

Parents and Students,

We can't wait to kick off scouting for 2026/2027! We are mapping out a year packed with hikes, campouts, service projects, the Pinewood Derby and more.

One of the best things about scouting is that it offers fun experiences for the whole family. Together you learn important life skills, build confidence, and have a blast doing it. If you're curious about scouting or just want to learn more, scan the QR code and reach out. See you around the campfire.
