

Request for Sports Credits at New Vista High School

A New Vista student may earn **0.4 credits in the area of Path credits per season of successful participation** in a NVHS club sport or other high school varsity sport.

A **maximum of 2.0 total credits** may be earned during a student's **high school career**.

Students please note: **After** your sport is completed, please obtain the required signatures on this form and return the completed form to the registrar so the credits can be added to your transcript. A new form must be submitted at the completion of **every** individual sport season.
