ASL Interpreter

The Freshwater Education District is hiring a full-time ASL Interpreter for the 2026-2027 school year, 181 days. Responsibilities include: The Educational Interpreter provides communication access by interpreting and transliterating between spoken language and ASL/Signed English to support the student's meaningful participation in classroom and school activities. The interpreter prepares for assignments by reviewing classroom materials, developing appropriate vocabulary and signs, and adapting communication to the student's language, communication style, and academic needs. The interpreter collaborates with teachers, DHH staff, parents, and other members of the educational team to support the student's educational program and IEP. The interpreter encourages student participation and independence while providing support as directed by the student's educational plan. The interpreter also promotes awareness and understanding of Deaf/Hard of Hearing needs within the school community and maintains effective, respectful communication with students, staff, and families. Interested candidates are encouraged to contact us for more information about this opportunity! The full-time salary range for this position is \$40,091.20–\$57,858.40 annually.

This position is open until filled
