications that enrich learning and engagement. Caring and passionate teachers create a positive and encouraging learning environment at all grade levels.

COLLEGE AND ACADEMIC COUNSELING

The King's Academy provides a comprehensive four-year Academic and College Counseling program that begins in the freshman year. Each student is paired with a dedicated college counselor who remains with them through graduation, fostering personalized guidance throughout the college planning process. With a low student-to-college counselor ratio of 40:1 at each grade level, TKA offers a highly individualized counseling experience.

Counselors partner with students and families to identify colleges and programs that align with each student's academic strengths, interests, aspirations, and financial considerations. SPIRITUAL LIFE AND COMMUNITY SERVICE

Although The King's Academy places high value on academic excellence, it differs from other schools in that everything at TKA is designed to bring students closer to God, create strong relationships between students and staff, and build Christian servant leaders. The entire student body has daily opportunities to mature spiritually through home groups, retreats, chapels, clubs, peer groups, mentoring, and service. Students become disciples of the Jesus Christ. The annual TKA Service Week provides high school students with life-changing opportunities to serve those in need. The location of service trips varies from year to year, but in recent years TKA students have served in places like San Francisco, Los Angeles, Kentucky, Mexico, Costa Rica, Belize, Japan, and Taiwan.

VISUAL AND PERFORMING ARTS

Well known throughout the Bay Area, The King's Academy's Visual and Performing Arts (VPA) Department seeks to honor God through developing students' creative gifts and offering an environment where they can share those gifts with our community. The VPA environment fosters creativity and confidence as students develop their musical, artistic, and dramatic skills. This department currently offers classes in a varitey of art mediums, digital design, photography, video production, dance, theatre, choral music, marching band, jazz band, and orchestra. The work of the students is displayed in exhibits, workshops, concerts, community events, and stage performances.

ATHLETICS

The King's Academy athletic department desires to glorify God by mentoring and coaching our student athletes to become champions in life. The King's Academy is a full member of the California Interscholastic Federation (CIF), the Central Coast Section (CCS) and the West Bay Athletic League (WBAL). The King's Academy is a supplemental member of The Peninsula Athletic League (PAL-Football, Softball, Baseball), and the Santa Clara Athletic League (SCVAL-Boys Volleyball, Wrestling).
