RFQ-2026-04: Financial Literacy, Grade 12

Visalia Unified School District

Question: Is there an error with the closing date? It looks like the release and closing date are the same? Please advise. (Received 6/17/26)

The RFQ posting date is June 17, 2026 and the submission deadline is July 17, 2026 which is one month apart.

Question: Just wanted to confirm that submission date is 7/17/26? (Received 6/17/26)

Yes. The submission window opens 6/17/26 @ 12pm PST and closes 7/17/26 @ 12pm PST.

Question: The RFQ notes this is a graduation-required course replacing Math for Personal Finance, but it does not specify whether it is a full-year or semester course. Can you clarify the term for this course? ? (Received 6/19/26)

The new Financial Literacy course will be a semester course, and it will most likely be paired with Economics.

Question: The RFQ specifies a submission should include a balance of print and digital learning materials. Does this mean digital-only programs should not be submitted? (Received 6/24/26)

All submissions, including digital-only submissions, will be presented to the committee and reviewed by the committee.
