

Welcome to 5th Gr.

Social Studies

Mrs. Schuler

CURRICULUM:

In 5th grade, we will learn about geography, government & civics, history, economics, and culture. We won't just learn what happened - we'll ask WHY it happened and think about how the past connects to our world today!

ABOUT ME: This is my first year in the Tamaqua School District but my 11th year teaching. I have a passion for teaching and love creating a classroom where students feel comfortable asking questions, sharing ideas, and learning from one another. When I'm not at school I enjoy spending time with my family and making memories with my kids. I look forward to getting to know each of my students and making this a fun, meaningful, and successful school year!
