GRADE POINT AVERAGE

GPA is cumulative by semester

- Each year of high school is important
- High school credit earned in middle school is not calculated into the GPA (EXCEPTION-Courses taken on the high school campus and Art I taken for HS credit)
- All courses taken after the completion of middle school are averaged in the GPA (except local credit courses (i.e. Office Assistant).

Courses taken in the summer prior to 9th grade are calculated into the GPA

K, H, ADVANCED, AP COURSES

- Parent communication with teacher via email, note, or phone call
- Student or parent may request a level drop at the Progress Report time and Report Card time of each grading period
- “F” (69 or lower) average any grading period results in automatic removal
- “C-” (74 or lower) average at semester results in automatic removal
- Teachers send out K level/AP/Advanced letters individually for their class.

WAYS TO EARN COLLEGE CREDIT

STUDENT SUCCESS

- Stay focused
- Have great attendance
- Attend tutorials
- Don't waste time
- Ask for help
- Stay organized
- Remember important dates & information
- Check HAC weekly
- Do not assume you have time to recover next year

PE & PE EQUIVALENT CLASSES

Just a Reminder:

- Students that are in an athletics, PE or PE equivalent class, and wish to come out, must go into a PE course.
 - Example: A student in Wrestling decides he/she doesn't want to wrestle, they must go into a PE class. OR if a student in Cheer/Bailadoras/Band wish or have to come out, they will go to PE.
- See page 5 of the [District Course Description Booklet](#)
- May affect schedule

Course Selection and Request for Changes

Students will select courses for the next school year during the spring semester. A decision of this nature should be considered with parental aid. Factors to be considered in selecting courses are the

- requirements for graduation;
- significance of the course to the student's overall program and educational/career goals;
- purpose of the course; or
- possible prerequisite(s) for other courses.

All requests for changes must be submitted in writing by the last day of April.

The following guidelines will be used in honoring changes/requests made after that date.

1. Changes will be made during the first two weeks of a semester for the following reasons. The student
 - does not meet prerequisite(s) for the course;
 - does not meet grade placement requirement of the course;
 - already has credit in the course;
 - is placed in an inappropriate level; or
 - has not met requirement for K-level, AP, or HORIZONS placement.
2. After consultation with the teacher, students may withdraw from band, dance, JROTC, or athletics at any time, but in each case, they will be assigned to a regular physical education class.
3. No course changes are allowed after the second week of each semester.

Note: Schedule changes after the second week of either semester will be according to district policy (i.e. they are primarily AP to K-level or K-to L-level changes). No other course changes are allowed; course changes may raise eligibility issues.

CLUBS AND ORGANIZATIONS

- ◇ Information can be found on our website
 - listen to [announcements](#), also on Langham Creek Website
 - look for club advertisements in hallways and classroom
- ◇ An opportunity to meet new people
- ◇ Provides an essential element of college entrance requirements
- ◇ Fosters leadership qualities, independence, and camaraderie among students

LEADERSHIP OPPORTUNITY

LEADERSHIP HIGH SCHOOL

LONE STAR
COLLEGE

BE A LEADER

Leadership High School (LHS) is a dynamic leadership development, community awareness, and career preparedness program for sophomores and juniors attending public high school in the Lone Star College service area. LHS is for students seeking the confidence, skills, problem-solving abilities, and connections essential to realizing their leadership potential. Monthly interactive sessions provide a platform for participants to explore best leadership practices, engage in dialogue with community leaders, participate in peer-to-peer learning, and gain personal leadership skills.

All program sessions are held at a Lone Star College campus and student participants are responsible for their transportation to and from the session location. Leadership High School is offered at no cost to student participants. For more information call 832.813.6270 or visit LoneStar.edu/Leadership-HighSchool.

AP TESTING

LANGHAM CREEK HIGH SCHOOL · AP PROGRAM

Registering for AP Classroom & Your AP Exam

Join AP Classroom by
September 15

Follow steps 1–3 by **September 15**. Exam registration (step 4) and payment are due by **October 31**.

1 Log in, or create your account

Already have an account? Click **Student** to log in. First time? Click **Create Account** and use your **full legal name** as it appears on school records.

Use a personal email — not your school email. Your school email is a dummy address and won't work. Avoid iCloud/Apple emails too — they often bounce. I need a working email to reach you, and Schoology isn't practical for this. **Write your password down somewhere safe** — with our no-phone policy, resets are a hassle and cost us both time. This matters most if you're planning to take the exam.

2 Join your class with the code from your teacher

Your AP teacher gives you the class **join code** in class — each course/period has its own code. Once you're logged in, click **Join a Course** and enter it. Before confirming, double-check the course name and section/period match the class you're actually sitting in.

Only your teacher's code is correct — don't search for one online

3 Check your Student ID

If you're prompted for a **Student ID** while registering, enter it **without the "S" in front** — numbers only. Not prompted? Go to **My AP Profile** → **AP Registration** tab and check the Student ID field yourself. If it starts with "S," delete the S and re-enter just the numbers, as shown here.

Numbers only — no "S"

4 Register for the exam

On your course card under **Courses & Assignments**, click **Register for Exam** and follow the prompts. This is what tells me to include you in our school's official exam order — if you skip it, your exam is not ordered.

Required for every AP class you're testing in **Due by October 31**

Payment is a separate step, due by October 31. Registering here does not charge you. Pricing and payment instructions will be shared soon — watch for that follow-up.

✓ Do this

- Use a personal email you actually check
- Write down your username & password
- Enter your Student ID without the "S"
- Complete Step 4 for every AP class you're testing in

✗ Avoid this

- Don't use your school email or an iCloud email
- Don't create a second/duplicate account
- Don't join the wrong period/section
- Don't skip exam registration in AP Classroom
