It's time to grab a burrito and support Northview Softball!

Our Chipotle Fundraiser is Wednesday, August 26, from 4:00–8:00 PM, and we'd love your help making it a HUGE success!

Here's how it works:

- 25% of sales will come back to Northview Softball.
- You can order in person—just show the attached flyer or let the cashier know you're supporting Northview Softball.
- You can also order online or through the Chipotle app using the fundraiser code XQE4ZJA so your purchase counts toward our fundraiser.

Please help us spread the word! Share the attached flyers/PNG files with family, friends, neighbors, coworkers, and anyone else who might want an excuse to enjoy Chipotle while supporting our girls!

Thank you for helping us support our players on and off the field!

Let's eat, share, and support Northview Softball!

Titans! We have a brand-new Northview Pokémon Club!

Are you ready to become a Pokémon Master? Join our first meeting next Tuesday, September 1st from 7:45-8:15 before school in room 508.

Whether you're a longtime Trainer, card collector, video game pro, or just curious about adorable Pokémon, we'd love to have you join us! Students and staff are invited to explore everything about Pokémon, make new friends, and have tons of fun!

This year, our mission is simple: GOTTA CATCH 'EM ALL!!!

ICE CREAM SOCIAL MEETING ON MON, 8/31 @ 3:30PM IN THE CAFETERIA! - MUST BE A PAID MEMBER TO ATTEND!

What is the Governor's Honors Program (GHP)?

The Georgia Governor's Honors Program (GHP) is a residential summer program for skilled, knowledgeable, and talented high school juniors and seniors. GHP offers instruction that is significantly different from the typical high school classroom and is designed to provide students with academic, cultural, and social enrichment necessary to become the next generation of global critical thinkers, innovators, and leaders.

Who is a GHP Student?

A GHP student is a rising junior or senior (current 10th or 11th grader) that exhibits an undeniable level of passion in their preferred subject, and an appetite to learn on a deeper level that cannot always be fully satisfied in a high school classroom. GHP caliber students will find ways to study and explore their subjects independently from a classroom environment, at times despite a lack of resources.

Prospective GHP students should know that selection to the Governor's Honors Program is highly competitive. Students should have passion in the area of nomination, desire to attend GHP in the summer, willingness/ability to live in a residential setting for the full-length of the program, and the capacity to be fully engaged in the curriculum for the duration of the program. This is the minimum threshold for consideration for the program. The most successful student candidates additionally have the attributes, experiences, and skills outlined in the selection criteria provided for their area of nomination.

If you are interested in GHP, speak with a current or past teacher in the nomination area of interest and ask them to submit a nomination form for you. Teacher nominations are due by 4:00 pm on Friday, September 4th.

Nomination Areas

- Agricultural Research, Biotechnology, and Science ● Communicative Arts ● Computer Science ● Dance
- Engineering (Mechanical & Aerospace, Electrical & Computer, Civil & Environmental) ● Mathematics
- Music (Brass: Euphonium, French Horn, Trombone, Trumpet, Tuba) (Jazz: Electric or Acoustic Bass, Drums, Guitar, Piano, Saxophone, Trombone, Trumpet, Vibraphone) Percussion, Piano (Strings: Cello, String Bass, Viola, Violin) (Voice: Soprano, Alto, Tenor, Bass) (Woodwind: Bassoon, Clarinet, Flute, Oboe, Saxophone)
- Science (Biology/Environmental Science, Chemistry, Physics) ● Social Studies ● Theatre ● Visual Arts ● World Languages (Chinese, French, German, Latin, Spanish)
